

Get Involved in the City of Lomita's District Formation Process

The City of Lomita is considering transitioning its current at-large election process to district-based elections. Beginning in 2024, voters would vote for one City Council Member who lives in their district. Join us at the upcoming community workshop to learn more about the process and how to draw maps.

**We want to hear from YOU
at our virtual workshop!**

September 15 at 7 p.m.
The Zoom link will be made available
on the City's districting webpage:
LomitaCity.com/Districting-Calendar

At the workshop, participants will receive an overview of the district formation process, have the chance to share thoughts on specific neighborhoods and communities of interest, and learn about the mapping tools that are available for residents to draw their own maps for consideration.
