Kathleen Hill as New City Clerk

The City Council recently appointed Kathleen Hill as its new City Clerk effective March 1, 2019. Kathleen will replace Sandra Medina who is retiring after 35 years of service with multiple agencies. Kathleen is an administrative professional with over twenty years of experience in both the public and the private sector. Prior to joining the City of Lomita, she held administrative roles at the City of Tulsa, Oklahoma, the University of Southern California, and the City of Buena Park. She holds a bachelors degree in Behavioral Science from Western International University, a Certified Municipal Clerk certification (CMC) from the International Institute of Municipal Clerks, and a Certified Administrative Professional Organizational Management certification (CAP OM) from the International Association of Administrative Professionals.

Kathleen looks forward to continuing her public service with the City in this new role and getting to know the residents of Lomita.

Lomita Sister City Association News

The Lomita Sister City Association had a successful spaghetti fundraising dinner on April 13th at the Lomita Park - Tom Rico Center. We want to extend our gratitude and appreciation to all that continues to support us every year. During this summer in August we will be welcoming a group of students and their chaperone. We're currently in the process of planning various activities for the 2 weeks of their stay with the city of Lomita and their host families. We are expecting about 7 students and 1 chaperone. We hope to introduce them to various locations throughout Lomita and the Los Angeles area, and parts of the American & multi-ethnic cultures in the U.S. If you happen to see us around please say hello and welcome them to our city.

We welcome families and students who are interested and would like to join our organization. If you have any questions or are looking to become involved, you can attend one of our regular monthly meetings held on the 3rd Thursday of each month at 7pm at Lomita City Hall. This organization and the experiences they promote are wonderful additions to a student's resume and can help to develop a true and deep understanding of being a universal person by experiencing other cultures.

If you do not have students who are interested or age appropriate at this time, but would still like to help with our fundraisers, we would still appreciate your support. It is as simple as shopping at Ralphs or Food4Less. You can sign up from their website with your login and go into "Community Programs" and search for our organization's name: Lomita Sister City. It will go into effect 72HRS after registration and then start your normal shopping with your membership card. From all of your purchases, Ralphs and Food4Less will reward us with a small percentage of the amount quarterly. The more you shop, the more we will receive back in rewards. More information can be found on our website under Get Involved @ https://lomitasistercity.webs.com/
