

DEAR FRIENDS OF LOMITA,

I hope this letter finds you well. I am writing on behalf of the City of Lomita as we gear up to celebrate a milestone occasion – a celebration marking Lomita's 60 years of cityhood. We are excited to embark on this journey, and we are reaching out to you, our valued friends and partners, for your support.

Over the course of the upcoming year, we have planned a series of community events that will not only commemorate our six decades of service but also engage and celebrate our community. We would be honored to have your friendly organization join us in making this year truly special by sponsoring one of our events or programs from our sponsorship packet, attached for your reference.

Our Sponsorship Packet includes a variety of opportunities for your organization to become an integral part of our celebration. We have carefully designed these options to cater to different budget levels, ensuring that there is a meaningful opportunity for everyone to contribute to this momentous milestone. Your generous support will help us enhance the quality of our events, reach a wider audience, and leave a lasting impact on our community.

We believe that partnering with the City of Lomita on one of these events would not only be a mutually beneficial endeavor but also a meaningful way to strengthen our ties with the community. Your support will be prominently acknowledged during our events and in our promotional materials, showcasing your commitment to the well-being and growth of our community.

If you are interested in becoming a sponsor or would like to discuss these opportunities further, please do not hesitate to contact me at E.kelley@lomitacity.com or (310) 326-0140. We are more than willing to work with you to tailor a sponsorship package that aligns with your organization's goals and values. If you see a package that best suits your organization please select the package of choice and return your form and sponsorship to Lomita City Hall, 24428 Narbonne Ave Lomita, CA 90717. Attention Emma Kelley.
