SECTION I GENERAL INFORMATION

A. INTRODUCTION / BACKGROUND

The City of Lomita is requesting proposals from qualified and experienced Civil Engineering firm(s) to prepare a Traffic Calming Toolkit specific to Lomita.

The City of Lomita is an urban, densely populated 1.97 square miles (total area is 1,261 acres), located at the base of the Palos Verdes Peninsula in the Los Angeles Basin, Los Angeles County. The City of Lomita is located in the southwestern part of Los Angeles County, 26 miles south of downtown Los Angeles and bounded by the City of Torrance on the north and west, the Harbor Region of Los Angeles to the east, and the City of Rolling Hill Estates on the southwest; and the City of Rancho Palos Verdes and unincorporated Los Angeles County area to the southeast. The City is almost completely developed with mostly residential neighborhoods and commercial units.

The City of Lomita is in need of a Traffic Calming Toolkit to manage traffic flow throughout the City's many local streets. The City is served by east-west principal arterial corridors Pacific Coast Highway (under CalTrans jurisdiction) and Lomita Boulevard. These are the only two streets that allow vehicular traffic through on the western boundary of the City. The north-south streets include minor arterials, Eshelman Avenue and Narbonne Avenue, among others. These have residential frontages as well as schools and Lomita downtown, all with pedestrian traffic. City staff, through its Technical Traffic Advisory Committee, receive complaints of speeding traffic on various streets throughout the City, concerns of long wait times to safely make turns at uncontrolled intersections and crossing at pedestrian crosswalks.

B. PROJECT DESCRIPTION

This RFP is to solicit proposals for engineering services to complete a toolkit for traffic calming specific for the City of Lomita. The purpose of this project is to have a toolkit to reduce the speed of traffic, provide safer environments for pedestrians, and taking aesthetics of measures into account.

The City's Technical Traffic Advisory Committee is composed of City staff from Public Works and Parking Enforcement as well as its Traffic Advisor from Los Angeles County and the Sheriff Department representatives. Approaches used in the past to address concerns include education of motorists, enhanced enforcement, and engineering applications. The City would like to enhance its

available tools based upon new solutions, and general guidelines based upon various streets configurations.

The Scope of Work (Section III) is a minimum suggested scope for the work of the project.

C. DESCRIPTION OF WORK

The City of Lomita is requesting proposals from qualified and experienced Civil Engineering firm(s) to prepare a traffic calming toolkit to meet the needs of the City. This work will involve project management, research, review of information, community workshops, development of a comprehensive traffic calming toolkit, preparation of reports/documents, and presentations. Details are included in Section III, Scope of Services.

The contract will be regulated according to the provisions of all Federal, State and local laws and ordinances that are applicable. This includes compliance with prevailing wage rates and their payment in accordance with California Labor Code, Section 1775.

- B. The requirements as to the types and limits of insurance coverage to be maintained by CONTRACTOR as required by Section 19, and any approval of said insurance by CITY, are not intended to and will not in any manner limit or

qualify the liabilities and obligations otherwise assumed by CONTRACTOR pursuant to this Agreement, including, without limitation, to the provisions concerning indemnification.

16. **ASSIGNABILITY**. This Agreement is for CONTRACTOR's professional services. CONTRACTOR's attempts to assign the benefits or burdens of this Agreement without CITY's written approval are prohibited and will be null and void.
17. **INDEPENDENT CONTRACTOR**. CITY and CONTRACTOR agree that CONTRACTOR will act as an independent contractor and will have control of all work and the manner in which it is performed. CONTRACTOR will be free to contract for similar service to be performed for other employers while under contract with CITY. CONTRACTOR is not an agent or employee of CITY and is not entitled to participate in any pension plan, insurance, bonus or similar benefits CITY provides for its employees. Any provision in this Agreement that may appear to give CITY the right to direct CONTRACTOR as to the details of doing the work or to exercise a measure of control over the work means that CONTRACTOR will follow the direction of the CITY as to end results of the work only.
18. **AUDIT OF RECORDS**.
 - A. CONTRACTOR agrees that CITY, or designee, has the right to review, obtain, and copy all records pertaining to the performance of this Agreement. CONTRACTOR agrees to provide CITY, or designee, with any relevant information requested and will permit CITY, or designee, access to its premises, upon reasonable notice, during normal business hours for the purpose of interviewing employees and inspecting and copying such books, records, accounts, and other material that may be relevant to a matter under investigation for the purpose of determining compliance with this Agreement. CONTRACTOR further agrees to maintain such records for a period of three (3) years following final payment under this Agreement.
 - B. CONTRACTOR will keep all books, records, accounts and documents pertaining to this Agreement separate from other activities unrelated to this Agreement.
19. **CORRECTIVE MEASURES**. CONTRACTOR will promptly implement any corrective measures required by CITY regarding the requirements and obligations of this Agreement. CONTRACTOR will be given a reasonable amount of time as determined by CITY to implement said corrective measures. Failure of CONTRACTOR to implement required corrective measures shall result in immediate termination of this Agreement.
20. **INSURANCE REQUIREMENTS**.
 - A. CONTRACTOR, at CONTRACTOR's own cost and expense, shall procure and maintain, for the duration of the contract, the following insurance policies:

1. Workers Compensation Insurance as required by law. CONTRACTOR shall require all subcontractors similarly to provide such compensation insurance for their respective employees. Any notice of cancellation or non-renewal of all Workers' Compensation policies must be received by CITY at least thirty (30) days prior to such change. The insurer shall agree to waive all rights of subrogation against CITY, its officers, agents, employees, and volunteers for losses arising from work performed by CONTRACTOR for CITY.
 2. General Liability Coverage. CONTRACTOR shall maintain commercial general liability insurance in an amount of not less than one million dollars (\$1,000,000) per occurrence for bodily injury, personal injury, and property damage. If a commercial general liability insurance form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit.
 3. Automobile Liability Coverage. CONTRACTOR shall maintain automobile liability insurance covering bodily injury and property damage for all activities of CONTRACTOR arising out of or in connection with the work to be performed under this Agreement, including coverage for owned, hired, and non-owned vehicles, in an amount of not less than one million dollars (\$1,000,000) combined single limit for each occurrence.
 4. Professional Liability Coverage. CONTRACTOR shall maintain professional errors and omissions liability insurance for protection against claims alleging negligent acts, errors, or omissions which may arise from CONTRACTOR'S operations under this Agreement, whether such operations be by CONTRACTOR or by its employees, subcontractors, or subcontractors. The amount of this insurance shall not be less than one million dollars (\$1,000,000) on a claims-made annual aggregate basis, or a combined single-limit-per-occurrence basis. When coverage is provided on a "claims made basis," CONTRACTOR will continue to renew the insurance for a period of three (3) years after this Agreement expires or is terminated. Such insurance will have the same coverage and limits as the policy that was in effect during the term of this Agreement, and will cover CONTRACTOR for all claims made by CITY arising out of any errors or omissions of CONTRACTOR, or its officers, employees or agents during the time this Agreement was in effect.
- B. Endorsements. Each general liability, automobile liability and professional liability insurance policy shall be issued by a financially responsible insurance company or companies admitted and authorized to do business in the State of California, or which is approved in writing by CITY, and shall be endorsed as follows. CONTRACTOR also agrees to require all contractors, and subcontractors to do likewise.
1. "The CITY, its elected or appointed officers, officials, employees, agents,

and volunteers are to be covered as additional insureds with respect to liability arising out of work performed by or on behalf of the CONTRACTOR, including materials, parts, or equipment furnished in connection with such work or operations.”

2. This policy shall be considered primary insurance as respects CITY, its elected or appointed officers, officials, employees, agents, and volunteers. Any insurance maintained by CITY, including any self-insured retention CITY may have, shall be considered excess insurance only and shall not contribute with this policy.
 3. This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.
 4. The insurer waives all rights of subrogation against CITY, its elected or appointed officers, officials, employees, or agents.
 5. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to CITY, its elected or appointed officers, officials, employees, agents, or volunteers.
 6. The insurance provided by this policy shall not be suspended, voided, canceled, or reduced in coverage or in limits except after thirty (30) days' written notice has been received by CITY.
- C. CONTRACTOR agrees to provide immediate notice to CITY of any claim or loss against Contractor arising out of the work performed under this agreement. CITY assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve CITY.
- D. Any deductibles or self-insured retentions must be declared to and approved by CITY. At CITY's option, CONTRACTOR shall demonstrate financial capability for payment of such deductibles or self-insured retentions.
- E. CONTRACTOR shall provide certificates of insurance with original endorsements to CITY as evidence of the insurance coverage required herein. Certificates of such insurance shall be filed with CITY on or before commencement of performance of this Agreement. Current certification of insurance shall be kept on file with CITY at all times during the term of this Agreement.
- F. Failure on the part of CONTRACTOR to procure or maintain required insurance shall constitute a material breach of contract under which CITY may terminate this Agreement pursuant to Section 13 above.
- G. The commercial general and automobile liability policies required by this

Agreement shall allow CITY, as additional insured, to satisfy the self-insured retention ("SIR") and/or deductible of the policy in lieu of the CONTRACTOR (as the named insured) should CONTRACTOR fail to pay the SIR or deductible requirements. The amount of the SIR or deductible shall be subject to the approval of the City Attorney and the Finance Director. CONTRACTOR understands and agrees that satisfaction of this requirement is an express condition precedent to the effectiveness of this Agreement. Failure by CONTRACTOR as primary insured to pay its SIR or deductible constitutes a material breach of this Agreement. Should CITY pay the SIR or deductible on CONTRACTOR'S behalf upon CONTRACTOR'S failure or refusal to do so in order to secure defense and indemnification as an additional insured under the policy, CITY may include such amounts as damages in any action against Contractor for breach of this Agreement in addition to any other damages incurred by CITY due to the breach.

21. **USE OF OTHER CONTRACTORS.** CONTRACTOR must obtain CITY's prior written approval to use any Contractors while performing any portion of this Agreement. Such approval must include approval of the proposed Contractor and the terms of compensation.
22. **FINAL PAYMENT ACCEPTANCE CONSTITUTES RELEASE.** The acceptance by the CONTRACTOR of the final payment made under this Agreement shall operate as and be a release of CITY from all claims and liabilities for compensation to the CONTRACTOR for anything done, furnished or relating to the CONTRACTOR'S work or services. Acceptance of payment shall be any negotiation of CITY'S check or the failure to make a written extra compensation claim within ten (10) calendar days of the receipt of that check. However, approval or payment by CITY shall not constitute, nor be deemed, a release of the responsibility and liability of CONTRACTOR, its employees, sub-Contractors and agents for the accuracy and competency of the information provided and/or work performed; nor shall such approval or payment be deemed to be an assumption of such responsibility or liability by CITY for any defect or error in the work prepared by CONTRACTOR, its employees, sub-Contractors and agents.
23. **CORRECTIONS.** In addition to the above indemnification obligations, the CONTRACTOR shall correct, at its expense, all errors in the work which may be disclosed during CITY'S review of CONTRACTOR'S report or plans. Should the CONTRACTOR fail to make such correction in a reasonably timely manner, such correction shall be made by CITY, and the cost thereof shall be charged to CONTRACTOR. In addition to all other available remedies, CITY may deduct the cost of such correction from any retention amount held by CITY or may withhold payment otherwise owed CONTRACTOR under this Agreement up to the amount of the cost of correction.
24. **NON-APPROPRIATION OF FUNDS.** Payments to be made to CONTRACTOR by CITY for services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted fund. In the event that CITY does not appropriate sufficient funds for payment of CONTRACTOR'S services

beyond the current fiscal year, the Agreement shall cover payment for CONTRACTOR'S only to the conclusion of the last fiscal year in which CITY appropriates sufficient funds and shall automatically terminate at the conclusion of such fiscal year.

25. **NOTICES**. All communications to either party by the other party will be deemed made when received by such party at its respective name and address as follows:

Further, CONTRACTOR warrants that it has not paid nor has it agreed to pay any company or person, other than CONTRACTOR's bona fide employee, any fee, commission, percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of this Agreement. Should CONTRACTOR breach or violate this warranty, CITY may rescind this Agreement without liability.
27. **THIRD PARTY BENEFICIARIES**. This Agreement and every provision herein is generally for the exclusive benefit of CONTRACTOR and CITY and not for the benefit of any other party. There will be no incidental or other beneficiaries of any of CONTRACTOR's or CITY's obligations under this Agreement.

This Agreement may be modified by written amendment with signatures of all parties to this Agreement. CITY's city administrator, or designee, may execute any such amendment on behalf of CITY.
32. **ACCEPTANCE OF FACSIMILE OR ELECTRONIC SIGNATURES.** The Parties agree that this Agreement will be considered signed when the signature of a party is delivered by facsimile transmission, scanned and delivered via electronic mail, or delivered using digital signature technology approved by CITY. Such facsimile or electronic signatures will be treated in all respects as having the same effect as an original signature.
33. **FORCE MAJEURE.** Should performance of this Agreement be impossible due to fire, flood, explosion, war, embargo, government action, civil or military authority, the natural elements, or other similar causes beyond the Parties' control, then the Agreement will immediately terminate without obligation of either party to the other.
34. **TIME IS OF ESSENCE.** Time is of the essence to comply with dates and schedules to be provided.
35. **ATTORNEY'S FEES.** The parties hereto acknowledge and agree that each will bear his or its own costs, expenses and attorneys' fees arising out of and/or connected with the negotiation, drafting and execution of the Agreement, and all matters arising out of or connected therewith except that, in the event any action is brought by any party hereto to enforce this Agreement, the prevailing party in such action shall be entitled to reasonable attorneys' fees and costs in addition to all other relief to which that party or those parties may be entitled.
36. **STATEMENT OF EXPERIENCE.** By executing this Agreement, CONTRACTOR represents that it has demonstrated trustworthiness and possesses the quality, fitness and capacity to perform the Agreement in a manner satisfactory to CITY.
