## LOMITA DIAL-A-RIDE PROGRAM

1-866-424-1678

### For additional information call:

Dial-A-Ride Program at  
Lomita City Hall (310) 325-7110

Dial-A-Ride Program Director at  
Taxicab Company (310) 715-1968

24300 Narbonne Ave.  
Lomita, CA 90717  
(310) 325-7110

# What is Dial-a-Ride?

The City sponsors a taxi cab program for senior and disabled residents of Lomita. The Lomita Dial-A-Ride program has been established in cooperation with Administrative Services CO-OP (Cab Company).

Service is provided on a round-the-clock basis to and from any point within the service area and to and from any of the sixteen satellite point listed on the back.

## ARE YOU ELIGIBLE?

Residents 65 years of age and older or disabled persons 18 years old or older are eligible. At the time of application, you must show proof of Lomita residency, age, and/or disability. Identification card from California DMV.

If disabled, you are eligible if you have an impairment or disability that prevents you from driving a motor vehicle. (Doctor's note required). Disabled passengers MUST be able to transfer on their own and have a collapsible wheelchair, or other assisting device, weighing less than 25 pounds.

## WHERE CAN YOU GO?

The service area is limited to trips within the service area and listed satellite points. Anything beyond the designated service area requires an additional fee.

## WHAT IS THE COST?

Each one-way trip costs \$1.00.

## HOW AND WHERE TO PURCHASE TRIPS

Each participant is eligible to purchase a maximum of forty (40) one-way trips per month. When trips are purchased, they are credited to a personalized Dial-A-Ride Swipe Card. Trips can be purchased at City Hall or through the mail.

# Ready to Ride?

- Call the number designated for Lomita Dial-a-Ride: **1-866-424-1678**. Give your name, location, destination, and the number of passengers in your party.
- When the taxi arrives, present your swipe card to the taxi driver, and enjoy the ride! Once you've reached your destination, your card will be swiped again to end your trip. You will receive a receipt indicating the balance on your card at the end of each ride.
- Trips made outside the service area (excluding satellite points) which are not covered under the program will be charged as follows:

The driver will take the patron to the service area limit, pull over and swipe the card to end the Dial-a-Ride trip. The meter will be reset, and the patron will be required to pay by cash or with their own personal credit card any charges from the service area limit to their destination.

The metered fare to the destination that the participant will be required to pay, which is not covered by the swipe card, will also include a trip origination fee (**minimum \$2.85**).

The same rules apply for pick-ups originating from outside the service area with a destination inside the service area.

- Drivers will not assist with packages in excess of 25 pounds due to State Law.
- Drivers will not wait for passengers for continuation or return trips.
- Tipping of drivers is not required, expected, or encouraged.

# Rules for Dial-a-Ride

- All participants are required to have Picture ID and present with Swipe Card to cab driver for all rides.
- Only eligible residents of the City of Lomita may participate.
- The City reserves the right to limit the number of ride credits purchased per month.
- Each trip purchased for \$1.00 allows the rider a one-way trip from one pick-up point to one destination.
- Be prompt at pick-up location.
- Each participant will be issued their own personal swipe card. Cards may not be shared under any circumstances.
- Lost or stolen swipe cards must be reported immediately to the City Clerk's Department. We will cancel your card and order a new one, which will take 7-10 business days.
- The availability of taxi cabs determines how soon your ride arrives.
- Any violation of the Dial-A-Ride program rules will result in termination of ridership privileges.

**Just call, swipe, and ride!**

**1-866-424-1678**
