LOMITA CITY HALL COUNCIL CHAMBERS 24300 Narbonne Avenue

Lomita, CA 90717 Phone: (310) 325-7110 Fax: (310) 325-4024

Next Resolution No. 2023-21 Next Ordinance No. 859

AGENDA REGULAR MEETING LOMITA CITY COUNCIL TUESDAY, OCTOBER 17, 2023 6:00 P.M.

THE CITY COUNCIL HAS RESUMED PUBLIC MEETINGS IN THE COUNCIL CHAMBERS. PARTICIPATION BY MEMBERS OF THE PUBLIC IS ONLY GUARANTEED VIA IN-PERSON ATTENDANCE.

AS A COURTESY, THE CITY MAY ALSO CHOOSE TO ALLOW PUBLIC PARTICIPATION DURING THE MEETING VIA A COMPUTER OR SMART DEVICE USING THE FOLLOWING ZOOM LINK:

https://us02web.zoom.us/j/83306576837

Telephone Option: (669)-900-6833 Meeting ID: 833 0657 6837

THE COUNCIL MAY SUSPEND PUBLIC PARTICIPATION VIA ZOOM AT ANY TIME, AND THE MEETING WILL NOT BE CANCELLED NOR SUSPENDED IF TECHNICAL ISSUES PRECLUDE OR IMPACT THE ABILITY TO ACCEPT PUBLIC COMMENT OVER ZOOM. SHOULD YOU WISH TO ENSURE YOU CAN PARTICIPATE IN THIS MEETING, OR COMMENT ON AN ITEM ON THE AGENDA, YOU MUST SHOW UP IN PERSON AT THE MEETING.

Please note that the City cannot, and does not, guarantee that the above Zoom link or dial in feature will work, that any individual commenter's computer or smart device will operate without issue, or that the City's hosting of the Zoom will work without issue. Members of the public acknowledge this and are on notice that public participation is only guaranteed via attendance in Council Chambers and that the Zoom option is provided as a courtesy only. Technological issues or failure of the Zoom link to be operational for any reason will not result in any pause, recess, or cancellation of the meeting.

If you wish to provide public comment during oral communications or for a particular agenda item, you may either contact the City Clerk's Office before the meeting, at 310-325-7110 ext. 141, complete a speaker card and give it to the City Clerk or if participating via Zoom utilize the "raise hand" function to join the queue to speak when the Mayor calls the item for discussion. Your name and city of residency is requested, but not required.

No meeting of the Lomita Public Financing Authority will be held on this date.

1. OPENING CEREMONIES

- a. Call Meeting to Order
- b. Flag Salute
- c. Invocation Mayor Pro Tem Uphoff
- d. Roll Call

2. APPROVAL OF AGENDA

3. PRESENTATIONS

None scheduled.

4. ORAL COMMUNICATIONS

Persons wishing to speak on Consent Agenda items or subjects other than those scheduled are requested to do so at this time. In order to conduct a timely meeting, a three (3) minute time limit per person has been established. Government Code Section 54954.2 prohibits the Council from discussing or taking action on a specific item unless it appears on a posted agenda.

5. ORAL COMMUNICATIONS AND MEETING ATTENDANCE REPORTS FROM THE CITY COUNCIL

The City Council may discuss and act upon items described under Council comments; however, items which are not on the agenda will be limited to Council reports, announcements, requests for clarification or factual information, or placement of matters on the agenda for a future meeting.

6. CITY MANAGER'S REPORT (information only)

7. CONSENT AGENDA

All items under the Consent Agenda are considered by the Council to be routine and will be enacted by one motion in the form listed below. There may be separate discussions of these items prior to the time the Council votes on the motion. Specific items may be removed from the Consent Agenda at the request of any Council Member or staff.

RECOMMENDED ACTION: That Consent Agenda Items 7a-k be approved.

a. Motion to Waive Full Reading of Ordinances and that They be Read in Title Only

RECOMMENDED ACTION: Approve motion.

b. Warrants/Payroll Register

RECOMMENDED ACTION: Approve and file Warrants/Payroll Register.

c. Monthly Report for the Administrative Services Department

RECOMMENDED ACTION: Receive and file the report.

d. Monthly Report for the City Manager's Department

RECOMMENDED ACTION: Receive and file the report.

e. Monthly Report for the Community and Economic Development Department

RECOMMENDED ACTION: Receive and file the report.

f. Monthly Report for the Recreation and Facilities Division

RECOMMENDED ACTION: Receive and file the report.

g. Monthly Report for the Public Works Department

RECOMMENDED ACTION: Receive and file the report.

h. August 2023 Treasury & Investment Report

RECOMMENDED ACTION: Receive and file the report.

i. Fiscal Year (FY) 2023/24 Quarterly Financial Report

RECOMMENDED ACTION: Receive and file the Fiscal Year (FY) 2023/24 Quarterly Financial Report First Quarter Ending September 30, 2023.

j. Second Reading and Adoption of Ordinance No. 858

RECOMMENDED ACTION: Adopt the ordinance and find the project categorically exempt from the California Environmental Quality Act (CEQA).

ORDINANCE NO. 858 - AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF LOMITA, CALIFORNIA, AMENDING CHAPTER 5 OF TITLE I OF THE LOMITA MUNICIPAL CODE TO ALIGN THE ADMINISTRATIVE CITATION APPEAL METHOD WITH THE PARKING CITATION APPEAL METHOD AND FINDING THE SAME EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT

k. Resolution Approving and Authorizing the City Manager to Sign and File for Financial Assistance with the State Water Resources Control Board for Water Infrastructure Improvements

RECOMMENDED ACTION: Adopt Resolution No. 2023-21, approving and authorizing the City Manager or Designee to Sign and File for Financial Assistance with the State Water Resources Control Board for Water Infrastructure Improvements.

RESOLUTION NO. 2023-21 - A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOMITA, CALIFORNIA, AUTHORIZING THE CITY MANAGER OR DESIGNEE TO SIGN AND FILE FOR FINANCIAL ASSISTANCE WITH THE STATE WATER RESOURCES CONTROL BOARD FOR WATER INFRASTRUCTURE IMPROVEMENTS AND FINDING SUCH ACTION EXEMPT FROM CEQA

8. SCHEDULED ITEMS

a. DISCUSSION AND CONSIDERATION OF AUTHORIZATION FOR DEMOLITION AND SITE CLEAN-UP OF DECLARED NUISANCE PROPERTY 2253-2257 PACIFIC COAST HIGHWAY (APN 7373-008-006)

Presented by Brianna Rindge, Community & Economic Development Director

RECOMMENDED ACTION: Authorize the City Manager to authorize the work as described herein for \$32,400.00, with 10% contingency, and return to City Council with a report to recover full abatement costs.

b. DISCUSSION AND CONSIDERATION TO ADOPT A RESOLUTION APPROVING VARIOUS PERSONNEL ACTIONS AND APPROVING CLASSIFICATION SPECIFICATIONS

Presented by Lina Hernandez, Senior Management Analyst

RECOMMENDED ACTION: 1) Adopt Resolution No. 2023-22 establishing a revised list of full-time positions with corresponding salary schedule and make the necessary budget adjustments; and 2) Approve the attached Classification Specifications.

RESOLUTION NO. 2023-22 - A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOMITA, CALIFORNIA, ESTABLISHING A SALARY SCHEDULE AND AUTHORIZED POSITIONS FOR EMPLOYEES FOR THE FISCAL YEAR COMMENCING JULY 1, 2022, AND ENDING JUNE 30, 2024

9. PUBLIC HEARINGS

None

10. ADJOURNMENT

Written materials distributed to the City Council within 72 hours of the City Council meeting are available for public inspection via the City's website and copies are available for public inspection beginning the next regular business day in the City Clerk's Office, 24300 Narbonne Avenue, Lomita.

In compliance with the Americans with Disabilities Act (ADA) if you need special assistance to participate in this meeting, please contact the office of the City Clerk at (310) 325-7110. Notification at least forty-eight (48) hours prior to the meeting will enable the City to make reasonable arrangements.

I hereby certify under penalty of perjury under the laws of the State of California that the foregoing agenda was posted not less than 72 hours prior to the meeting at the following locations: Lomita City Hall, Lomita Park, and uploaded to the City of Lomita website <u>http://www.lomita.com/cityhall/city_agendas/</u>.

Date Posted: October 12, 2023

Linda E. Abbott, CMC, Deputy City Clerk

CITY OF LOMITA CITY COUNCIL REPORT

Item No. 7c

10:	City Council
FROM:	Ryan Smoot, City Manager
PREPARED BY:	Susan Kamada, Administrative Services Director
MEETING DATE:	October 17, 2023
SUBJECT:	Monthly Report for the Administrative Services Department

RECOMMENDATION

<u>...</u>

Receive and file the monthly report for the Administrative Services Department.

BACKGROUND

Accounting Activities:

- Staff participated in CSMFO's "Interpreting and Communicating the New CalPERS Actuarial Report" Webinar
- > Staff completed the Measure R Highway Audit
- > Staff participated in the Finance Committee Meeting

Department activity levels for the month of September 2023 are provided below:

Journal Entries/Adjustments	8
Payroll Updates/Maintenance Changes	27 / 1 New Hires
Purchase Orders Issued	7
Purchase Orders Paid	27
Invoices Processed for Payment	289
Checks Processed (Demands & Manual)	186
Payroll Checks Processed	170
Business Licenses Issued (New / Renewals)	31/65
Water Utility Bills Mailed/Late Notices Issued	Water Utility Bills Mailed 3940
Service Orders Issued (for Water Accounts)	47

October 17, 2023	
Monthly Report for the City Manager's Departme	ent
	Ryan Smoot, City Manager Gary Y. Sugano, Assistant City Manager October 17, 2023

RECOMMENDATION

Receive and file the monthly report for the City Manager's Department.

BACKGROUND

Information Technology

The City is in the process of changing providers from TPx Communications to Airespring and upgrading networking and phone systems. Numa Networks is currently on-site one day per week to provide as-needed IT support. During the month of September, Numa Networks assisted with a total of 172 trouble tickets.

Human Resources/Risk Management

The City currently has only one (1) recruitment open: Recreation Leader (part-time) in the Recreation and Facilities Division. The Payroll Accountant recruitment, for the Administrative Services Department, closed on September 17, 2023. No qualified candidates applied. The City is currently seeking the assistance of an outside recruiting firm to locate qualified candidates. The Principal Engineer recruitment, for the Public Works Department, closed on September 22, 2023. No qualified candidates applied during the recruitment period. The City plans to post the position with a professional engineering association to locate qualified candidates.

The Public Works streets and trees and park maintenance divisions attended a half-day team building training on September 22, 2023. The training was conducted at City Hall by a certified JPIA instructor. Brianna Rindge, Community and Economic Development Director, will attend the JPIA Management Academy from October 24, 2023 through October 26, 2023. The academy will be conducted at Miramonte Resort in Indian Wells, CA.

Emergency Management

The City was awarded a Hazard Mitigation Assistance Grant in the amount of \$1,124,884.50 for the 247th Street Area Water Main Replacement Project. Quarterly report #9 was submitted on October 4, 2023 indicating that design is complete and preparation of the construction bid package is underway. Given the numerous challenges and unforeseen delays with this project, the project will not be completed by the March 18, 2024 grant deadline and a formal time extension request was also submitted on October 4 to CalOES and FEMA.

The city was awarded a Hazard Mitigation Assistance Grant on June 7, 2023 to update the Local Hazard Mitigation Plan (LHMP) in the amount of \$72,680 for the project costs and \$3,622 for grant management costs. The first quarterly report was submitted on October 4, 2023 indicating that the RFP seeking LHMP preparation services was released on September 28 with a due date of October 31.

Staff has tentatively scheduled a blood drive in collaboration with the American Red Cross for February 6, 2024 in the Don Knabe Community Room. The blood drive and smoke detector alarm installation events will be discussed during the next CERT meeting to coordinate their participation.

Lomita Manor

The Lomita Manor property management company, HumanGood, continues providing several activities to residents. These activities include Exercise/Chair class, Coloring class, and Seasonal Holiday activities such as the St Patrick's Celebration, Easter Egg Craft and Fourth of July BBQ. Additional activities that have been added include Bingo, Walking Group, Art Class and Bi-Monthly Celebrations of residents' birthdays with cake. A community potluck took place for residents on September 15th. The property management team will continue to explore other activities for the residents at Lomita Manor. In addition to these activities, Lomita Manor's Recreation room is open to the residents.

Community Development Block Grant Programs

On February 7, 2023, the Community Development Advisory Board (CDAB) approved the CDBG roster (budget) for FY 23-24 in the amount of \$140,077 to fund Residential Rehabilitation, Lifeline and the Job Creation and Business Incentive Loan Programs. Ongoing updates regarding the CDBG programs will be mentioned below.

Residential Rehabilitation: For Fiscal Year 2023-24, a total of two projects are scheduled to be completed. Two applications have been approved and initial inspections will commence in the upcoming weeks.

Lifeline: The Lifeline program provides emergency response service for a total of 19 subscribers currently enrolled. The program is accepting applications from Lomita residents who are at least 55 years old or disabled.

City Clerk's Office

- Continued work on agenda management and meeting video streaming project implementation
- Staff participated in meetings for phone system upgrade

Administrative staff continues to provide customer service and support related to processing water payments, parking tickets, Dial-a-Ride, planning counter appointments and business licenses.

City Clerk activity for the month of September

CITY OF LOMITA CITY COUNCIL REPORT

TO:	City Council	tem No. 7e
FROM:	Ryan Smoot, City Manager	
PREPARED BY:	Brianna Rindge, Community & Economic Developm	ent Director
MEETING DATE:	October 17, 2023	
SUBJECT:	Monthly Report for the Community & Econom Department	ic Development

RECOMMENDATION

Receive and file the Community & Economic Development Department monthly report.

DISCUSSION

- The Planning Commission made the following decisions at the October 9, 2023, meeting. The appeal period for entitlement decisions ends November 20, at which point the approval is deemed final and the applicant may apply for building permits. Zoning text amendments will come before City Council at a subsequent meeting.
 - <u>Peninsula Plaza at 25820 Lucille Avenue approved</u>: amendment to Site Plan Review No. 1049 to amend adopted condition of approval No. 14 of Planning Commission Resolution No. PC 2023-14, "Unit 107 shall open to the second story" within the Commercial Retail (C-R) Zone and finding the action exempt from the California Environmental Quality Act
 - <u>Staff to return with resolution and ordinance amending Planning Commission</u> <u>rules of operation</u>: correct meeting time; permit excusable absences; amend venue for determination of seat vacancy due to absences; remove in-person City Council meeting attendance requirement
 - <u>Future Land Use Designation Alternatives for the General Plan Update</u>: provided input to staff and consultant
 - <u>Zoning text amendment regarding secondary front setbacks for accessory</u> <u>dwelling units</u>: continued until after research and communication with the State Department of Housing and Community Development is complete

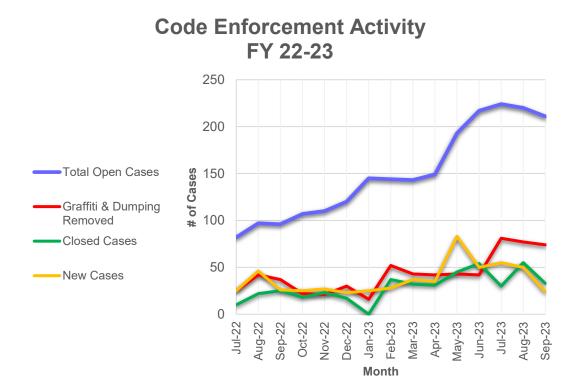

Several ordinance discussions will be on Planning Commission and City Council agendas as triggered by applicant requests, observed trends, post-COVID interest, the certified Housing Element, and other State mandates. The <u>draft</u> 2023 upcoming items schedule is as follows.

Торіс	Council Discussion	Planning Commission Hearing	City Council Hearings
Building Code update	Adopted	l; in effect Jan.	1, 2023
24000 Crenshaw Specific Plan update	Adopted	; in effect Feb. 1	16, 2023
Low-Barrier Navigation Centers	Adopted	; in effect April 2	20, 2023
Supportive Housing update	Adopted	; in effect April 2	20, 2023
Transitional Housing update	Adopted	; in effect April 2	20, 2023
Employee Housing	Adopted	; in effect April 2	20, 2023
Reasonable Accommodation update	Adopted	; in effect April 2	20, 2023
Covered Parking	Adopted; in effect April 20, 2023		20, 2023
Emergency Shelter Parking	Adopted; in effect April 20, 2023		20, 2023
Substandard Living Conditions	Adopted; in effect April 20, 2023		20, 2023
Unused Zoning Districts clean-up	Adopted; in effect April 20, 2023		
Designated Parking, Signage	Adopted; in effect May 18, 2023		8, 2023
Massage clean-up	Adopted; in effect June 1, 2023		1, 2023
Outdoor Dining update	Adopted; in effect June 15, 2023		15, 2023
Lot Design clean-up for consistency with adopted Ord. No. 839	Adopted; in effect June 15, 2023		
Chickens update	Adopted; in effect June 15, 2023		
ADU update	Adopted; in effect July 20, 2023		20, 2023
Murals	Adopted; in effect October 5, 2023		
Affordable Housing Incentives for 4 Residential Units or Less within Downtown-Commercial District within Mixed-Use Overlay District	Adopted; in effect October 19, 2023		
Future Land Use Alternatives	n/a	Oct. 2023	Oct. 2023
Code Enforcement violation appeals	n/a	n/a	Nov. 2023
Planning Commission rules of order	Sep. 2023	Oct. 2023	Dec. 2023
Preferred Future Land Use Plan	Oct. 2023	Dec. 2023	Dec. 2023

Staff met with multiple property owners and developers and completed review of residential and commercial building permits, solar, wireless facilities, business licenses, and Residential Property Reports.

Code Enforcement

The addition of a part-time contract Code Enforcement officer through contract in February to augment the full-time officer's efforts yielded a significant increase in citywide code compliance, including enforcement of illegal dumping and graffiti as shown in the chart.

CITY OF LOMITA CITY COUNCIL REPORT

TO:	City Council	ltem No. 7f
FROM:	Ryan Smoot, City Manager	
PREPARED BY:	Michael M. Sansbury, Recreation & Facilities Manager	
MEETING DATE:	October 17, 2023	
SUBJECT:	Monthly Report for the Recreation and Facilities Div	vision

RECOMMENDATION

Receive and file the monthly report for the Recreation and Facilities Division.

RECREATION SERVICES

- Our two sessions of Fall courses will be starting later this month.
- Family Fun Day put on by the Lomita Railroad Museum was a success with the community. There was great participation from many local vendors and family entertainment.
- The Lomita Railroad Foundation hosted its last Speaker Series of the year on October 6th. The presentation was put on by one of our Railroad Museum leaders.
- Staff is gearing up for the end of the year special events, including Halloween October 28th from 12pm – 3pm at Lomita Park.
- The Lomita Recreation Department is working on recruiting a few more recreation leaders for the coming basketball season.
- Staff is working on completing the Winter 2023-24 newsletter.
- Staff is also working with the 60th anniversary committee, adding more family fun events to the city.

YOUTH SPORTS

- Youth Flag Football and Volleyball started on September 18th.
 - We currently have a total of (119) participants enrolled for Flag Football and (111) for Volleyball.

ADULT SPORTS

- Men's Basketball leagues
 - o Wednesday night league ends on October 4th

- Thursday night league ends on September 28th.
- We had (10) total teams for this past season.

PROGRAM REGISTRATIONS

 Winter registrations for youth and adult sports will start for Lomita residents on December 1st and for non-residents on December 15th.

PROJECTS

• Fall program scheduling, planning, and purchasing of sports supplies for the upcoming Winter Basketball Season. Also, we are trying to advertise our Adult Basketball leagues more to try and increase the number of teams, and the number of nights offered.

MAINTENANCE AND FACILITIES

- Replaced the countertop, sinks and faucets in the women's restroom at City Hall 1st floor.
- Replaced two aluminum flagpole ornaments and one new flagpole truck was replaced on top of the flagpoles at City Hall.
- All new hardware was installed to the two doors leading to the Video/IT room next to the Council Chambers.
- The exterior in ground door closures to the two glass doors to the Historic Room at City Hall were replaced.
- Repaired the City Hall main entrance door hardware card reader stopped working.
- Installed the newest version of Atrium software for door access cards throughout city facilities.
- The elevator was repaired and serviced at City Hall.
- Staff cleaned off the roof of the Stephenson Center at Lomita Park.
- Staff continues to paint all of the exterior bricks at the Stephenson Center at Lomita Park.

CITY OF LOMITA CITY COUNCIL REPORT

TO:	City Council	ltem No. 7g
FROM:	Ryan Smoot, City Manager	
PREPARED BY:	Carla Dillon, P.E., Director of Public Works	
MEETING DATE:	October 17, 2023	
SUBJECT:	Monthly Report for the Public Works Department	

RECOMMENDATION:

Receive and file the monthly report for the Public Works Department.

BACKGROUND:

Water Division Updates

Cypress Water Production Facility (CWPF) and Distribution System Update

Well No. 5 remains offline due to the detection of benzene and the construction project to upgrade the CWPF. The State's Division of Drinking Water (DDW) and the Los Angeles Regional Water Quality Control Board (RWQCB) have been investigating possible sources of benzene, and information is available at <u>https://www.lomitawater.com/news/</u>.

In September 2023, the City pumped 0.0 acre-feet of groundwater from Well No. 5. All drinking water was supplied with imported water from West Basin MWD. In September 2023, the City imported 158.5 acre-feet from West Basin MWD. The monthly water reports can be found at <u>www.lomitawater.com/oversight/water-quality-reports/</u>.

To protect the water system, all backflow devices within the service area are required to be tested once per year. In Lomita's water system there are approximately 160 backflow devices. In August, letters and backflow test forms were sent to the customers requiring the devices be tested and forms submitted by September 18. The City has received 71% of the test results. Second notices will be sent with a late fee applied to the account in October. Following the third notification, water shutoff of those accounts/connections will be necessary to protect the water system.

The City has been offering monthly tours of the Cypress Water Production Facility. One tour was conducted in September and a total of 8 community members toured the facility.

Residents who are interested in touring the facility may sign up for a tour at <u>https://www.lomitawater.com/water-tours/</u>.

Water Division Performance Measures:

Main Breaks/Leak Repairs	1
Service Connection Breaks/Leaks	4
Water Outages	1
Water Service Requests	85
USA Dig-Alert Tickets	80
Dead-end Fire Hydrant Flushing	4
Meter Maintenance	35
Inspection of Water Facilities	Daily
Water Quality Complaints	0

Engineering/PW Administration Division Updates

CIP Update – Construction Phase

Cypress Water Production Facility (CWPF) Upgrade Project

The City's contractor RC Foster, with the oversight of the contract manager, AKM Consulting Engineers, is progressing on construction. Hazen and Sawyer continue to provide support for the permitting with the Division of Drinking Water (DDW). During this period, RC Foster worked on pipe labelling, security camera system, and the data control system (SCADA).

Progress	As of September 30, 2023
Percent Project completion	99%
Overall Project, invoiced/approved	\$4,359,494
Overall Project budget (approved contracts)	\$4,835,131

The City shares project updates on <u>https://www.lomitawater.com/</u> as new information is available. In addition, a short video describing the GAC project and treatment process is available here: <u>https://www.lomitawater.com/infrastructure/granular-activated-carbon/</u>.

247th Street Area Watermain Project

This project consists of abandoning a watermain that runs north and south within private properties crossing 246th Street, 247th Street, 247th Place, and 248th Street. The proposed new water main will extend from 246th Street beyond the City boundaries, looping within the City of Los Angeles right of way and along Western Avenue (which is Caltrans' right of way), and connecting back to the City of Lomita along 247th Street, 247th Place, 248th Street and Lomita Blvd. This project consists of constructing approximately 3,300 linear

feet of PVC water pipeline and appurtenances (fire hydrants, valves, services, and fittings). The existing pipeline located in private property will be abandoned.

Design of the project was awarded to Onward Engineering in November 2021, and design is complete. City Council approved the project and authorized release for bidding, which will take place later this calendar year.

Progress	As of September 30, 2023		
Percent Project completion	100% (of design)		
Overall Project, invoiced/approved			
Overall Project budget			

Emergency Generator

This project consists of installation of an emergency generator that will be capable of servicing the Appian Way Pump Station as needed. The design of this project was completed by AEPC Group in June 2023, and the City Council approved the design and authorized release for bidding.

This project consists of 1) The City directly procuring the permanent generator and load bank from Gen-Tech, 2) The City directly renting a temporary generator from United Rental and 3) A construction contract with Blue Ridge Mechanical Corporation for installation and testing. The short-term rental generator from United Rental is on-site and the air permit (through SCAQMD) accompanies the rental unit. Gen-Tech plans to deliver the permanent generator in October 2023; however, the load bank has a longer lead time and is not scheduled to be delivered until February 2024.

Blue Ridge Mechanical Corporation will conduct testing of the temporary generator in October, and the application for the air permit (through SCAQMD) for the permanent generator has been submitted. The permit is required prior to connecting and testing the permanent generator.

Progress	As of September 30, 2023			
Percent Project completion	10%			
Paid till through Sept 30	\$19,593.69			
Overall Project, approved	\$325,351.19			

CIP Update - Design Phase

Narbonne Avenue Water Replacement and Street Rehabilitation Project

This project consists of constructing approximately 1,600 linear feet of PVC water pipeline on Narbonne Avenue from PCH to the southern end of the City of Lomita. The proposed watermain will be a new 8-inch PVC water main to provide improved flow, pressure, and fire protection. This new water main will replace the existing 1928 6-inch and 8-inch water main. The design of the project was awarded to David Evans and Associates (DEA) in December 2022. DEA has performed a pavement analysis of the current conditions, and the 60% preliminary design package is expected in October 2023.

Progress	As of September 30, 2023			
Percent Project completion	50% (of design)			
Overall Project, invoiced/approved	\$64,651.70			
Overall Project Design Budget	\$199,940.00			

Street Reconstruction – Zone G

This project consists of overlaying and reconstructing certain streets in Zones G (just north and south of Lomita Boulevard and east of Eshelman Avenue), as detailed in the Pavement Management Program (PMP). This project includes significant repairs and resurfacing of streets where slurry seal would not be sufficient to extend the life of the street.

The design of the project was awarded to David Evans and Associates (DEA) in July 2022, and the design is scheduled to be completed in 2023. Construction is programmed for Spring-Summer 2024. Extensive field investigation and sampling have taken place to evaluate the road condition on the 17 streets included in this project, and the City has received the related technical reports. In addition, DEA has identified and provided preliminary cost estimates for curb ramps that require upgrades in the project zone. DEA has completed 60% of detailed design drawings, and engineering staff has reviewed and approved. DEA is preparing the 90% drawings and anticipates delivery in October 2023.

Progress	As of September 30, 2023			
Percent Design Project completion	60% (of design)			
Overall Project, invoiced/approved	\$123,410.26			
Overall Project Design Budget	\$221,835.00			

Water Main Replacements in Zone G

This project consists of replacing three water mains in Zones G. The contract for engineering design was awarded to Onward Engineering who has begun the underground utility request process from various utility companies. Following their response Onwards will start working on the design drawings.

Progress	As of September 30, 2023		
Percent Design Project completion	0% (of design)		
Overall Project, invoiced (Onward Eng.)	\$0.00		
Overall Project Design Budget.	\$202,118.00		

Appian Way Pump Station Roof Project

This project consists of designing and constructing a new roof for the Appian Way Pump Station. The design contract has been awarded to Tetra Tech, Inc., and 100% of the design drawings have been submitted. Lomita engineering staff is reviewing the drawings.

Progress	As of September 30, 2023		
Percent Design Project completion	90% (of design)		
Overall Project, invoiced/approved	\$37,702.98		
Overall Project Design Budget.	\$86,395.00		

Stephenson Center Maintenance Project

This project consists of design and construction for upgrades to the restroom facilities as well as restoration/replacement of the three-level roof at the Stephenson Center in Lomita Park. The project design has been awarded to BOA Inc.; they have visited the site and provided preliminary drawings for the restroom layout to meet accessibility design requirements. BOA's subcontractor visited the site and collected samples to check for any asbestos and lead Paint. The lab samples results will be available in October, and based on the results BOA will complete the design.

Progress	As of September 30, 2023			
Percent Design Project completion	0% (of design)			
Overall Project, invoiced/approved	\$0.00			
Overall Project Design Budget.	\$58,200.00			

CIP Update - Studies and Pre-Design Phase

New Groundwater Well Feasibility Study

The purpose of this study is to identify preliminary locations where construction of a new groundwater well is feasible. The installation of a new well would minimize the City's long-term reliance on imported water and provide a contingency well in case of future adverse impacts to Lomita Well No. 5. The City currently has groundwater rights of 1,352-acre feet (ac-ft) in the West Coast Basin, and in its last year of normal operations, CY 2018, Well No. 5 only pumped 561 ac-ft of groundwater.

In February 2023, this study was awarded to Stetson Engineering, Inc. In June, the preliminary report was received, and staff have reviewed and provided feedback. The study and final report are expected in October 2023.

Progress	As of September 30, 2023			
Percent Project completion	95%			
Overall Project, invoiced/approved	\$44,146.75			
Overall Project budget	\$63,135.00			

Tom Rico Center Gymnasium & Railroad Museum Building Roof Replacement Project This project consists of design and installation of new roof skin for the two buildings, upgrade of signs at the Railroad Museum, inspection, and test/treat the roof and the buildings for the termite infestation. Proposals have been received and the city staff are evaluating for final selection of the design contract. One contractor is selected, and the staff is negotiating with the contractor to reduce the price.

Sewer Master Plan

The Sewer Master Plan will identify any sewers that are undersized or need replacement. The contract to prepare a sewer master plan was awarded to Psomas In July 2023. The team is establishing a sewer model based upon land/parcel usage, acquiring data from Los Angeles County Department of Public Works on sewer maintenance, and preparing to have flow monitoring conducted in the sewer to validate the model.

Engineering/Regulatory Updates

Encroachment Permit Review/Approval

For the month of September 2023, staff received and reviewed six encroachment permit applications from various utility companies, contractors, and residents. Permits were issued to five applicants. Public Works now has an on-line portal for encroachment permitting, available at https://lomitaca.viewpointcloud.com/categories/1081.

Public Works Field Operations Division (Parks/Street/Trees) Updates

Park staff crews repaired the irrigation mainline in Hathaway Park. Street staff crews assisted in five banner replacements, at the request of the Recreation Department. Additionally, the street crew also completed the concrete sidewalk repairs at the western end of 254th St following a water main repair.

Parks Division:

Mowed Park Grounds, number of times	37
Playground Safety Inspections	12
Raised Median/Planter Weeding	34
Park Grounds Fertilize	6
Museum/City Hall Grounds Maintenance	8
Sprinkler Repair/Replacement	25
Trimmed Hedges/Trees (City grounds)	49

Streets and Trees Division:

Trees Trimmed (by Crew)	57
Trees Trimmed (by Contractor)	0
Trees/Stumps Removed	2
Graffiti Locations Cleaned	99
Sidewalk Maintenance	257
Curb/Gutter Maintenance	8
City Drains Cleaned	63

TO:	City Council	ltem No. 7h
FROM:	Ryan Smoot, City Manager	
PREPARED BY:	Susan Kamada, Administrative Services Director	
MEETING DATE:	October 17, 2023	
SUBJECT:	September 2023 Treasury and Investment Report	

RECOMMENDATION

Receive and file the Treasury and Investment Report.

BACKGROUND

Pursuant to Section 41004 of the Government Code of the State of California, the City Treasurer is required to submit a monthly report of all receipts, disbursements and fund balances. The first page of the report summarizes the investment activity for the month and distribution by type of investment, held by the City. The second and third page lists all investments with original maturities exceeding one year as of the month ended September 30, 2023. The fourth page of the report provides a summary of the beginning balance, total receipts, total disbursements, ending balance for all funds, and a listing, by fund, of all month end fund balances.

In summary, all investments of the City of Lomita are in compliance with both the Government Code and our Investment Policy. In addition, the City has sufficient liquidity to meet its expenditure requirements for the ensuing six months.

21.01% of the City's funds are with the State of California Local Agency Investment Fund (LAIF). The remaining funds of the City of Lomita are in active checking accounts, money market funds, U.S. Treasuries, Federal Agency Securities, Corporate Bonds, and FDIC-insured Negotiable Certificates of Deposit that are in compliance with the California Government Code and the City's Investment Policy. The current value of each account is obtained from actual monthly statements for the period ending September 30, 2023.

OPTIONS:

None, information only.

FISCAL IMPACT

None.

*The Governmental Accounting Standards Board (GASB) has established Statement No. 31 for setting investment valuation standards. We report the unrealized gain/(loss) monthly and book realized gain/(loss) at year end as a GASB 31 requirement.

GASB 31 is a reporting requirement that reports the "Fair Value" of investments held in our portfolio. Fair value is the amount at which a financial instrument (investment) could be exchanged in a current transaction between willing parties at current market prices. It is important to understand the relationship between prevailing interest rates and fixed coupon investments. As market interest rates fall, the "Fair Value" of held securities will rise (unrealized Gains). The opposite occurs as market interest rates rise (market prices of held investments will fall). It should be noted that investments held in the city pool are to be held until maturity so both gains and losses (unrealized) will not be taken.

CITY OF LOMITA CITY COUNCIL REPORT

то:	City Council	ltem No. 7i
FROM:	Ryan Smoot, City Manager	
PREPARED BY:	Susan Kamada, Administrative Services Director	
MEETING DATE:	October 17, 2023	
SUBJECT:	Fiscal Year (FY) 2023/24 Quarterly Financial Repor	t

RECOMMENDATION

Receive and file the Fiscal Year (FY) 2023/24 Quarterly Financial Report First Quarter Ending September 30, 2023.

BACKGROUND

This financial report summarizes the City's financial position for the quarter ending September 30, 2023 for the General Fund, Water Funds, and Special Revenue Funds. The purpose of this report is to provide the City Council, City management, and the Lomita community an update on the city's fiscal status based on the most recent financial information available.

The City operates on a biennial budget cycle. Through the budget, the City Council approves revenue estimates and authorizes city staff to expend the city's limited financial resources. As one of the many activities that the city undertakes to help ensure its financial soundness, staff provides quarterly financial reports on the city's budget condition.

The First Quarter Financial Report covers financial activity through the first quarter of FY 2023/24, ending September 30, 2023.

Fiscal Year 2023-2024 Quarterly Financial Report 1st Quarter Ending September 30, 2023

OVERVIEW

This financial report summarized the city's financial position for the quarter ending September 30, 2023, for the General Fund, Water Funds, and Special Revenue Funds. The purpose of this report is to provide City Council, City management, and the Lomita community an update on the city's fiscal status based on the most recent financial information available.

General Fund Summary

Through the first quarter, the General Fund is tracking as expected. The table presented in this report include budget-toactual comparisons between the current fiscal year and the previous fiscal year to show results of the first quarter of each year compared to the adjusted budget as it stood on September 30th of each year. A year-over-year comparison is also presented to show results of the three months of the current fiscal year as compared to the previous year. Major difference in budget-to-actual and year-over-year comparisons are explained in this report.

The City's General Fund for the first quarter of Fiscal Year 2023-2024, which ended September 30, 2023, are tracking as expected. General Fund revenues are up \$164,382 compared to the same period last year; this increase is due mainly to business license and development taxes. Usually most of the revenues are expected to come in in the second half of the fiscal year, which is typical for the city. Fiscal year to date expenditures, excluding transfers to other funds, are at \$2.5 million, compared to \$2.3 million last year. Details of revenue and expenditure changes from the prior year are explained later in this report.

Budgeted Fund Balance Summary

The General Fund preliminary fund balance as of July 1, 2023, was higher than the projected beginning balance in the Fiscal Year 2022-2023 Adopted Annual Operating & Capital Improvements Budget. The following table details the General Fund's budgeted Fiscal Year 2023-2024 Fund Balance computation:

General Fund Budgeted Fund Balance	Amended Budget	Actuals as of 09/30/23
Fund Balance, 07/1/2023 (preliminary)	\$ 8,054,390	\$ 8,054,390
Budgeted Revenues	14,215,230	 1,198,066
Budgeted Expenditures	(13,096,240)	(2,515,414)
Budgeted Operating, Transfers In	788,476	-
Budgeted Operating, Transfers Out	(1,957,466)	 -
Budgeted Fund Balance, 06/30/2024	\$ 8,004,390	\$ 6,737,042

Revenues

Property Tax, Sales Tax, Vehicle License Fees, Franchise Tax, and Building and Safety Fees are the city's major tax revenues, and account for nearly 68% of total General Fund Revenues. The table below shows first quarter budget-to-actual revenues for Fiscal Years 2022-2023 and 2023-2024. The Fiscal Year 2023-2024 General Fund revenue amended budget is

\$15,003,706. Through the end of the first quarter (Q1) of Fiscal Year 2023-2024, total General Fund Revenues were \$1.2 million which is approximately \$164,382, or 15% more than the same period last fiscal year. Overall, total revenues are at 8% of budget through the first quarter of the current fiscal year, which is slightly higher than the same period last fiscal year, 6.8% of budget.

	2022-2023 Budget	09/30/2022 Actuals	% of Budget Received	2023-2024 Amended Budget	09/30/2023 Actuals	% of Budget Received

Proprietary Funds – Water Operations and Water Capital

The Water Funds for the first quarter of Fiscal Year 2023-2024, which ended September 30, 2023, are tracking as expected. The revenues of the Water Funds are slightly higher compared to the same period last year. Fiscal year to date expenditures, excluding transfers to other funds, are at \$1.2 million, which is the same as compared to the same period last year. Details of revenue and expenditure changes from the prior year are explained later in this report.

Revenues

The Fiscal Year 2023-2024 revenue budget for the Water Funds is \$9,776,080. Through the end of the first quarter (Q1) of Fiscal Year 2023-2024, total revenues for the Water Funds were \$739,756 which is slightly higher compared to the same period last fiscal year. Overall, total revenues are at 7.6% of budget through the first quarter of the current fiscal year, which is slightly higher compared to the same period last fiscal year. 5.8% of budget.

Water Funds revenues appear to be tracking lower than expectations at 7.6% of the budget through the end of the first quarter of the current fiscal year (33%). Usually most of the revenues are expected to come in in the second half of the fiscal year, which is typical for the city.

	2022-2023 Budget	09/30/2022 Actuals	% of Budget Received	2023-2024 Amended Budget	09/30/2023 Actuals	% of Budget Received

Special Revenue Funds

The Special Revenue Funds for the first quarter of Fiscal Year 2023-2024, which ended September 30, 2023, are tracking as expected. The revenues are down \$2.4 million, compared to the same period last year; this decrease is due mainly to ARPA Funds that were received last fiscal year. Fiscal year to date expenditures, excluding transfers to other funds, are at \$251,231, compared to \$554,773 last year.

Revenues

The Fiscal Year 2023-2024 revenue budgets for the Special Revenue Funds are \$7,272,441. Through the end of the first quarter (Q1) of Fiscal Year 2023-2024, total revenues were \$586,592 which is lower than last fiscal year for the same period. Overall, total revenues are at 8.1% of budget through the first quarter of the current fiscal year, which is less than the same period last fiscal year, 34.4% of budget. The Special Revenue Funds revenues appear to be tracking as expected at 8.1% of the budget through the end of the first quarter of the current fiscal year (33%). Usually most of the revenues are expected to come in in the second half of the fiscal year, which is typical for the city.

CITY OF LOMITA CITY COUNCIL REPORT

то:	City Council	ltem No. 7j
FROM:	Ryan Smoot, City Manager	
PREPARED BY:	Brianna Rindge, Community & Economic De	velopment Director
MEETING DATE:	October 17, 2023	
SUBJECT:	Second Reading and Adoption of an Ordinar (Administrative Citations and Penalties) of Municipal Code to Align the Administrative with the Parking Citation Appeal Method	f Title I of the Lomita

RECOMMENDATION

Adopt the ordinance and find the project categorically exempt from the California Environmental Quality Act (CEQA).

BACKGROUND

On October 3, 2023, the City Council introduced on first reading an ordinance amending Chapter 5 (Administrative Citations and Penalties) of Title I of the Lomita Municipal Code to align the administrative citation appeal method with the parking citation appeal method. This agenda item is to approve the second reading and adoption of the ordinance.

OPTIONS

- 1. Approve the attached ordinance.
- 2. Do not approve the ordinance.
- 3. Provide staff with further direction.

ORDINANCE NO. 858

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF LOMITA, CALIFORNIA, AMENDING CHAPTER 5 OF TITLE I OF THE LOMITA MUNICIPAL CODE TO ALIGN THE ADMINISTRATIVE CITATION APPEAL METHOD WITH THE PARKING CITATION APPEAL METHOD AND FINDING THE SAME EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT

Section 1. Recitals

WHEREAS, in November of 2022, the City Council authorized Data Ticket to provide code enforcement collection services alongside parking enforcement;

WHEREAS, throughout the implementation process, staff has updated procedures and policies to align with those recommended by Data Ticket to improve collection and compliance;

WHEREAS, the proposed ordinance is intended to streamline and improve the administrative citation appeals process and procedures;

WHEREAS, the City Council desires to amend the Lomita Municipal Code as described below.

Section 2. Findings

The City Council finds that adoption and implementation of this ordinance is not a "project" for purposes of the California Environmental Quality Act (CEQA), as that term is defined by CEQA guidelines (Guidelines) sections 15061(b)(3) and 15378(b)(5). The City Council also alternatively finds that the adoption and implementation of this ordinance is exempt from the provisions of CEQA as an administrative activity that will not result in any direct or indirect physical change in the environment, per sections 15061(b)(3) and 15378(b)(5) of the CEQA Guidelines. The ordinance updates the City's ability to enforce code violations within the administrative citation procedure to align with new code enforcement procedures.

THE CITY COUNCIL OF THE CITY OF LOMITA HEREBY ORDAINS AS FOLLOWS:

Section 3. Code Amendment

Based on the foregoing, the City Council hereby approves of the following amendments to the Lomita Municipal Code:

A. Section 1-5.07 ("Administrative review and hearing") of Chapter 5 ("Administrative Citations and Penalties") of Title I of the Lomita Municipal Code is hereby amended in its entirety as follows:

"Sec. 1-5.07. Administrative review and hearing.

- (a) Initial administrative review—Request. The responsible person may request an initial administrative review of the citation within fifteen (15) days of its issuance by submitting an online request as directed on the issued citation. This request must be made in writing and set forth with particularity the reasons the responsible person believes a violation did not occur or that the responsible person was not responsible for the violation(s); must include a copy of the citation; and contain the address to which the conclusions of the city's review should be mailed. A request for an initial administrative review is a mandatory prerequisite to a request for an administrative hearing.
- (b) *Initial administrative review—Procedure.* The initial administrative review request shall be forwarded to the department director supervising the enforcement officer who issued the administrative citation for review.
- (c) Initial administrative review—Decision.
 - (1) Within fifteen (15) days upon receiving the request, the department director shall review the request and provide the city clerk, or his or her designee, with written notification that:
 - a. The citation should be vacated because there was no violation, or the responsible person was not responsible for the violation, and setting forth the basis for that conclusion; or
 - b. There is no justification found for vacating the citation; or
 - c. a reduction in fine amount for a violation justified by meaningful progress per department director supervising the enforcement officer who issued the administrative citation for review.
 - (2) A copy of the decision shall be mailed to the responsible person at the address on the request for initial administrative review along with a notice establishing the fine due date and the procedure for requesting an administrative hearing.
- (d) *Request for hearing.* If the responsible person wishes to contest the conclusion of the initial administrative review, the responsible person shall request an administrative hearing within fifteen (15) days after the date the city served the responsible person with notice of the initial administrative review decision. Requests must be submitted online as directed by the issued citation and be accompanied by an advance deposit of the fine.
 - (1) Hardship waiver. Any responsible person who requests a hearing to contest an administrative citation and who is financially unable to deposit the fine amount may file a request for an advance deposit hardship waiver. The request shall be filed with [the] city clerk on an advance deposit hardship waiver application form, available from the city, no later than ten (10) days after service of the administrative citation. The city manager or his or her designee may issue an advance deposit hardship waiver only if the person requesting the waiver submits to the city manager or his or her designee a sworn affidavit, together

with any supporting documents, demonstrating to the satisfaction of the city manager or his or her designee the person's financial inability to deposit with the city the full amount of the fine in advance of the hearing. Written proof of financial hardship, at a minimum, must include tax returns, financial statements, bank account records, salary records or similar documentation demonstrating that the responsible person is unable to deposit the fine. The city manager or his or her designee shall issue a written decision specifying the reasons for issuing or not issuing the waiver. The decision shall be final and shall be served upon the person requesting the waiver in person, by first class mail, or similar method of delivery. If the city manager or his or her designee determines that the waiver is not warranted, the person shall remit the full amount of the fine as a deposit within ten (10) days of mailing/sending of the decision. If the full amount of the fine is not deposited within the ten (10) day period, the request for hearing shall be deemed incomplete and waived, and the citation shall be deemed final. The fine shall be immediately due and owing to the city and may be collected in any manner allowed by law for collection of a debt.

- (e) Notification of hearing. Upon receipt of the payment of the administrative fine and request for a hearing, the city shall give notice to the responsible person of the time, date, and location of the hearing. The hearing shall be held not less than fifteen (15) days nor more than sixty (60) days after the receipt of the request. Any documentation, other than the administrative citation, that the enforcement official has submitted or will submit to the hearing officer shall be sent to the responsible person by regular first class mail at least five (5) days before the date on which the hearing is scheduled. The documentation shall be made available upon request at the time of the hearing.
- (f) Selection of hearing officer. The city manager may designate the hearing officer for the administrative citation hearing by appointment, contract, or through an administrative citation processing service. The hearing officer must be selected in a manner that avoids the potential for pecuniary or other bias.
- (g) *Evidentiary rules.* The city bears the burden of proving a violation of the Code by a preponderance of the evidence. The administrative citation and any additional reports submitted by the enforcement official constitutes prima facie evidence of the respective facts contained in those documents. Both the responsible person and the enforcement officer have the opportunity to testify, cross-examine witnesses and present additional evidence concerning the administrative citation. Evidence may include, without limitation, witness testimony, documents, or other similar evidence. Formal rules of evidence do not apply, but all evidence presented must be relevant and material to the issues of whether the violation alleged in the citation occurred or whether the responsible person was responsible for the violation.
- (h) Waiver of personal appearance at hearing. In lieu of personally appearing at an administrative hearing, the responsible person may request that the hearing officer decide the matter based upon the citation itself and written argument and any documentary evidence signed under penalty of perjury submitted prior to the time of the scheduled hearing by the responsible person.

- (i) Failure to appear at hearing. Failure of a responsible person to appear at the hearing is deemed a waiver of the right to be personally present at the hearing. The hearing officer may then decide the matter based upon the citation itself, any documentary evidence previously submitted, and any additional evidence that may be presented at the hearing by the enforcement officer.
- (j) Attendance of enforcement officer. The enforcement officer who issued the administrative citation may, but is not required to, attend the administrative hearing. If the enforcement officer does not attend, the enforcement officer may before the hearing date submit reports, photos, or other documentation regarding the violation to the hearing officer for consideration at the hearing.
- (k) *Continuation of hearings.* The hearing officer may continue any hearing and request additional information from the enforcement officer or responsible person before issuing a written decision.
- (I) *Decision of hearing officer.* Based upon the evidence presented, the hearing officer shall provide a written decision to the parties within fifteen (15) days of the hearing with one of the following determinations:
 - (1) Determine that the violation for which the citation was issued occurred, and impose a fine in the amount set forth in the fine and penalty schedule, and if the violation has not been corrected as of the date of the hearing, order correction or abatement of the violation. In this event, the city can retain the fine deposited by the responsible person.
 - (2) Determine that the violation for which the citation was issued occurred, but that the responsible person has introduced credible evidence of mitigating circumstances warranting imposition of a lesser fine than that prescribed in the fine and penalty schedule, or no fine at all, and impose such lesser fine, if any; and if the violation has not been corrected as of the date of the hearing, order correction or abatement of the violation. In this event, the city can retain all or a portion of the fine deposited by the responsible person as applicable.
 - (3) Determine that the violation for which the citation was issued did not occur or that the condition did not constitute a violation of this Code, or that the person cited was not the responsible person. In this event, the city shall refund the deposit, if any, within fifteen (15) days of the decision. A finding by the hearing officer that no violation occurred constitutes a dismissal of the administrative citation at issue, but does not have any effect on any other administrative citations issued or any other action taken by the city.
- (m) The administrative hearing officer's decision must explain the basis for the decision and be served upon the responsible person by first class mail to the address stated on the request for hearing form. If applicable, the order must set forth the date by which compliance must be achieved and the imposed fine paid to the city. The order is final on the date of mailing, which is deemed the "date of service," and must notify the responsible person of the right to appeal to the Superior Court, as further described in section 1-5.08. There is no right to an appeal other than as provided in

section 1-5.08. The administrative hearing officer's decision shall be the final administrative order and decision pursuant to Government Code § 53069.4(b)."

Section 4. Effective Date.

This ordinance shall take effect thirty (30) days after the date of its passage and adoption; and within fifteen (15) days after its passage and adoption, the City Clerk shall cause a copy of this ordinance to be published in accordance with the provisions of the law. The City Clerk shall certify the adoption of this ordinance.

CITY OF LOMITA CITY COUNCIL REPORT

TO:	City Council	ltem No. 7k
FROM:	Ryan Smoot, City Manager	
PREPARED BY:	Carla Dillon, P.E., Public Works Director	
MEETING DATE:	October 17, 2023	
SUBJECT:	Resolution Approving and Authorizing the City File for Financial Assistance with the State Wat Board for Water Infrastructure Improvements	U

RECOMMENDATION

Adopt Resolution No. 2023-21, approving and authorizing the City Manager or Designee to Sign and File for Financial Assistance with the State Water Resources Control Board for Water Infrastructure Improvements.

BACKGROUND

The City was informed that \$300,000 of financial assistance is preliminarily made available through the State Water Resources Control Board for the City's water infrastructure improvements. The City intends to apply it toward improvements on the water main replacement on Narbonne Avenue south of Pacific Coast Highway.

The Resolution is required for the financial assistance and authorizes the City Manager or designee, to sign and file for the financial assistance.

OPTIONS:

- 1. Approve staff's recommendation.
- 2. Take no action. The City will be ineligible to receive funding.

FISCAL IMPACT

Financial assistance from the State will provide for approximately 13% of the construction expenses. The City and other funding will be used for the remainder of project expenses.

RESOLUTION NO. 2023-21

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOMITA, CALIFORNIA, AUTHORIZING THE CITY MANAGER OR DESIGNEE TO SIGN AND FILE FOR FINANCIAL ASSISTANCE WITH THE STATE WATER RESOURCES CONTROL BOARD FOR WATER INFRASTRUCTURE IMPROVEMENTS AND FINDING SUCH ACTION EXEMPT FROM CEQA

WHEREAS, the City of Lomita intends to construct water system infrastructure improvements on Lomita Boulevard south of Pacific Coast Highway, and.

WHEREAS, the State of California through the State Water Resources Control Board is planning to provide financial assistance of \$300,000; and

WHEREAS, agreements and disbursement requests will be necessary to claim the financial assistance.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LOMITA (the "Entity") AS FOLLOWS:

SECTION 1. The City Manager or his designee (the "Authorized Representative") is hereby authorized and directed to sign and file, for and on behalf of the City, a Financial Assistance Application for a financing agreement with the State Water Resources Control Board for the planning, design, and construction of the Narbonne Avenue Water Main Replacement & Street Rehabilitation project (the "Project").

SECTION 2. The Authorized Representative is authorized to provide the assurances, certifications, and commitments required by the financial assistance application, including executing a financial assistance agreement with the State Water Resources Control Board and any amendments or changes thereto.

SECTION 3. The Authorized Representative is authorized to represent the City in carrying out the City's responsibilities under the financing agreement, including certifying disbursement requests on behalf of the City as well as compliance with applicable state and federal laws.

SECTION 4. The City hereby finds that in accordance with the California Environmental Quality Act ("CEQA") and the CEQA Guidelines the adoption of this Resolution is exempt from CEQA pursuant to CEQA Guidelines section 15061(b)(3).

<u>SECTION 5.</u> The City Clerk shall certify to the adoption of this Resolution and shall cause the same to be processed in the manner required by law, and this Resolution shall take effect and be in force on the date of its adoption.

OF LOUR	CITY OF LOMITA CITY COUNCIL REPORT	
TO:	City Council	Item No. SCH 8a
FROM:	Ryan Smoot, City Manager	
PREPARED BY:	Brianna Rindge, Community & Economic Develop	ment Director
MEETING DATE:	October 17, 2023	
SUBJECT:	Discussion and Consideration of Authorization for Site Clean-up of Declared Nuisance Property 2 Coast Highway (APN 7373-008-006)	

RECOMMENDATION

Authorize the City Manager to authorize the work as described herein for \$32,400.00, with 10% contingency, and return to City Council with a report to recover full abatement costs.

BACKGROUND

Current property owner Ronald Arbolida purchased the property located at 2253-2257 Pacific Coast Highway on 9/27/2005. The lot's area is 16,870 ft² with a single 2,394 ft² building and a 625 ft² carport. Per the City's records, the building has been vacant and unmaintained since at least 2011. On 10/14/2021 the property caught fire due to unspecified reasons and the building was red-tagged (legally unoccupiable) by Los Angeles County Building and Safety on 10/21/2021. The City opened a code enforcement case regarding various property maintenance violations of Lomita Municipal Code (LMC):

- Property utilized as habitable dwelling by transients;
- Severe dilapidation of building
- Trash & debris dumped on property;
- Unsecured property;
- Abandoned property causing blight;
- Harboring of graffiti; and
- Overgrown vegetation.

To date, despite repeated efforts over multiple years to obtain compliance, Code Enforcement has observed no voluntary compliance. Initial efforts to obtain compliance to-date include:

- 3 Notices of Violation issued;
- 4 Citations issued totaling \$6,500;
- 2 Notices of Abatement;
- 13 Graffiti Removal Requests totaling \$1,950;
- 1 Compliance Demand Letter;
- Two visits to the property owner's other properties in Torrance in attempt to make contact; all of which displayed elements of dilapidation; and
- Two visits to the property owner's home in Torrance, one of which resulted in contact with an individual who stated that Mr. Arbolida was out of town and provided a cell phone number that matches the number staff has been using to pursue contact.

Declaration of nuisance.

With the exhaustion of the above, pursuant to the City's municipal code, the Director deemed the site a public nuisance and requested a public hearing to ascertain whether the same does in fact constitute such public nuisance, the abatement of which is appropriate under the police power of the city, under LMC 3-16.05(A).

Form and notice of hearing.

Notice of the time and place of hearing before the City Manager's designee was provided in the form specified by LMC 3-16.05(B), which included the time, date, and location of the hearing, specification of the public nuisance, available abatement methods, and notice that the hearing officer's finding that a public nuisance exists, and if the owner does not abate the nuisance, the City may direct the abatement and rehabilitation of the nuisance and costs will constitute a lien upon the land until paid.

Posting and serving notice of hearing.

The notice was posted on the property and timely served to the property owner by both regular and certified mail pursuant to LMC 3-16.05(C). Subsection (3) of this section specifically states that "[t]he failure of any person to receive the notice shall not affect the validity of any proceedings under this chapter."

Hearing conduct.

Per LMC 3-16.05(D), the City Manager designated the Administrative Services Director as the hearing officer. On 5/4/2023, a duly noticed Nuisance Abatement Hearing was convened at City Hall where the officer considered all relevant evidence, including but not limited to, applicable staff reports and provided any interested person a reasonable opportunity to be heard in conjunction therewith. The property owner was not present for the hearing, and the City received no prior correspondence regarding the absence or requesting postponement. This absence was noted during the proceedings and no other public comment was received. On 5/9/2023, staff received a voice message from the property owner, explaining that he had been out of town during the scheduled hearing. He asserted that he had not received any prior notices at his residence, only recently becoming aware of the hearing through a letter that had reached him belatedly. According to LMC 3-16.05(G), the property owner shall request a time extension and provide evidence of extenuating circumstances for time extension approved.

Order of abatement.

On 5/17/2023, the appointed Hearing Officer met the 10 working days deadline and officially designated the property in question as a public nuisance, which is final and conclusive per LMC 3-16.05(E), citing the following violations (see attached):

- 1. LMC 3-16-03(C): Any building or structure which is partially destroyed, damaged, abandoned, dilapidated, or permitted to remain in a state of partial construction.
- 2. LMC 3-16.03(0): The failure to secure and maintain against public access all doorways, windows, and other openings into vacant or abandoned buildings or structures.
- 3. LMC 3-16.03(H-2): Any overgrown, dead, decayed, diseased or hazardous tree, weeds, vegetation, or debris which is maintained so as to cause an obstruction to the vision of motorists or a hazardous condition to pedestrians or vehicle traffic.
- 4. LMC 3-16.03(H-4): Any overgrown, dead, decayed, diseased or hazardous tree, weeds, vegetation, or debris which detrimentally affects neighboring properties or property values.
- 5. LMC 3-16.03(1): Building exteriors, roofs, landscaping, grounds, walls, retaining and crib walls, fences, driveways, parking lots, planters, sidewalks, or walkways which are maintained in such condition so as to become defective, unsightly, cracked or no longer viable or in need of insect extermination.
- 6. LMC 3-16.03(J): The accumulation of dirt, litter, trash, junk, feces, or debris in doorways, adjoining sidewalks, walkways, courtyards, patios, parking lots, planters, landscaped or other areas.

The decision includes an order of abatement directed to the owner of the property, including the nature of the nuisance, its location, and the time and manner for its abatement per LMC 3-16.05(E). The order was delivered to the property owner by both regular and certified mail. The officer included details regarding the recommended method of abatement and its approximate cost, along with a recommendation that the City provide one more opportunity for the property owner to comply as described in LMC 3-16.05(F).

Additional opportunities provided.

City staff communicated with the property owner at City Hall, at the subject site, via phone call, via text messaging, and via email at least twelve times between 5/9/2023 and 9/21/23. This included a collaborative meeting on 5/24/2023, attended by City staff, the City's attorney, and the property owner. The primary objective of this meeting was to chart a course toward ensuring compliance with the City's requirements. The participants unanimously resolved that the property owner and the City would create and sign a comprehensive Compliance Agreement (attached). This document was tailored to include specific deadlines by which the identified violations must be rectified to bring the property into alignment with the stipulated standards. In addition, on several occasions, City staff walked the property owner through options on what he could do with his property from a planning and zoning standpoint.

The City issued the final draft of the Compliance Agreement to the property owner on 6/5/2023, providing a deadline of 6/12/2023 for the property owner to respond. He signed the agreement on 6/9/2023, followed by signatures from the City Manager and City Attorney, thereby enacting the agreement. Staff ensured this signed, enacted agreement was shared with the property owner. The agreement underscores the commitment of all involved parties to address and rectify the noted infractions in a timely and responsible manner, providing a 7/20/2023 final deadline to remedy all violations and providing the property owner opportunity to request a time extension. The Agreement required remediation of all violations such as necessary permits, inspections, and Air Quality Management District requirements.

- 1. Abate or rehabilitate all substandard, hazardous, and unlawful conditions on the Property, regardless of whether said conditions are specified herein or in the hearing officer's determination.
- 2. Remove and lawfully dispose of all accumulations of junk, trash, and debris from interior and exterior portions of the property.
- 3. Trim, remove, and lawfully dispose of all overgrown vegetation.
- 4. Submit all requisite applications, plans, supporting documents, and fees to the City's Community Development Department and Los Angeles County Building and Safety to demolish the building and carport. Such applications were due within ten days of the executed agreement date.
- 5. Obtain the City-issued permits and complete all corrective actions pursuant to the City-approved plans and City-issued permits to correct the unlawful condition by the compliance deadline.
- 6. Secure the property with a permitted fence. Such applications were due within ten days of the executed agreement date.

Of note, the agreement provides that the City could proceed with summary abatement of the violations without a warrant if the owner failed to correct the violations by the Compliance Deadline of 7/20/2023. The agreement also provided that the owner would be liable for all costs incurred in connection with the abatement as authorized by law. City staff inspected the site eight days after the agreed upon compliance date. On 7/28/2023, the fence remained vulnerable as a potential entry point for trespassers, and the owner did not secure the opening on the side of the structure, presenting the potential for security issues. The owner of the property neglected to submit any of the required applications. The City acknowledges that the property owner visited the County's public counter for permits but failed to submit as outlined within the signed Compliance Agreement. In addition to these safety issues, the City has not received the amount due for the administrative citations (\$8,998.38).

On multiple occasions since, City staff sent repeated courtesy notices to the property owner regarding this item coming before City Council, including via phone call, text message, email, and physical postings on the property.

ANALYSIS

Since the 7/28/2023 inspection, the City has observed no voluntary compliance at the site and significant efforts toward compliance, such as application for a demolition permit or cleanup of the dilapidated building. Since the owner has failed to take action to abate the public nuisance, and pursuant to the signed Compliance Agreement, the City Manager, through City employees or an independent contractor, may now cause such public nuisance to be abated as directed in the hearing officer's order (see attached).

Abatement cost recovery.

Staff will maintain an itemized record of the cost of work performed by staff and/or the independent contractor(s) to abate the nuisance. Per LMC 3-16.07(A), the cost of abating the public nuisance shall either be in the form of a lien on the property, a special assessment against the property, or the personal obligation of the owner and/or the person responsible for creating, causing, committing or maintaining the public nuisance. The City Manager or his designee will prepare and file a report to City Council specifying the abatement measures undertaken, the itemized and total cost of the abatement, a description of the real property on which the abatement was done, and the names and addresses of the persons entitled to notice pursuant to LMC 3-16.05(E). The City is entitled to interest at the rate of 7% per annum from the date of confirmation of costs by the City Council. The report will be verified by the city official in charge of overseeing the abatement work as required by LMC 3-15.07(B).

Notice of abatement cost hearing.

City staff will provide notice of the abatement cost hearing in the same manner as the public nuisance hearing, per LMC 3-16.07(C), at least ten days prior to the City Council hearing date for the passage of the City manager's Report. The notice will specify that the property may be sold by the tax collector or by the City for unpaid delinquent assessments.

Abatement cost hearing.

The City Council shall hear and pass upon the report, together with any objections or protests which may be raised by the property owner liable to be assessed for the abatement work, including written correspondence provided in advance of the hearing. No protest shall be heard concerning the action of the City Manager or his designee in ordering the abatement of the nuisance, unless such abatement order was issued as a result of an emergency. After hearing and reviewing any oral and written protests, the City Council may make such revisions, corrections, or modifications to the report as it may deem just, after which, by resolution, the report shall be confirmed. The decisions of the city council on all protests and objections shall be final and conclusive per LMC 3-16.07(D).

Notice of lien recordation.

Such notice of proposed recordation and an itemized notice of the lien will be sent by certified mail at least ten days before recording the lien by certified mail to the property owner and served in the same manner as a summons in a civil action in accordance

article 3 (commencing with section 415.10) of chapter 4 of title 5 of part 2 of the Code of Civil Procedure.

Failure to pay lien.

If the cost of abatement is not paid within ten days after service of the notice of recordation is complete, the City may file in the office of the county recorder a certificate in the form "Notice of Lien" provided by LMC 3-16.07(E). If the lien is not paid from the date of recording the lien notice, the City may file and maintain an action to foreclose the lien or take any other action as provided by law.

Alternatively, failure to pay the lien within ten days pursuant to Government Code § 38773.5 may constitute a special assessment against that parcel of property which shall be recorded per LMC 3-16.07(G). The assessment liens shall be subordinate to all existing special assessment liens previously imposed upon the same property and paramount to all other liens except state, county and municipal taxes with which it shall be on parity. The lien shall continue until the assessment and all interest due and payable thereon has been paid.

City Council may alternatively order that the cost for the abatement be made a personal obligation of the property owner and/or the person responsible for causing, committing, or maintaining the public nuisance under LMC 3-16.07(H).

The City Council may institute a lawsuit to collect any amounts due by reason of the abatement of a nuisance by the city and to foreclose any existing liens for such amounts.

FISCAL IMPACT

Finding no compliance with the deadlines agreed to in the executed compliance agreement (attached), staff obtained three quotes for a company to demolish the structures and clean up the site to bring it into compliance. Staff recommends moving forward with Alexander Demolition & Hauling which quoted \$32,400 with a 10% contingency as the quote does not include Air Quality Management District (AQMD) forms and fees, which the contractor is prepared to add. Additionally, the quote does not include demolition/grading/building permits, inspections, salvaging, temporary fencing, asbestos/lead testing, asbestos abatement, temporary power, shutting of utilities, (water, gas, electric) or any additional work requested by the contractor that is not stated in bid. Of the inclusive quotes, Alexander's yields the least expense.

OPTIONS:

- 1. Authorize the City Manager to authorize the work as described herein for \$32,400, with 10% contingency, and return to City Council with a report to recover full abatement costs.
- 2. Provide staff with further direction.

RYAN SMOOT CITY MANAGER

CITY OF LOMITA

May 17, 2023

Subject: Determination of Existence of a Public Nuisance and Abatement of Such Nuisance at 2253-2257 Pacific Coast Highway

Findings: Based on the findings below, it is determined that a public nuisance does exist at 2253-2257 Pacific Coast Highway

Background

- The property at 2253-2257 Pacific Coast Highway was purchased by Ronald Arbolida • on September 27, 2005. The property contains a 2,394 square foot building and a 625 square foot carport. The lot area is 16,870 square feet.
- Based on the latest LA County Assessor's information, Mr. Arbolida is listed as the current property owner.
- The building has been vacant since 2011.
- On October 14, 2021, a fire occurred on the property damaging the main building and LA County Department of Public Works (Building and Safety) subsequently red tagged the building.
- In March 2022, the building was being used as a habitable dwelling and abated the use in March and July 2022 (at the City's expense).
- The City's Code Enforcement Division has issued 3 Notices of Violation, 2 Notices of Abatement, 4 citations and 13 separate graffiti removals totaling \$6,500 in fines and \$1,300 in graffiti removal costs. In addition, the City Attorney's office prepared a Compliance Demand Letter with a deadline of March 18, 2023 with no response from the property owner. The property continues to be occupied by transients.
- The City has made numerous attempts to contact Mr. Arbolida without any response.
- Over the past several years, over 20 calls for service have been received regarding the property.
- The various inspections concluded that:
 - The building is dilapidated
 - Trash and debris continue to be strewn on the property
 - The property is unsecured and is a target for occupancy by transients and prone to graffiti
 - Overgrown vegetation that is not addressed

Per Section 3-16.03. (Public Nuisances) of the Lomita Municipal Code based on the City's record including information provided at the hearing held on May 4, 2023 such conditions do exist which constitute a public nuisance:

• LMC Sec. 3-16-03(C): Any building or structure which is partially destroyed, damaged, abandoned, dilapidated, or permitted to remain in a state of partial construction.

- LMC Sec. 3-16.03(D): The failure to secure and maintain against public access all doorways, windows, and other openings into vacant or abandoned buildings or structures.
- LMC Sec. 3-16.03(H-2): Any overgrown, dead, decayed, diseased or hazardous tree, weeds, vegetation, or debris which is maintained so as to cause an obstruction to the vision of motorists or a hazardous condition to pedestrians or vehicle traffic.
- LMC Sec. 3-16.03(H-4): Any overgrown, dead, decayed, diseased or hazardous tree, weeds, vegetation, or debris which detrimentally affects neighboring properties or property values.
- LMC Sec. 3-16.03(I): Building exteriors, roofs, landscaping, grounds, walls, retaining and crib walls, fences, driveways, parking lots, planters, sidewalks, or walkways which are maintained in such condition so as to become defective, unsightly, cracked or no longer viable or in need of insect extermination.
- LMC Sec. 3-16.03(J): The accumulation of dirt, litter, trash, junk, feces, or debris in doorways, adjoining sidewalks, walkways, courtyards, patios, parking lots, planters, landscaped or other areas.

The recommended method of abatement would be the hiring of an independent contractor to demolish the building/carport removal of overgrown vegetation and debris. Estimated cost of abatement is \$32,400. Other city expenses associated with the administrative costs relative to the action may also be included in the total abatement cost.

Conclusion

I conclude that a public nuisance does exist at 2253-2257 Pacific Coast Highway based on the information previously stated.

The property owner (Mr. Arbolida) or designated representative shall be provided one final opportunity to abate the nuisance consistent with the recommended method of abatement prior to a City Council hearing on the potential abatement order. The City Council abatement protest hearing shall take place no earlier than June 19, 2023.

Determination Issued: May 17, 2023

Susan Kamada, Hearing Officer

COMPLIANCE AGREEMENT

This Compliance Agreement ("Agreement") is made and entered into by and between Ronald E. Arbolida ("Owner"), and the City of Lomita ("City") (collectively, "Parties"). This agreement is entered into as of June <u>12</u>, 2023 ("Effective Date").

RECITALS

A. The real property that is the subject of this Agreement is commonly known as 2253-2257 Pacific Coast Highway, Lomita, California, 90717, and identified as Los Angeles County Assessor's Parcel Number 7373-008-006 ("Property"). The legal description of the Property is as follows:

THE SOUTH 201.9 FEET OF LOT 113 IF TRACT 848, IN THE CITY OF LOMITA, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, AS SHOWN ON MAP FILED IN BOOK 16, PAGE 90 AND 91 OF MAPS IN THE OFFICE OF THE COUNTY RECORDER OF SAID COUNTY, EXCEPT THE WEST 48 FEET OF THE SOUTH 110 FEET OF THE ABOVE DESCRIBED LAND. COMMONLY KNOWN AS: 2253 PACIFIC COAST HWY, LOMITA, CA

B. The Property consists of a 16,870 square-foot lot with a 2,394 square foot building and 625 square-foot carport and has been vacant since 2011.

C. At all times relevant to this Agreement, Owner has a legal interest in the Property.

D. As more fully described below, the Owner acknowledges that the Property contains numerous violations of the Lomita Municipal Code ("LMC").

E. The City issued three Notices of Violation, 2 Notices of Abatement, and the following
4 Administrative Citations to Owner regarding the public nuisance violations on the Property:
August 9, 2022, No. 366 in the amount of \$500.00; August 17, 2022, No. 369 in the amount of

\$1,000.00; August 29, 2022, No. 372 in the amount of \$2,500.00; and September 1, 2022, No. 461 in the amount of \$2,500.00. The total administrative citation fines due is \$6,500.00.

F. On October 14, 2021, the Property caught fire. On October 21, 2021, the Property was red-tagged by LA County Building and Safety.

G. The City issued the following invoices to Owner for the board-up of the Property: May 24, 2022, Invoice No. 05242022 in the amount of \$210.18; and September 26, 2022, Invoice No. 09262022 in the amount of \$338.20, for a total cost of board-up of \$548.38.

H. The City also issued 13 Graffiti Removal Requests totaling \$1,950.

I. On April 12, 2023, the City issued Notice to the Owner regarding a hearing for Determination of Existence of a Public Nuisance and Abatement of Such Nuisance.

J. On May 4, 2023, a hearing was held regarding a Determination of Existence of a Public Nuisance and Abatement of Such Nuisance before Hearing Officer Susan Kamada.

K. On May 17, 2023, a Determination of Existence of a Public Nuisance and Abatement of Such Nuisance ("Determination") was issued to the Owner, detailing the existing violations on the Property. A true and correct copy of that Determination is attached to this Agreement as Exhibit A and is incorporated into this Agreement.

L. The Determination found that the following conditions exist which constitute public nuisances:

- LMC Sec. 3-16-03(C): Any building or structure which is partially destroyed, damaged, abandoned, dilapidated, or permitted to remain in a state of partial construction.
- LMC Sec. 3-16.03(D): The failure to secure and maintain against public access all doorways, windows, and other openings into vacant or abandoned buildings or structures.
- LMC Sec. 3-16.03(H-2): Any overgrown, dead, decayed, diseased or hazardous tree, weeds, vegetation, or debris which is maintained so as to cause an obstruction to the vision of motorists or a hazardous condition to pedestrians or vehicle traffic.

- LMC Sec. 3-16.03(H-4): Any overgrown, dead, decayed, diseased or hazardous tree, weeds, vegetation, or debris which detrimentally affects neighboring properties or property values.
- LMC Sec. 3-16.03(I): Building exteriors, roof, landscaping, grounds, walls, retaining and crib walls, fences, driveways, parking lots, planters, sidewalks, or walkways which are maintained in such condition so as to become defective, unsightly, cracked or no longer viable or in need of insect extermination.
- LMC Sec. 3-16.03(J): The accumulation of dirt, litter, trash, junk, feces, or debris in doorways, adjoining sidewalks, walkways, courtyards, patios, parking lots, planters, landscaped or other areas.

M. The Determination provided for abatement of the violations by demolishing the building and carport and removal of overgrown vegetation and debris.

N. Owner is willing to bring the Property into full compliance with all State and local laws, including correcting all code violations and public nuisances at the Property in accordance with local and State law and all relevant regulations.

O. The Parties desire to resolve issues relating to the abatement of the aforementioned violations at the Property and have entered into this Agreement to accomplish that purpose on the terms set forth below.

AGREEMENT

In consideration of the facts recited above, the covenants, conditions, and promises set forth below, and for good and valuable consideration receipt of which is hereby acknowledged, the Parties hereby agree as follows:

Section 1—TERMS

1.1. Acknowledgement of Violations. Owner acknowledges the following: that the violations in the Determination exist and constitute public nuisances.

1.2. **Compliance Deadline.** The Owner hereby agrees to correct all of the violations identified in the Determination no later than July 20, 2023 ("Compliance Deadline"), unless, for good cause and in his sole discretion, the City Manager agrees in writing to an extension of time for remedying the violations.

1.3. **Remediation.** Owner shall cure all violations of law, substandard conditions, and public nuisances at the Property, through removal, replacement, reconstruction, legalization, demolition, remediation, restoration, or any legal means available, as approved and permitted by the City, in the manner and within the time periods set forth in this Agreement ("Remediation"). The Remediation shall include, but is not limited to, the following:

- 1.3.1. Abate or rehabilitate all substandard, hazardous, and unlawful conditions on the Property, regardless of whether said conditions are specified herein or in the Determination.
- 1.3.2. Remove and lawfully dispose of all accumulations of junk, trash, and debris from interior and exterior portions of the Property.

1.3.3. Trim, remove, and lawfully dispose of all overgrown vegetation.

- 1.3.4. Submit all requisite applications, plans, supporting documents, and fees to the City's Community Development Department and Los Angeles County Building and Safety to demolish the building and carport at the Property. Owner shall apply for all necessary permits within ten (10) days of the date of the Effective Date of this Agreement.
- 1.3.5. Obtain the City-issued permits, and complete all corrective actions pursuant to the City-approved plans and City-issued permits to correct the unlawful condition by the Compliance Deadline.
- 1.3.6. Secure the Property with a permitted fence. Owner shall apply for all necessary fence permits within ten (10) days of the date of the Effective Date of this Agreement.

1.4. Lawful Construction. Owner agrees and acknowledges that the Remediation must be performed with all required permits, inspections, and approvals, in accordance with all laws. Owner further agrees that all contractors or service providers to perform any corrective actions on the Property must be licensed with the applicable State licensing board.

1.5. Consent to Inspection. The Owner agrees to permit authorized personnel of or on behalf of the City of Lomita to enter onto the Property at any time between the hours of 8:00 a.m. through 5:00 p.m., Monday through Friday, without a warrant, for the purpose of conducting inspections of the interior and exterior of all structures and the premises to ensure compliance with the Agreement and State and City law, until the date the Remediation of the Property is fully completed, as determined by the City. Thereafter, Owner consents to ongoing inspection of the Property by City staff upon 24 hours' written notice of the City's intent to inspect, for the purpose of ensuring ongoing compliance with State and City law.

1.6. Administrative Fines & Costs. The Owner agrees to pay all outstanding administrative fines that have accrued to date, the board-up costs, and the graffiti removal costs in connection with the City's efforts to abate the nuisance conditions on the Property, in the amount of \$8,998.38. The Parties agree that the fines and costs in the amount of \$8,998.38 shall be made payable to the City of Lomita and delivered to the City by cashier's check within 45 days of the execution of this Agreement.

1.7. **Cure of Violations.** All violations on the Property must be cured to the satisfaction of the City. When Owner believes that he has cured all existing violations on the Property, he shall inform the City, which will perform an inspection of the Property to determine compliance within five (5) business days of such notice. The City shall determine, in its sole discretion, whether the violations on the Property are deemed to have been cured and the Remediation has been completed as required by this Agreement. Upon the timely completion of the Remediation of the Property, after having inspected the Property, the City shall provide written confirmation to Owner that all of the violations on the Property are cured.

65265.00100\41347817.1

1.8. **Ongoing Maintenance.** The Owner agrees to maintain the Property in compliance with the law upon the complete Remediation of the Property, including refraining from maintaining a public nuisance at the Property, as required by the Lomita Municipal Code.

1.9. Failure to Cure Violations. In the event the violations on the Property are not corrected by the Compliance Deadline and the City does not extend the time for cure, the City shall pursue enforcement by any means available by law to ensure the violations on the Property are cured. In the event the violations on the Property are not corrected by the Compliance Deadline and the City does not extend the time for cure, Owner agrees to summary abatement of the violations by the City without a warrant. In the event the City must proceed with summary abatement, the City and its agents are authorized to enter onto the Property to rectify any violations of the Lomita Municipal Code. The abatement may be conducted in the absence of the Owner and without advance notice. The Owner will be liable for all costs incurred in connection with the abatement as authorized by law.

1.10. **Termination.** This Agreement shall not terminate so long as Owner remains in possession and control of the Property. This Agreement shall terminate upon transfer of title to the Property from Owner to a bona fide third party purchaser if the City has previously provided written confirmation of completion of the Remediation under Section 1.7 of this Agreement. If Owner transfers title to the Property to a bona fide third party purchaser before completion of the Remediation as required by this Agreement, the Agreement shall terminate upon completion of the Remediation by the new owner. Completion of the Remediation by any subsequent owner shall be confirmed in the same manner as proscribed in Section 1.7 of this Agreement.

1.11. Sale of the Property. Upon entry into a purchase agreement for the sale of the Property to a third party or upon any transfer or change in title, the Owner agrees to provide written notice of the sale to the City within 48 hours, which shall include contact information for the buyer.

Section 2—RELEASE OF LIABILITY

2.1. Except for the provisions of this Agreement, Owner and for each and all of Owner's respective agents, representatives, attorneys, successors, and assigns, and all others claiming by,

under, or through Owner, hereby releases and forever discharges the City, and all of its respective agents, representatives, attorneys, successors, assigns, constituents, and contractors, from any and all liabilities, damages, injuries, claims, and causes of action that they have or may have, both real and purported, known and unknown, foreseen and unforeseen, expected and unexpected, of every kind, nature, and character, arising out of or related to the City's investigation and enforcement of the violations identified in the Determination or the execution of this Agreement.

2.2. Owner further waives Owner's rights arising under Civil Code section 1542, which reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

2.3. Owner represents and warrants that Owner understands and acknowledges the significance and consequence of this waiver of Civil Code section 1542. Owner further waives any provisions that may exist under federal law, or the laws of any other state that may have jurisdiction over the claims released herein, that are similar in language, purpose, or effect to Civil Code section 1542.

2.4. Owner certifies that Owner has investigated the facts and matters pertaining to this Agreement, to the extent Owner has determined necessary. Owner assumes the risk of any unknown facts and any mistakes of law or fact related to this Compromise.

Section 3—MISCELLANEOUS

3.1. Reservation of Rights. The City reserves its right to pursue all available legal penalties and remedies for all unidentified violations and all future violations that they may discover. Nothing herein shall be construed to limit the authority or ability of the City to institute

additional proceedings against Owner for any violations occurring after the effective date of this Agreement, or for breach of this Agreement, or to enforce the terms of this Agreement. Nothing in this Agreement shall be interpreted to limit the exercise of any public office or the lawful discretion or duty of any employee of the City or otherwise influence, limit or restrict any legislative body in any manner in which it may consider or make any decision or determination.

3.2. **Independent Counsel.** The Parties represent that they have had the opportunity, whether or not they have chosen to do so, to discuss this Agreement with legal counsel.

3.3. Severability. If any of the provisions of this Agreement are found to be unenforceable, those provisions shall be reformed to prevent the unenforceable result in a manner that best preserves the original intent of the provision to the fullest extent possible, and all other provisions of this Agreement shall remain in full force and effect.

3.4. Entire Agreement. This Agreement is the final, complete, and exclusive expression of all the terms and provisions of the agreement between the Parties with respect to the subject matter hereof. This Agreement supersedes any previous agreements or negotiations between the Parties, whether oral or written. This Agreement may be amended only by an agreement in writing signed by all Parties.

3.5. Successors and Assigns. This Agreement and all terms, conditions, and obligations contained herein are binding upon and inure to the benefit of any assigns and successors-in-interest of the Parties, and each of them. Each of the Parties represents and warrants that as of the Effective Date none of the claims or causes of action being released herein have been transferred, assigned, or otherwise conveyed to any other person or entity, and each of the Parties is the holder of the claims being released.

3.6. **Runs With the Land.** This Agreement is binding upon and runs with the property located at 2253-2257 Pacific Coast Highway, Lomita, California. The City shall cause this Agreement to be recorded with the Los Angeles County Recorder's Office upon execution by all parties. Upon the timely completion of the Remediation of the Property, as set forth in this

- 8 of 9 -

Agreement, the City or its counsel shall issue and record with the Los Angeles County Recorder's Office, a Notice of Compliance with this Agreement.

3.7. Signatures. This Agreement shall become effective and binding upon the Parties at such time as all of the signatories hereto have signed the original or a counterpart original of this Agreement. A fully executed copy (including a "pdf" or "fax" copy) of this Agreement shall be treated as an original for all purposes.

3.8. The recitals stated above and exhibit attached hereto are incorporated herein as part of this Agreement as though set forth in full and shall bind the Parties in all respects.

Section 4—SIGNATURES

By signing below, the Parties hereby agree to all the terms and conditions set forth in this Compromise.

CITY OF LOMITA CITY COUNCIL REPORT

TO:	City Council	Item No. SCH 8b
FROM:	Ryan Smoot, City Manager	
PREPARED BY:	Lina Hernandez, Senior Management Analyst	
MEETING DATE:	October 17, 2023	
SUBJECT:	Discussion and Consideration to Adopt a Resolu Various Personnel Actions and Approving Specifications	

RECOMMENDATION

- 1. Adopt Resolution No. 2023-22 establishing a revised list of full-time positions with corresponding salary schedule and make the necessary budget adjustments; and
- 2. Approve the attached Classification Specifications.

BACKGROUND/ANALYSIS

Lomita regularly and proactively reviews its organizational structure to ensure that the City's resources are adequately able to meet the needs of the community and the goals of the City Council. In addition to the ever-changing needs of the community, over recent years the city has made significant efforts to address challenges related to attrition through retirements, employee turnover, difficulty in recruiting, use of contractors to provide necessary services, budgetary constraints, and other factors.

Goals and Challenges

During the most recent City Council Goal Setting Session, departments reported their efforts and accomplishments while also identifying inadequate staff availability as a major challenge and highlighting the importance of and need for succession planning, opportunities for internal career advancement, and sufficient staffing to cross train and manage the growing workload.

As an example, within the last five years, the number of active Capital Improvement Projects within the Public Works Departments has increased from 2-3 annual projects to 15-20. At the same time the Council has asked the Recreation Division to increase the recreation programming and add/extend special events, such as a second day to the Founders Day celebrations and upcoming events associated with the 60th anniversary celebrations (including the potential for a 5k/10k run, parade, and car show). In general, the City's departments have been handling heavier workloads with less staffing.

Recognizing these challenges, with the approval of the most recent Memoranda of Understanding with the Lomita City Employees Association, the City Council made significant efforts to address them by creating Lead Worker positions in various city divisions, implementing the Citywide Classification and Compensation Plan, and providing for training and certification opportunities for our employees (policies to implement the Certification requirements will be forthcoming for consideration and approval by the City Council). The proposed organizational adjustments are a continuation of these efforts.

In order to continue to meet City Council's goals and objectives within expected time frames and continue the efforts described above, at their meeting on September 18, 2023 the Finance Ad Hoc Committee was presented with the proposed approach to restructure various aspects of the organization. The recommendation was that these actions be brought to the full City Council for consideration and approval.

Summary of Proposed Changes

The following changes are being proposed for approval by the City Council in one action but will be phased in over the next six months based on organizational needs, succession planning and anticipated retirement. If approved, City staff will return to the Council with any necessary amendments to MOUs and Personnel resolutions once the meet and confer process is complete.

• Reassignment of the Management Assistant into the City Manager's Department (Currently split between City Manager and Community and Economic Development Departments)

It is proposed to move the position wholly under the City Manager's office to focus on public outreach and community engagement and serve as a primary contact for all City staff related to outreach efforts. This position will also manage the new communications agreement with Tripepi Smith and perform other duties within the department. There is no additional cost associated with this action as this position is currently approved.

 Replacement of Code Enforcement Contract with In-House Code Enforcement Officer and Proposed New Code Enforcement Supervisor Position

Currently there is one in-house Code Enforcement Officer II position supplemented by a contract serve provider. The contract is set to expire at the end of this year. To maintain service levels and improve coordination, it is proposed to not renew the contract and instead create an in-house Code Enforcement Officer I position. Historically there has been high turnover with the single in-house Code Enforcement position. To retain talent and provide career growth within the organization, a Code Enforcement Supervisor position is recommended. This change would also allow these responsibilities to be handled by the division instead of the Community and Economic Development Director.

 Reclassification of Maintenance Worker, Water Treatment Operator, and Water Service Tech II positions to Maintenance Worker Lead, Water Distribution Lead, and Water Treatment Lead

To provide common growth opportunities across divisions and maintain consistency among our crews while also assisting with recruitment and retention efforts, it is proposed to reclassify one Maintenance Worker position, one Treatment Plant Operator position, and one Water Service Tech II position to Lead positions similar to those created within other Public Works crews. The Water Service Tech II position has been vacant since July 2022 despite numerous recruitment attempts.

• Re-establish the Parks and Recreation Director Position

Approximately 5 years ago, in an effort to provide some needed budgetary relief and based on the City's needs at the time, the Parks and Recreation Director Position was eliminated, and the duties of the position were split between the Recreation and Facilities Manager, the Recreation Manager, and the City Manager. To provide appropriate focus for the Department and account for the increased number of special events, programs, sports and other services provided by the department, it is proposed to bring back the Director position and remove the direct day to day oversight role from the City Manager.

• Reassignment of the Facilities Division from Parks and Recreation to the Public Works Department with Proposed New Facilities Supervisor Position

When the Parks and Recreation Director position was eliminated, it was replaced with the Recreation and Facilities Services Manager. Should the proposed director position be approved and anticipating planned retirements, it is recommended to move the facilities division to the Public Works Department with a Facilities Supervisor position consistent with the other crews.

• Re-establish the Recreation Coordinator Position

This position was previously eliminated as a measure to provide short term cost savings. While the cost savings were necessary and beneficial at that time, the elimination of the position has resulted disconnect between the part-time Recreation Coordinator positions and Full Time Recreation Supervisor positions within the Recreation Division and also eliminated a common path for growth within the organization. To retain talent, provide positive career growth and provide additional support for upcoming special events and programs, a full-time, nonsupervisory Recreation Coordinator position is recommended.

Re-establish the Recreation Supervisor position
 The Recreation Supervisor position is another position that was previously
 eliminated to achieve cost savings. As the City's financial condition has improved,
 and with the increase desire for special events and programs, it is recommended
 that the City reinstate a second Recreation Supervisor position. This would also
 provide opportunities for career growth within the Department and assist with
 retention of talented employees.

Management staff met with the Lomita City Employees Association (LCEA) on October 6, 2023 to review the proposed Citywide reorganization and discuss impacts to the LCEA members. The proposed changes are subject to finalizing the meet and confer process with the LCEA.

Should the City Council approve the recommendations, the City's management team will phase in the changes based on City needs, anticipated staffing changes, and succession planning. Some of the changes will be effective for the remainder of the FY 23-24 and will also be incorporated into the FY 24-26 budget, and others will be rolled into forthcoming budget planning process.

OPTIONS:

- 1) Approve staff's recommendation.
- 2) Provide staff alternative direction.

FISCAL IMPACT

Many of the proposed changes are either reassignment or reclassification of existing positions which can produce savings in some cases and have additional costs in others. In total, the changes incorporate three new positions and multiple adjusted positions. The net cost of these changes is approximately \$290,000 annually (in phases) inclusive of salaries, benefits and other costs. Many of these positions are partially funded through the General Fund and partial through other funds. Sufficient funding is available in the relevant funds for this purpose.

RESOLUTION NO. 2023-22

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOMITA, CALIFORNIA, ESTABLISHING A SALARY SCHEDULE AND AUTHORIZED POSITIONS FOR EMPLOYEES FOR THE FISCAL YEAR COMMENCING JULY 1, 2022, AND ENDING JUNE 30, 2024

WHEREAS, Section 37206 of the California Government Code requires the City Council to prescribe the time and method of paying salaries and wages of officers and employees of the City; and

WHEREAS, the City Council has determined that it is necessary for the efficient operation and management of the City that rules and regulations be established prescribing sick leave, vacation, leaves of absence and other regulations for the employees and officers of the City; and

WHEREAS, it is necessary from time to time to establish comprehensive wage and salary schedules and to fix the rates and compensation to be paid officers and employees of the City as well as other regulations; and

WHEREAS, the City's Personnel Rules, governing MOUs and compensation plan for non-represented employees sets forth the Rules and Regulations regarding the payment of salaries, sick leaves, vacations, leaves of absence and other regulations related to full-time employees of the City.

NOW, THEREFORE, the City Council of the City of Lomita does resolve, determine and order as follows:

SECTION 1. The salary schedule (Section III) and the authorized positions and salary range schedule (Section IV) (collectively attached hereto as Exhibit A) hereby amends and replaces previously adopted authorized positions and salary schedule resolutions for the fiscal year commencing on July 1, 2022 and ending on June 30, 2024.

The City Clerk shall attest and certify to the passage and adoption of this Resolution and thereupon the same shall take effect and be in force and effect in accordance with its terms. **PASSED, APPROVED AND ADOPTED** this 17th day of October 2023.

ATTEST:

Barry Waite, Mayor

Kathleen Horn Gregory, MMC, City Clerk

October 2023 FLSA: Non-Exempt

CODE ENFORCEMENT OFFICER I

Under general supervision, enforces Municipal Code regulations including health & safety, sanitation, tax & business license, building & safety and housing codes and regulations to ensure compliance with the City's zoning and building regulations; investigates citizen complaints of public nuisances and quality of life and health and safety issues; and performs related work as required.

SUPERVISION RECEIVED AND EXERCISED

Receives general supervision from the Code Enforcement Supervisor. Exercises no direct supervision over staff.

CLASS CHARACTERISTICS

This is the entry-level classification in the Code Enforcement Officer series. Incumbents in this classification perform a variety of routine and complex work involving the enforcement of municipal code regulations in support of the City.

EXAMPLES OF TYPICAL JOB FUNCTIONS (Illustrative Only)

Management reserves the right to add, modify, change, or rescind the work assignments of different positions and to make reasonable accommodations where appropriate so qualified employees can perform the essential functions of the job.

- > Periodically patrols or inspects an assigned area to monitor for violations of local codes.
- Responds to complaints of potential code violations relating to signing, building occupancy, nuisances, property maintenance, land use, dumping, polluting, or other Lomita Municipal Code violations.
- Enforces Municipal Code regulations including health & safety, sanitation, tax & business license, building & safety, and housing codes and regulations.
- Conducts field inspections of properties and businesses to determine compliance with applicable building, zoning, nuisance, land use, and license regulations and requirements; documents code violations by securing photographs and other pertinent data; conducts follow-up investigations to ensure compliance with applicable codes and ordinances.
- Explains and interprets ordinances, issues warnings, correction notices, or citations.
- Meets with owners, tenants, contractors, businesses, etc. to review and explain code requirements and violations incurred or potential violations; and to encourage compliance with municipal codes, ordinances, and community standards.
- Conducts research, interviews appropriate individuals concerning complaints and to validate violations, and obtains information to write case investigation reports.
- Prepares and issues a variety of correspondence, memoranda, notices, flyers, and reports relating to code enforcement issues and actions; assists in the preparation of detailed inspection reports, inspection warrants, and staff reports.

- Researches ownership records, prior complaints, municipal codes and ordinances, and state regulations to establish whether a violation has occurred.
- Confers and coordinates code enforcement activities and inspections with other departments and agencies.
- > Maintains files, databases, and records related to citations and violations.
- > Observes and complies with City and mandated safety rules, regulations, and protocols.
- Performs other duties as assigned.

QUALIFICATIONS

Knowledge of:

- Principles, practices, methods, and techniques of code violation investigation and compliance including citation issuance procedures, methods used to obtain various types of inspection warrants, and principles used to prepare documents used in the legal process.
- Practices for documenting inspections, correcting violations, and carrying through on enforcement options.
- Legal descriptions and boundary maps of real property and legal terminology as used in code compliance.
- > Research and reporting methods, techniques, and procedures.
- Applicable federal, state, and local laws, rules, regulations, code, ordinances, and organizational policies and procedures including those related to zoning, land use, building, vehicle, health and safety, business licensing, and neighborhood preservation.
- > Principles and practices of data collection, case management, and report preparation.
- City and mandated safety rules, regulations, and protocols.
- Techniques for providing a high level of customer service by effectively dealing with the public, vendors, contractors, and City staff.
- The structure and content of the English language, including the meaning and spelling of words, rules of composition, and grammar.
- Modern equipment and communication tools used for business functions and program, project, and task coordination, including computers and software programs relevant to work performed.

Ability to:

- > Respond to inquiries, complaints, and requests for service in a fair, tactful, and timely manner.
- Perform private property inspections, collect evidence, document inspection cases, and issue notices and citations.
- Understand, interpret, and explain City codes, ordinances, and regulations to property owners, residents, and others.
- Assess situations, deescalate challenging situations, and resolve conflict, while remaining calm.
- Learn City policies and procedures affecting departmental operations; utilize new skills and information to improve job performance and efficiency.
- Make accurate arithmetic computations.
- > Understand and interpret policies, procedures, and standards relevant to work performed.
- > Understand and follow oral and written instructions.
- Compile and summarize information to prepare accurate, clear, and concise emails, letters, and reports.
- Use tact, initiative, prudence, and independent judgment within general policy and procedural guidelines.

- > Independently organize work, set priorities, meet critical deadlines, and follow-up on assignments.
- Effectively use computer systems, software applications relevant to work performed, and modern business equipment to perform a variety of work tasks.
- Communicate clearly and concisely, both orally and in writing, using appropriate English grammar and syntax.
- Establish, maintain, and foster positive and effective working relationships with those contacted in the course of work.

Education and Experience:

Any combination of training and experience that would provide the required knowledge, skills, and abilities is qualifying. A typical way to obtain the required qualifications would be:

Education:

> Possession of a high school diploma or G.E.D. required.

Experience:

One (1) year of experience related to inspection, law enforcement, building inspection, land use, public administration, or a related field.

Licenses and Certifications:

- > Possession of a valid California Driver's License, to be maintained throughout employment.
- > Possession of a valid California PC832 certificate, to be maintained throughout employment.
- Possession of, or successful acquisition within 12 months of employment, a valid California Association of Code Enforcement Officers (CACEO) Certificate, to be maintained throughout employment.

PHYSICAL DEMANDS

When assigned to an office environment, must possess mobility to work in a standard office setting and use standard office equipment, including a computer; vision to read printed materials and a computer screen; and hearing and speech to communicate in person and over the telephone; ability to stand and walk between work areas may be required. Finger dexterity is needed to access, enter, and retrieve data using a computer keyboard or calculator and to operate standard office equipment. Positions in this classification occasionally bend, stoop, kneel, reach, push, and pull drawers open and closed to retrieve and file information.

When assigned to field inspection, must possess mobility to work in changing site conditions; possess the strength, stamina, and mobility to perform light to medium physical work; to sit, stand, and walk on level, uneven, or slippery surfaces; to reach, twist, turn, kneel, and bend, to climb and descend ladders; and to operate a motor vehicle and visit various City sites; vision to inspect site conditions and remedial work. The job involves fieldwork requiring frequent walking in operational areas to identify problems or hazards, with exposure to hazardous materials in some site locations. Employees must possess the ability to lift, carry, push, and pull materials and objects up to 40 pounds.

ENVIRONMENTAL CONDITIONS

Employees work in an office environment with moderate noise levels, controlled temperature conditions, and no direct exposure to hazardous physical substances. Employees also work in the field and are exposed to loud noise levels, cold and hot temperatures, inclement weather conditions, road hazards, vibration, chemicals, mechanical and/or electrical hazards, and hazardous physical substances and fumes. Employees may interact with upset staff and/or public and private representatives in interpreting and enforcing departmental policies and procedures.

CODE ENFORCEMENT SUPERVISOR

Under general direction of the Community Development Director or their designee, supervises, coordinates, schedules, assigns, evaluates, and reviews the work of assigned code enforcement staff in enforcing provisions of the City's Municipal Code regulations including health & safety, sanitation, tax & business license, building & safety and housing codes and regulations to ensure compliance with the City's zoning and building regulations; investigates citizen complaints of public nuisances and quality of life and health and safety issue. This position is a working supervisor position that will be expected to both supervise subordinate staff and carry out similar duties performed by staff and provide training to lower-level staff.

SUPERVISION RECEIVED AND EXERCISED

Receives general direction from the Community Development Director or their designee. Exercises direct supervision over technical and administrative staff.

CLASS CHARACTERISTICS

This is the full supervisory-level class in the Code Enforcement series that exercises independent judgment on diverse and specialized code enforcement activities with accountability and ongoing decision-making responsibilities associated with the work. Incumbents are responsible for planning, organizing, supervising, reviewing, and evaluating the work of staff and for providing technical support to management in a variety of areas. Performance of the work requires the use of independence, initiative, and discretion within established guidelines.

EXAMPLES OF TYPICAL JOB FUNCTIONS (Illustrative Only)

Management reserves the right to add, modify, change, or rescind the work assignments of different positions and to make reasonable accommodations where appropriate so qualified employees can perform the essential functions of the job.

- Plans, coordinates, supervises, and evaluates the work and performance of staff assigned to conduct inspections and enforce City Codes and Ordinances and other requirements.
- Provides leadership and developmental opportunities and training to staff; counsels staff as needed; participates in the hiring and disciplinary process as appropriate.
- Establishes, implements, and monitors performance standards, goals and objectives of the code enforcement division.
- Maintains up-to-date knowledge of Code Enforcement disciplines, policies, safety techniques and methods, codes, standards and regulations, applicable laws, and City goals practices and policies.
- Interprets and enforces provisions of municipal, state, and federal laws and regulations pertaining to municipal code enforcement. Informs staff and management of changes and new legislation pertaining to codes and regulation affecting work. Provides technical code enforcement interpretations and advice to other City staff.
- Oversees the preparation of Code Enforcement cases for legal action; provides testimony for administrative hearings, City Council or Planning Commission hearings, and court proceedings.
- > Receives, reviews and assigns service requests to assigned staff; Supervises field service activities.

- Coordinates and conducts follow-up abatement procedures including preparation of additional correspondence, site visits, and communication with property owners and attorneys.
- Coordinates code enforcement activities and inspections with other county organizations, local agencies, or community groups; interprets and explains to the public and other agencies various provisions of the ordinances, codes and laws.
- Conducts field inspections of properties and businesses to determine compliance with applicable building, zoning, nuisance, land use, and license regulations and requirements; documents code violations by securing photographs and other pertinent data; conducts follow-up investigations to ensure compliance with applicable codes and ordinances; Post legal notices on property and may physically remove illegal signs.
- Enforces Municipal Code regulations including health & safety, sanitation, tax & business license, building & safety, and housing codes and regulations.
- Serves as a resource to staff, advising and instructing on the more complex investigations.
- > Performs the most difficult investigations and handles the more sensitive public inquiries.
- Conducts research, interviews appropriate individuals concerning complaints and to validate violations, and obtains information to write case investigation reports.
- Prepares and issues a variety of correspondence, memoranda, notices, flyers, and reports relating to code enforcement issues and actions; assists in the preparation of detailed inspection reports, inspection warrants, and staff reports.
- Communicates with traffic enforcement and other departments for the abatement of abandoned vehicles and other violations.
- Researches ownership records, prior complaints, municipal codes and ordinances, and state regulations to establish whether a violation has occurred.
- Maintains files, databases, and records related to citations and violations.
- > Observes and complies with City and mandated safety rules, regulations, and protocols.
- > Performs the representative duties and functions of subordinate code enforcement staff as needed.
- Performs other duties as assigned.

QUALIFICATIONS

Knowledge of:

- Principles and practices of supervision.
- Applicable federal, state, and local laws, rules, regulations, code, ordinances, and organizational policies and procedures including those related to zoning, land use, building, vehicle, health and safety, business licensing, and neighborhood preservation.
- Principles, practices, methods, and techniques of code violation investigation and compliance including citation issuance procedures, methods used to obtain various types of inspection warrants, and principles used to prepare documents used in the legal process.
- > Interviewing principles, techniques and methods; community relations principles and techniques.
- Practices for documenting inspections, correcting violations, and carrying through on enforcement options.
- Legal descriptions and boundary maps of real property and legal terminology as used in code compliance.

- > Research and reporting methods, techniques, and procedures; record keeping an file maintenance.
- > Principles and practices of data collection, case management, and report preparation.
- City and mandated safety rules, regulations, and protocols.
- Techniques for providing a high level of customer service by effectively dealing with the public, vendors, contractors, and City staff.
- The structure and content of the English language, including the meaning and spelling of words, rules of composition, and grammar.
- Modern equipment and communication tools used for business functions and program, project, and task coordination, including computers and software programs relevant to work performed.

Ability to:

- > Respond to inquiries, complaints, and requests for service in a fair, tactful, and timely manner.
- > Train, supervise, and evaluate personnel.
- Perform private property inspections, collect evidence, document inspection cases, and issue notices and citations.
- Understand, interpret, and explain City codes, ordinances, and regulations to property owners, residents, and others.
- Assess situations, deescalate challenging situations, and resolve conflict, while remaining calm.
- > Hande the more complex and sensitive investigations and issues involving code enforcement.
- Solve practical problems and deal with a variety of concrete variable in situation where only limited standardization exists.
- Learn City policies and procedures affecting departmental operations; utilize new skills and information to improve job performance and efficiency.
- Make accurate arithmetic computations.
- > Understand and interpret policies, procedures, and standards relevant to work performed.
- Understand and follow oral and written instructions.
- Compile and summarize information to prepare accurate, clear, and concise emails, letters, and reports.
- Use tact, initiative, prudence, and independent judgment within general policy and procedural guidelines.
- > Independently organize work, set priorities, meet critical deadlines, and follow-up on assignments.
- Effectively use computer systems, software applications relevant to work performed, and modern business equipment to perform a variety of work tasks.
- Communicate clearly and concisely, both orally and in writing, using appropriate English grammar and syntax.
- Establish, maintain, and foster positive and effective working relationships with those contacted in the course of work.

Education and Experience:

Any combination of training and experience that would provide the required knowledge, skills, and abilities is qualifying. A typical way to obtain the required qualifications would be:

Education:

> Possession of a high school diploma or G.E.D. required.

Experience:

Four (4) years of professional experience in enforcing, investigating, and interpreting code and ordinance violations related to residential and commercial building inspection, land use, zoning, health and safety, and public nuisance abatement.

Licenses and Certifications:

- > Possession of a valid California Driver's License, to be maintained throughout employment.
- > Possession of a valid California PC832 certificate, to be maintained throughout employment.
- Possession of a valid California Association of Code Enforcement Officers (CACEO) Certification to be maintained throughout employment.

PHYSICAL DEMANDS

When assigned to an office environment, must possess mobility to work in a standard office setting and use standard office equipment, including a computer; vision to read printed materials and a computer screen; and hearing and speech to communicate in person and over the telephone; ability to stand and walk between work areas may be required. Finger dexterity is needed to access, enter, and retrieve data using a computer keyboard or calculator and to operate standard office equipment. Positions in this classification occasionally bend, stoop, kneel, reach, push, and pull drawers open and closed to retrieve and file information.

When assigned to field inspection, must possess mobility to work in changing site conditions; possess the strength, stamina, and mobility to perform light to medium physical work; to sit, stand, and walk on level, uneven, or slippery surfaces; to reach, twist, turn, kneel, and bend, to climb and descend ladders; and to operate a motor vehicle and visit various City sites; vision to inspect site conditions and remedial work. The job involves fieldwork requiring frequent walking in operational areas to identify problems or hazards, with exposure to hazardous materials in some site locations. Employees must possess the ability to lift, carry, push, and pull materials and objects up to 40 pounds.

ENVIRONMENTAL CONDITIONS

Employees work in an office environment with moderate noise levels, controlled temperature conditions, and no direct exposure to hazardous physical substances. Employees also work in the field and are exposed to loud noise levels, cold and hot temperatures, inclement weather conditions, road hazards, vibration, chemicals, mechanical and/or electrical hazards, and hazardous physical substances and fumes. Employees may interact with upset staff and/or public and private representatives in interpreting and enforcing departmental policies and procedures.

LEAD WORKER - FACILITIES

DEFINITION

Under general supervision of the Recreation & Facilities Manager, Facilities Supervisor or their designee plans, leads, coordinates and performs a wide variety of skilled tasks related to the maintenance, repair and security for all City facilities, buildings, and associated stationary equipment.; and performs related work as required.

SUPERVISION RECEIVED AND EXERCISED

Receives general direction from the Recreation & Facilities Manager, Facilities Supervisor or their designee. Exercises technical and functional direction over less experienced staff.

CLASS CHARACTERISTICS

This is the advanced journey level classification in the Facilities Maintenance series responsible for performing the most complex work assignments to the series. Incumbents regularly work on tasks which are varied and complex, requiring considerable discretion and independent judgment. Positions in the classification rely on experience and judgment to perform assigned duties. Assignments are given with general guidelines and incumbents are responsible for establishing objectives, timelines, and methods to complete assignments. Work is typically reviewed upon completion for soundness, appropriateness, and conformity to policy requirements.

EXAMPLES OF TYPICAL JOB FUNCTIONS (Illustrative Only)

Management reserves the right to add, modify, change, or rescind the work assignments of different positions and to make reasonable accommodations where appropriate so qualified employees can perform the essential functions of the job.

- Participates in the work of crews engaged in the maintenance, repair and security of all city facilities and buildings.
- Establishes work priorities and schedules, assigns, oversees, and inspects the work of personnel engaged in water maintenance and repair activities.
- Performs, leads, and coordinates facilities and building maintenance; inspects work performed to ensure compliance with established procedures.
- Participates in the selection of personnel, ensures the training of assigned personnel; assists in the performance evaluations.
- Provides on-the-job training and instruction in the proper and safe performance of the unit's work and in the use of tools and equipment; instructs personnel in the safe operation of equipment; sets up job sites, ensuring the use of safety rules, appropriate equipment, and proper work techniques.
- Follows policies and procedures relating to the preventive maintenance and repair of various city facilities and buildings.
- Installs, repairs, operates, inspects, and maintains equipment, furniture and other materials related to City facilities and buildings.
- Sets up and takes down furniture and equipment for City special events.

- > Operates a variety of equipment; performs routine preventative maintenance on equipment.
- Performs custodial duties; sweeps, rakes, cleans, empties trash, vacuums, dust, change bulbs, and clean restrooms at all city facilities and buildings; Picks up and discards trash, brush, leaves, debris, deceased animals, discarded furniture, etc. from City properties and buildings.
- Repairs and maintains walls, flooring, furniture, lighting, landscape, plumbing, painting, air conditioning, heating, and ventilation.
- > Provides technical assistance to staff in resolving difficult problems.
- Receives work orders; prepares, maintains, and inputs detailed logs, records, and reports of maintenance and repair activities.
- > Ensures staff compliance with City and mandated safety rules, regulations, and protocols.
- > Responds to questions and concerns from other departments and divisions.
- ▶ Responds to and cleans up hazardous materials spills.
- > Responds to emergency situations, as necessary; works weekends and holidays as required.
- > Ensures staff observe and comply with City and mandated safety rules, regulations, and protocols.
- > Performs other duties as assigned.

QUALIFICATIONS

Knowledge of:

- Principles of providing functional direction and training.
- > Operations, services, and activities of a facility maintenance program
- Principles, practices, methods, methods, materials, and equipment used in the maintenance and construction of facilities, including carpentry, electrical, plumbing, painting, custodial, heating, ventilation, air conditioning, and work and energy conservation.
- > Principles and practices of maintenance and repair activities including grounds and facilities work.
- The use and maintenance of basic hand and power tools; basic safety principles, practices, and equipment related to the work.
- Best practices for parks and landscape care in large governmental settings.
- City and mandated safety rules, regulations, procedures, and protocols.
- Techniques for providing a high level of customer service by effectively dealing with the public, vendors, contractors, and City staff.
- Methods, techniques, tools, and the operational characteristics of equipment used in the maintenance and repair of City facilities and buildings.
- Basic mathematics.
- Principles and procedures of record keeping.
- Safe work methods and safety regulations pertaining to the type of work being performed.
- Basic construction and repair methods.
- > Plant selection and care, shrub and turf maintenance, and proper pruning methods.
- > Methods and techniques related to the proper handling of toxic chemicals and pesticides.
- > The structure and content of the English language to effectively perform the work.
- Modern equipment and communication tools used for business functions and program, project, and task coordination, including computers and software programs relevant to work performed.

Ability to:

> Plan, organize, inspect, and coordinate the work of assigned staff.

- > Review, interpret, and complete assigned work orders.
- Perform semi-skilled and skilled maintenance, construction, and repair work in the area of work assigned.
- Operate and maintain a variety of hand and power tools and equipment used in the type of work being performed.
- > Operate a variety of vehicles and equipment in a safe and effective manner.
- > Plan and organize facility maintenance work in assigned areas.
- Read and interpret plans and diagrams.
- > Assist in the training of others in the safe operation of tools and equipment.
- ▶ Work safely and adhere to principles of safety when working inside and outside City facilities.
- Competently care for plants, shrubs, and trees; properly water, fertilize, and spray grounds and landscaped areas.
- > Understand and follow oral and written instructions.
- Maintain accurate records.
- > Respond to complaints or inquiries from citizens, staff, and outside organizations.
- Work extended hours and rotating shifts, including weekends and holidays as needed.
- > Independently organize work, set priorities, meet critical deadlines, and follow-up on assignments.
- Effectively use computer systems, software applications relevant to work performed, and modern business equipment to perform a variety of work tasks.
- Communicate clearly and concisely, both orally and in writing, using appropriate English grammar and syntax.
- Establish, maintain, and foster positive and effective working relationships with those contacted in the course of work.

Education and Experience:

Any combination of training and experience that would provide the required knowledge, skills and abilities is qualifying. A typical way to obtain the required qualifications would be:

Education:

> Possession of a high school diploma or G.E.D. required

Experience:

Two (2) years of increasingly responsible skilled journey-level experience in the maintenance and repair of associated with public buildings and related public facilities.

Licenses and Certifications:

> Possession of a valid Class "C" California Driver's License, to be maintained throughout employment.

PHYSICAL DEMANDS

When assigned to an office environment, must possess mobility to work in a standard office setting and use standard office equipment, including a computer; to operate a motor vehicle and visit various City sites; vision to read printed materials and a computer screen; and hearing and speech to communicate in person and over the telephone. Finger dexterity is needed to access, enter, and retrieve data using a computer keyboard or calculator and to operate standard office equipment. Positions in this classification occasionally bend, stoop, kneel, reach, push, and pull drawers open and closed to retrieve and file information.

Lead Worker - Facilities Page 4 of 4

When assigned to facilities field work, must possess mobility to work in changing site conditions; possess the strength, stamina, and mobility to perform light to medium physical work; to sit, stand, and walk on level, uneven, or slippery surfaces; to reach, twist, turn, kneel, and bend, to climb and descend ladders; and to operate a motor vehicle and visit various City sites; vision to inspect site conditions and work in progress. The job involves fieldwork requiring frequent walking in operational areas to identify problems or hazards, with exposure to hazardous materials in some site locations. Employees must possess the ability to lift, carry, push, and pull materials and objects averaging a weight of 50 pounds, or heavier weights, in all cases with the use of proper equipment and/or assistance from other staff.

ENVIRONMENTAL CONDITIONS

Employees work in an office environment with moderate noise levels, controlled temperature conditions, and no direct exposure to hazardous physical substances. Employees also work in the field and are exposed to loud noise levels, cold and hot temperatures, inclement weather conditions, road hazards, vibration, confining workspace, chemicals, mechanical and/or electrical hazards, and hazardous physical substances and fumes. Employees may interact with upset staff and/or public and private representatives in interpreting and enforcing departmental policies and procedures.

LEAD WORKER – WATER DISTRIBUTION

Under general supervision of the Chief Water Operations Manager or their designee leads, performs a wide variety of skilled tasks in the maintenance and repair of the City's water treatment plant and distribution system; and performs related work as required.

SUPERVISION RECEIVED AND EXERCISED

Receives general direction from the City's Chief Water Operations Manager or their designee. Exercises technical and functional direction over less experienced staff.

CLASS CHARACTERISTICS

This is the advanced journey level classification in the Water Service Technician series responsible for performing the most complex work assigned to the series. Incumbents regularly work on tasks which are varied and complex, requiring considerable discretion and independent judgment. Positions in the classification rely on experience and judgment to perform assigned duties. Assignments are given with general guidelines and incumbents are responsible for establishing objectives, timelines, and methods to complete assignments. Work is typically reviewed upon completion for soundness, appropriateness, and conformity to policy requirements.

EXAMPLES OF TYPICAL JOB FUNCTIONS (Illustrative Only)

Management reserves the right to add, modify, change, or rescind the work assignments of different positions and to make reasonable accommodations where appropriate so qualified employees can perform the essential functions of the job.

- Participates in the work of crews engaged in the maintenance and repair of the City's water treatment plant and distribution system.
- Establishes work priorities and schedules, assigns, oversees, and inspects the work of personnel engaged in water maintenance and repair activities.
- Participates in the selection of personnel, ensures the training of assigned personnel; assists in the performance evaluations.
- Provides on-the-job training and instruction in the proper and safe performance of the unit's work and in the use of tools and equipment; instructs personnel in the safe operation of equipment; sets up job sites, ensuring the use of safety rules, appropriate equipment, and proper work techniques.
- Sets up traffic control devices including barricades, cones, and other necessary delineation prior to the performance of maintenance or repair activities.
- Installs, repairs, and maintains components of the City's water system, including underground water mains, water service lines, and hydrants; excavates concrete, pavement, and soil materials; backfills trenches with appropriate materials.
- > Provides technical assistance to staff in resolving difficult problems encountered.
- Reads water meters; installs, replaces, repairs, and inspects residential and commercial water meters; calibrates meters to departmental standards; turns water services on and off as needed.
- Reads and records data at pumping station, treatment plant, and well gauges; computes water consumption; operates computerized Supervisory Control and Data Acquisition (SCADA) system.

- Performs general maintenance of system facilities, including but not limited to, painting pumps and appurtenances and cleaning equipment.
- > Investigates and repairs leaks in service assemblies; troubleshoots defects and irregularities.
- Utilizes proper safety precautions related to work performed; observes proper rigging practices and precautions in moving and hoisting heavy equipment; attends safety training sessions and seminars; responds to emergency calls during work and after normal working hours.
- Monitors water quality by taking routine water samples for testing; determines need for water treatment or flushing of water mains.
- Operates basic and heavy vehicles and equipment, including power and hand tools, trucks, equipment, and backhoes; performs preventive maintenance and light repairs on equipment; drives pick-up truck to various City facilities and other locations to transport supplies, parts, and other items.
- > Responds to questions and concerns from other departments and divisions.
- Responds to emergency situations, as necessary; serves on call; works weekends and holidays, as required.
- > Ensures staff observe and comply with all City and mandated safety rules, regulations, and protocols.
- Performs other duties as assigned.

QUALIFICATIONS

Knowledge of:

- Methods, techniques, materials, tools, and equipment used in the maintenance and repair of the City's water treatment plant and distribution system.
- Principles of providing functional direction and training.
- Operation and minor maintenance of a variety of hand and power tools and vehicles, and light to heavy power equipment.
- Operations and techniques for the operation of construction equipment such as backhoes and dump trucks.
- > Traffic control procedures and traffic sign regulations.
- Occupational hazards, safety precautions, and safe work practices including proper use and maintenance of power tools, vehicles, and equipment.
- Underground Service Alert (USA Dig-Alert) procedures.
- > Methods and techniques for record keeping and report preparation.
- Applicable federal, state, and local laws, rules, regulations, and procedures relevant to assigned areas of responsibility.
- > Hazards and proper safety precautions associated with the work.
- Mathematical calculations and conversions needed for water distribution functions.
- > Traffic laws, ordinances, and rules involved in truck and heavy equipment operations.
- Purposes and safe uses of a variety of vehicles, equipment, power tools, and hand tools including motorized and hydraulic equipment.
- > Principles and practices of water systems operation and maintenance.
- > City and mandated safety rules, regulations, and protocols.
- Techniques for providing a high level of customer service by effectively dealing with the public, vendors, contractors, and City staff.
- The structure and content of the English language, including the meaning and spelling of words, rules of composition, and grammar.

Modern equipment and communication tools used for business functions and program, project, and task coordination, including computers and software programs relevant to work performed.

Ability to:

- Perform construction, installation, maintenance, and repair work on water transmission and distribution systems, and related facilities and equipment, including water mains and service, water meters, and fire hydrants.
- Install and test water lines, water meters, fire hydrants, and related equipment involved in water hookups.
- Interpret work orders.
- Perform heavy manual labor.
- Make mathematical calculations and conversions needed for water distribution functions.
- ➤ Use and operate a variety of vehicles, hand tools, mechanical equipment, and power tools and equipment required for the work in a safe and efficient manner.
- > Read and interpret basic maps, electronic maps, water system atlas, address atlas, and blueprints.
- > Work safely and adhere to principles of safety when working near traffic or in other environments.
- Excavate concrete, pavement, and soil materials; backfill trenches with appropriate materials.
- Apply safe work practices including traffic control procedures, trench shoring, and confined space entry procedures.
- > Troubleshoot maintenance problems and determine materials and supplies required for repair.
- Maintain accurate logs, records, and basic written records of work performed.
- Understand and follow oral and written instructions.
- Understand, interpret, and apply all pertinent laws, codes, regulations, policies and procedures, and standards relevant to work performed.
- Use tact, initiative, prudence, and independent judgment within general policy and procedural guidelines.
- > Organize work, set priorities, meet critical deadlines, and follow-up on assignments.
- Effectively use computer systems, software applications relevant to work performed, and modern business equipment to perform a variety of work tasks.
- Communicate clearly and concisely, both orally and in writing, using appropriate English grammar and syntax.
- Establish, maintain, and foster positive and effective working relationships with those contacted in the course of work.

Education and Experience:

Any combination of training and experience that would provide the required knowledge, skills, and abilities is qualifying. A typical way to obtain the required qualifications would be:

Education:

> Possession of a high school diploma or G.E.D. required.

Lead Worker Water Distribution Page 4 of 4

Experience:

Four (4) years of increasingly responsible skilled advanced journey level experience in municipal water utility and water distribution.

Licenses and Certifications:

- > Possession of a valid Class "C" California Driver's License, to be maintained throughout employment.
- Possession of a valid Grade D-2 Water Distribution Operator certificate issued by the California Department of Public Health, to be maintained throughout employment.
- Possession of a valid Grade T-2 Water Treatment Operator Certificate, to be maintained throughout employment.

PHYSICAL DEMANDS

Must possess mobility to work in the field; strength, stamina, and mobility to perform medium to heavy physical work; to sit, stand, and walk on level, uneven, or slippery surfaces; frequently reach, twist, turn, kneel, bend, stoop, squat, crouch, grasp, and make repetitive hand movement in the performance of daily duties; possible entry into confined spaces and the use of confined entry equipment; to operate varied hand and power tools and construction equipment, and to operate a motor vehicle and visit various City sites; and vision to inspect and operate equipment. The job involves fieldwork requiring frequent walking in operational areas to identify problems or hazards. Finger dexterity is needed to operate and repair tools and equipment. Employees must possess the ability to lift, carry, push, and pull materials and objects averaging a weight of 50 pounds or heavier weights, in all cases with the use of proper equipment and/or assistance from other staff.

ENVIRONMENTAL CONDITIONS

Employees work in the field and are exposed to loud noise levels, cold and hot temperatures, inclement weather conditions, road hazards, vibration, confining workspace, chemicals, mechanical and/or electrical hazards, hazardous physical substances, and fumes, dust, and air contaminants. Employees may interact with upset staff and/or public and private representatives in interpreting and enforcing departmental policies and procedures.

LEAD WORKER – WATER TREATMENT

Under general supervision of the Chief Water Operations Manager or their designee leads, performs a wide variety of skilled tasks related to the maintenance and repair and preventative maintenance on pumps, reservoirs, controls, valves, telemetering, treatment facilities, and related equipment of the City's water treatment plant; and performs related work as required.

SUPERVISION RECEIVED AND EXERCISED

Receives general direction from the City's Chief Water Operations Manager or their designee. Exercises technical and functional direction over less experienced staff.

CLASS CHARACTERISTICS

This is the advanced journey level classification in the Water Treatment Plant Operator series responsible for performing the most complex work assigned to the series. Incumbents regularly work on tasks which are varied and complex, requiring considerable discretion and independent judgment. Positions in the classification rely on experience and judgment to perform assigned duties. Assignments are given with general guidelines and incumbents are responsible for establishing objectives, timelines, and methods to complete assignments. Work is typically reviewed upon completion for soundness, appropriateness, and conformity to policy requirements.

EXAMPLES OF TYPICAL JOB FUNCTIONS (Illustrative Only)

Management reserves the right to add, modify, change, or rescind the work assignments of different positions and to make reasonable accommodations where appropriate so qualified employees can perform the essential functions of the job.

- Participates in the work of crews engaged in the maintenance and repair and preventive maintenance on pumps, reservoirs, controls, valves, telemetering, treatment facilities, and related equipment of the City's water treatment plant.
- Establishes work priorities and schedules, assigns, oversees, and inspects the work of personnel engaged in water maintenance and repair activities.
- Participates in the selection of personnel, ensures the training of assigned personnel; assists in the performance evaluations.
- Provides on-the-job training and instruction in the proper and safe performance of the unit's work and in the use of tools and equipment; instructs personnel in the safe operation of equipment; sets up job sites, ensuring the use of safety rules, appropriate equipment, and proper work techniques.
- Checks chlorine tank levels along with free chlorine residuals in treated water; maintains accurate data logs.
- Installs, repairs, operates, inspects, and maintains the City's water production system including well sites, water storage facilities, booster pump stations, well treatment, and related systems to ensure integrity, security, and proper operation, checks site security; maintains and makes repairs to grounds, structures, and equipment at well sites, water storage tanks, and booster pump stations.
- Operates, calibrates, and programs various water production testing and monitoring equipment, such as chlorine residual testers, vibration analyzers, micrometers, pressure transducers, flow switches, flow meters, pressure gauges, pressure recorders, analyzers, and programmable logic controllers (PLC's).

- Safely handles, transports, and monitors chemicals such as chlorine, sodium hypochlorite, sodium bisulfate, and other chemicals and compounds used in water production, filtration, and storage; maintains accurate records of chemicals used.
- Operates the City's water system remotely using the Supervisory Control and Data Acquisition (SCADA) computer control system; effectively and expediently corrects routine and complex system faults and alarms; makes appropriate setpoint changes; monitors system for adequate water delivery flows and pressures.
- Performs and applies water mathematical calculations to determine dosages, feed rates, flows, pressures, volumes, and areas.
- Installs, repairs, and maintains water quality sampling stations; takes and delivers water samples to the City's laboratory for testing; takes bacteriological samples for water quality analysis.
- Researches, analyzes, and makes alternative recommendations to improve the efficiency, operations, and safety of City water production and storage facilities.
- Participates in the planning and construction of well site retrofit rehabilitation projects; assists in reviewing electrical and construction plans; provides input on correctness or deficiencies of plans.
- Receives work orders electronically; prepares, maintains, and inputs detailed logs, records, and reports of maintenance and repair activities via mobile and stationary digital devices into automated software systems.
- Operates, maintains, and performs minor repairs of the City's water system emergency power generators.
- > Observes and complies with all City and mandated safety rules, regulations, and protocols.
- > Provides technical assistance to staff in resolving difficult problems encountered.
- Responds to questions and concerns from other departments and divisions.
- Responds to emergency situations, as necessary; serves on call; works weekends and holidays, as required.
- > Ensures staff observe and comply with all City and mandated safety rules, regulations, and protocols.
- > Performs other duties as assigned.

QUALIFICATIONS

Knowledge of:

- Methods, techniques, materials, tools, and equipment used in the maintenance and repair of the City's water treatment plant.
- Principles of providing functional direction and training.
- Principles of automation, hydraulics, mechanics, and electricity as applied to water pressure and water pumping operations.
- Equipment, tools, and procedures involved in the installation, maintenance, and repair of water production, water treatment, and water distribution systems, and related equipment and facilities.
- Quality control practices, methods, and techniques of conducting sampling.
- Basic water hydraulics.
- SCADA telemetry components and computer software operation.
- Safe storage, handling, and usage of chemicals and compounds used in water production and treatment.
- Federal, state, and local statutes, codes, and regulations relevant to assigned areas of responsibility.

- > Mathematical formulas used in water production and treatment.
- Operational characteristics of pumps, motors, analyzers, programmable logic controllers, emergency power generators, and related water system equipment.
- City and mandated safety rules, regulations, and protocols.
- Techniques for providing a high level of customer service by effectively dealing with the public, vendors, contractors, and City staff.
- The structure and content of the English language, including the meaning and spelling of words, rules of composition, and grammar.
- Modern equipment and communication tools used for business functions and program, project, and task coordination, including computers and software programs relevant to work performed.
- > Methods and techniques for record keeping and report preparation.
- Applicable federal, state, and local laws, rules, regulations, and procedures relevant to assigned areas of responsibility.
- > Hazards and proper safety precautions associated with the work.

Ability to:

- > Perform maintenance and repair work on water production and distribution systems.
- Read, interpret, collect, and record data accurately.
- Safely and effectively use and operate a variety of diagnostic equipment, power and hand tools, mechanical equipment, and light to heavy equipment used in water production and distribution systems maintenance such as trucks, forklifts, jackhammers, light cranes, and pneumatic tools.
- Collect water samples for testing.
- > Maintain accurate logs, records, and written records of work performed.
- Accurately calculate mathematical formulas used in water production and water treatment.
- Read and interpret maps, graphs, construction plans, water system plans, and technical information.
- Fabricate, install, repair, and replace customized and manufactured parts and equipment used at City water production and storage facilities.
- > Troubleshoot and repair mechanical and operational problems.
- Recognize unusual and dangerous work situations and proper remedies.
- > Observe safety principles and work in a safe manner.
- Research and recommend new technology, regulations, and procedures.
- Remain knowledgeable of best practices and procedures and water industry standards.
- > Operate SCADA controls and correct faults and alarms.
- Use tact, initiative, prudence, and independent judgment within general policy and procedural guidelines.
- > Independently organize work, set priorities, meet critical deadlines, and follow-up on assignments.
- Effectively use computer systems, software applications relevant to work performed, and modern business equipment to perform a variety of work tasks.
- Communicate clearly and concisely, both orally and in writing, using appropriate English grammar and syntax; understand and follow oral and written instructions.
- Understand, interpret, and apply all pertinent laws, codes, regulations, policies and procedures, and standards relevant to work performed.
- Effectively use computer systems, software applications relevant to work performed, and modern business equipment to perform a variety of work tasks.
- Establish, maintain, and foster positive and effective working relationships with those contacted in the course of work.

Education and Experience:

Any combination of training and experience that would provide the required knowledge, skills, and abilities is qualifying. A typical way to obtain the required qualifications would be:

Lead Worker Water Treatment Page 4 of 4

Education:

> Possession of a high school diploma or G.E.D. required.

Experience:

Four (4) years of increasingly responsible skilled advanced journey level experience in municipal water utility and water distribution.

Licenses and Certifications:

- > Possession of a valid Class "C" California Driver's License, to be maintained throughout employment.
- Possession of a valid Grade D3 Water Distribution Operator certificate issued by the California Department of Public Health, to be maintained throughout employment.
- Possession of a valid Grade T2 Water Treatment Operator Certificate, to be maintained throughout employment.
- Possession of a valid Cross Connection Control Specialist Certificate, to be maintained throughout employment.

PHYSICAL DEMANDS

Must possess mobility to work in the field; strength, stamina, and mobility to perform medium to heavy physical work; to sit, stand, and walk on level, uneven, or slippery surfaces; frequently reach, twist, turn, kneel, bend, stoop, squat, crouch, grasp, and make repetitive hand movement in the performance of daily duties; possible entry into confined spaces and the use of confined entry equipment; to operate varied hand and power tools and construction equipment, and to operate a motor vehicle and visit various City sites; and vision to inspect and operate equipment. The job involves fieldwork requiring frequent walking in operational areas to identify problems or hazards. Finger dexterity is needed to operate and repair tools and equipment. Employees must possess the ability to lift, carry, push, and pull materials and objects averaging a weight of 50 pounds or heavier weights, in all cases with the use of proper equipment and/or assistance from other staff.

ENVIRONMENTAL CONDITIONS

Employees work in the field and are exposed to loud noise levels, cold and hot temperatures, inclement weather conditions, road hazards, vibration, confining workspace, chemicals, mechanical and/or electrical hazards, hazardous physical substances, and fumes, dust, and air contaminants. Employees may interact with upset staff and/or public and private representatives in interpreting and enforcing departmental policies and procedures.

October 2023 FLSA: Non-Exempt

RECREATION COORDINATOR

Under general supervision assists in planning, coordinating, and implementing recreation programs and community activities. Serves as the lead staff person and supervises part-time recreation staff. Provides support for the Lomita Railroad Museum; performs a variety of clerical duties in support of program operations; and performs related work as required.

SUPERVISION RECEIVED AND EXERCISED

Receives direction from assigned supervisory or management personnel. Exercises technical and functional direction over and provides training to less experienced staff.

CLASS CHARACTERISTICS

This is the advanced journey level classification in the Recreation Leader series responsible for performing the most complex work assigned to the series. Incumbents regularly work on tasks which are varied and complex, requiring considerable discretion and independent judgment. Positions in the classification rely on experience and judgment to ensure efficient and effective servicing function of the assigned program areas. Assignments are given with general guidelines and incumbents are responsible for establishing objectives, timelines, and methods to deliver services. Work is typically reviewed upon completion for soundness, appropriateness, and conformity to policy and requirements. The Recreation Coordinator class series is distinguished from the Recreation Supervisor in that the latter has full supervisory authority over other employees.

EXAMPLES OF TYPICAL JOB FUNCTIONS (Illustrative Only)

Management reserves the right to add, modify, change, or rescind the work assignments of different positions and to make reasonable accommodations where appropriate so qualified employees can perform the essential functions of the job.

- Plans, implements, and schedules programs, activities, and special events in assigned areas, including youth and adult sports, youth and teen programs, volunteers, older adults, and/or registration.

- > Possession of a valid California Driver's License, to be maintained throughout employment.
- > Possession of a valid certification in CPR and First Aid, to be maintained throughout employment.

PHYSICAL DEMANDS

When assigned to an office environment, must possess mobility to work in a standard office setting and use standard office equipment, including a computer; to operate a motor vehicle and visit various District and meeting sites; vision to read printed materials and a computer screen; and hearing and speech to communicate in person and over the telephone; ability to stand and walk between work areas may be required. Finger dexterity is needed to access, enter, and retrieve data using a computer keyboard or calculator and to operate standard office equipment. Positions in this classification occasionally bend, stoop, kneel, reach, push, and pull drawers open and closed to retrieve and file information.

When working in an external environment, position requires sitting, standing, walking on slippery surfaces, reaching, twisting, turning, kneeling, bending, stopping, squatting, crouching, grasping, and making repetitive hand movement in the performance of daily duties. The position also requires frequent jogging, jumping, kicking, throwing, grasping, repetitive hand movement, and fine coordination when coaching and officiating sports activities. Visual acuity required for this position includes close vision, distance vision, peripheral vision, and ability to focus with or without the use of corrective lenses; position also requires the ability to hear in the normal audio range with or without the use of a corrective device. Employees must possess the ability to lift, carry, push, and pull materials and objects averaging a weight of 25 pounds, or heavier weights, in all cases with the use of proper equipment and/or assistance from other staff.

ENVIRONMENTAL CONDITIONS

Employees work primarily in an outdoor environment and are exposed to outside weather conditions that are mild; however, exposure to inclement weather conditions may occur occasionally. The noise level in the work environment is usually moderate; however, the incumbent may be exposed to high noise levels at sporting events and other special events.

When working in an office environment, the incumbent is exposed to moderate noise levels, controlled temperature conditions, and no direct exposure to hazardous physical substances. Employees also work in the field and are exposed to loud noise levels, cold and hot temperatures, inclement weather conditions, road hazards, vibration, chemicals, mechanical and/or electrical hazards, hazardous physical substances and fumes, dust and air contaminants. Employees may interact with upset staff and/or public and private representatives in interpreting and enforcing departmental policies and procedures.

WORKING CONDITIONS

May be required to work evenings and weekend shifts.
