PROFILE OF LOMITA

The City of Lomita is located 26 miles south of downtown Los Angeles and is bounded by the City of Torrance on the north and west, the City of Los Angeles to the east, and the City of Rolling Hills Estates on the southwest. Southeast of Lomita is the City of Rancho Palos Verdes and unincorporated County land. The City's total land area is 1,196.8 acres or 1.97 square miles.

The City of Lomita "began" as a residential tract (Lomita Subdivision) in the early 1900s. In 1907, the Lomita Subdivision covered seven square miles. As the lots were sold, water wells, a school, a general store (with a post office), and other businesses soon followed. In 1909, churches were built and in 1920, the Bank of Lomita was established.

In 1923, oil in the area was discovered while drilling for water. The resulting "oil boom" in the area led to the conversion of residential lots into oil fields. Rapid growth occurred in the Lomita area, as egg ranches, fruit orchards and agricultural uses formed the community. Lomita became a center for the agriculture and oil extraction activities in the South Bay area.

In the 1940s and 1950s, portions of the Lomita Subdivision were annexed by adjacent cities. By 1964, only 1.97 square miles of the Lomita Subdivision remained when the City of Lomita finally incorporated. Lomita is a contract City with a Council-Manager form of government. The City Council is elected at large to four-year terms. The Mayor is selected by the City Council for a one-year term.

Today, the City is almost completely developed, and the remaining vacant land is limited to scattered parcels. Existing development in the City is characterized by residential neighborhoods at varying densities, with commercial uses concentrated along Pacific Coast Highway, Lomita Boulevard, Crenshaw Boulevard, Narbonne Avenue and Western Avenue.

The Lomita Railroad Museum is the only one of its kind west of Denver, Colorado, and was made possible through the generosity of Mrs. Irene Lewis who donated the museum to the City in honor of her late husband. Complete authenticity is the hallmark of the museum that is dedicated to the proud era of the steam engine.

In 1990 the City took over Water District 13 from the County of Los Angeles and has been successfully operating its own water department ever since.

BUDGET USER'S GUIDE

BUDGET USER'S GUIDE

The Lomita City Council adopts the Annual Budget by formal resolution, prior to July 1st of each year. The budget serves as a financial plan for the City which identifies the projected allocation and application of resources over the budget cycle.

The Annual Budget is designed to present summary information about the City's financial plans for the year in a user-friendly format. The Budget is organized by department, and the programs within the departments. Expenditures are displayed and subtotaled by type:

- Salaries & Benefits
- Operating Expenditures
- Capital Outlay.

The Budget Summary illustrates the fund(s) to which a program allocates its expenditures. The Annual Budget also includes the following sections:

Introduction Section: Includes the Table of Contents, List of City Officials, City Organization Chart, Profile of Lomita, and Facts & Figures About Lomita.

City of Lomita Budget User's Guide: Includes overview of Annual Budget, detailing city-wide revenues, expenditures, and fund balances.

Operating Budgets: Includes program budgets by department, with narratives highlighting the prior year accomplishments, explaining the function of the program, uses and sources of funds, line-item detail, budget comment worksheets, and department salary expense worksheets.

Appendix: Includes Revenue Fund Definitions and Authorized Uses, Glossary of Terms, and Acronyms List.

BUDGET PROCESS

The City's budget process begins with the distribution of a Budget Preparation manual, which contains:

- Budget Schedule
- Current Organization Chart
- Accomplishments (prior year document) for updating
- Revenue Worksheets
- Expenditure Worksheets
- Capital Improvement Program Worksheets
- Budget Comment Worksheets

Line-item budget development is accomplished through the City's financial system, which allows each department to build its budget using computerized worksheets. The individual departments are directly responsible for developing the Materials & Supplies line items and part-time employees' salaries. The remaining Salary & Benefit information is calculated and entered by the Administrative Services Department.

BUDGET USER'S GUIDE

All supplemental budget requests (new personnel, service, or equipment) are presented on separate forms and are subject to City Manager review and approval before becoming part of the operating budget. All proposed budget information is compiled, printed, and distributed to the City Manager, Assistant City Manager, and the Department Directors. The revenue estimates are reviewed with the department budget requests to determine available funding levels for the fiscal year. The City Manager, Assistant City Manager, and Administrative Services Director then meet with the departments to review the operating and supplemental budget requests.

Once the budget data has been reviewed and all changes have been made by the Administrative Services Department, a Proposed Budget is prepared. After final review and approval by the City Manager and Assistant City Manager, the Proposed Budget is presented to the City Council at a scheduled Budget Study Session. Prior to June 30, a Public Hearing is held by the City Council, and the Annual Budget is adopted by resolution.

During the fiscal year, the budget can be amended as necessary to meet the City's needs. The City Council has the legal authority to amend the budget at any time. Department Directors may only authorize expenditures based on appropriations previously approved by City Council action, and only from accounts under their organizational responsibility. Actual expenditures may exceed budget appropriations by line-item but may not exceed the department's budget. The City Manager has the authority to approve interdepartmental appropriation transfers as long as they are within the same fund. Interfund transfers require a budget amendment by the City Council.

BASIC ACCOUNTING

City of Lomita's accounting system is maintained on a fund basis, in accordance with governmental accounting standards. Each of the City's twenty-eight funds is considered a separate accounting entity with a self-balancing set of accounts that records assets, liabilities, fund equity, revenues, and expenditures. Funds are established and segregated for the purpose of recording specific programs or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

Funds are classified into one of three categories: *governmental* (general, special revenue, debt service, and capital projects), *proprietary* (enterprise and internal service), and *fiduciary* (trust and agency). Governmental funds account for activities usually associated with a typical state or local government's operation. Proprietary funds are financed and operated in a manner similar to private business enterprises, where the intent is to recover the costs of providing goods and services from user charges. Fiduciary funds are utilized in situations where the government is acting in a fiduciary capacity as a trustee or an agent.

All governmental funds are budgeted and accounted for using the modified accrual basis of accounting, which recognizes revenues when they become susceptible to accrual, i.e., measurable, and available. Available means collectible in the current period or soon enough thereafter to be used to pay liabilities of the current period. Examples of such revenues include property tax, sales tax, and interest earnings. Expenditures are recognized when the fund liability is incurred.

BUDGET USER'S GUIDE

Proprietary fund revenues and expenses are budgeted and accounted for on an accrual basis. Revenues are recognized in the period when earned, and expenses are recognized when incurred. The following Classification of Funds describes, in detail, the various types of funds and their purpose as established by the City of Lomita.

CLASSIFICATION OF FUNDS

GOVERNMENTAL FUND TYPES:

General Fund

The General Fund is used to account for resources traditionally associated with general government which are not required to be accounted for in a separate fund including: sales tax which includes Measure L, property tax, transient occupancy tax, licenses and permits, fines, and forfeitures. This fund is used to finance most of the basis municipal functions, such as general administration, public safety, parks and recreation, and community development.

Special Revenue Funds

The Gas Tax Fund is used to account for the City's share of State and County gasoline tax collection in accordance with the provisions of the State of California Streets and Highway Code. Revenues are disbursed by the State based on population and must be used towards the maintenance and repair of City streets that serve as State and County thoroughfares.

Measure R Fund is used to fund projects such as pothole repairs, major street resurfacing, left-turn signals, bikeways, pedestrian improvements, streetscapes, traffic signal synchronization and local transit services.

Measure M Fund is used to fund projects such as repair and maintenance of public roadways, pavement maintenance, slurry and rubberized seals, chip seals, pothole repair, pavement rehabilitation, roadway construction or reconstruction, utility undergrounding, curb, gutter, sidewalk, tress, roadway signage, median and parkway improvements, and storm drain systems in connection with any roadway improvements.

Measure W Fund is used to fund projects dedicated to increase local water supply, improve water quality, and protect public health.

Community Development Block Grant Fund is used to account for federal grants for programs benefiting low-income persons and/or families.

The Proposition A Fund is used to account for proceeds from the half-cent sales taxes generated by the approval of Proposition A by Los Angeles County voters. These funds, which are administered by the Los Angeles County Metropolitan Transportation Authority (MTA), are distributed based on population, and must be used for transportation-related projects.

BUDGET USER'S GUIDE

The Proposition C Fund is used to account for proceeds from the half-cent sales taxes generated by the approval of Proposition C by Los Angeles County voters. These funds, which are administered by the Los Angeles County Metropolitan Transportation Authority (MTA), are distributed based on population, and must be used for transportation-related projects.

Transportation Development Act Article 3 (TDA 3) Fund is used to account for funds from MTA that must be used for pedestrian, bicycle, or bicycle-related projects or programs.

The AB 2766 Fund is used to account for proceeds received from the additional vehicle registration fee imposed by the State and regulated by the Air Quality Management District (AQMD). These funds are distributed based on population and must be used for programs designed to reduce air pollution from motor vehicles.

The Landscape Maintenance Fund provides for the utilities, maintenance, and capital improvements for the Palos Verdes bicycle path within the City of Lomita. Money is received from a special assessment placed on each tax bill of property owners in Assessment District No 1.

Park Facilities Fund is used to account for Park Development Tax and Quimby Act funds.

Park Athletic Fund is used to account for user charges for park athletic programs.

Park Grant Fund is used to account for State Parks and Recreation Grants.

Lomita Manor Development Fund is used to account for the local U.S. Housing and Urban Development (HUD) conventional housing programs of the City-owned senior housing complex, Lomita Manor.

American Rescue Plan 2021 Funding provides emergency funding for local governments to remedy the mismatch between rising costs and falling revenues. Funding will help cover the costs incurred due to responding to the public health emergency and provide support for recovery – including assistance to households, small businesses and nonprofits, aid to impacted industries, and support for essential workers. Funding provides resources to invest in infrastructure, including water, sewer, and broadband services.

Capital Projects Fund

The Capital Improvement Fund is used to account for capital projects not eligible for funding from other specific funding sources. The City established the fund in fiscal year 2001-2002, and the funding source is from transfers from the General Fund. Specific projects and their budgets are described in detail in the City's Capital Improvement Plan.

PROPRIETARY FUND TYPES:

Enterprise Funds

On August 28, 2008, the City issued the Series 2008 Revenue Certificates of Participation Bonds in the amount of \$7,550,000. The purpose of the bonds was to finance capital

BUDGET USER'S GUIDE

improvements to the City Water System. The Bonds are payable solely from the net revenues of the Water System of the City.

On May 4, 2016, the City refunded the Series 2008 Revenue Certificates of Participation Bonds and re-issued the City of Lomita Water Revenue Refunding Bonds, Series 2016 through a Private Placement Agreement with City National Bank in the amount of \$7,200,000. The purpose of the refunding was to secure a lower fixed interest rate of 3.25%. The Bonds are payable solely from the net revenues of the Water System of the City.

On July 1, 2021, the City refunded the Series 2016 Water Revenue Refunding Bonds and re-issued the City of Lomita 2021 Water Revenue Refunding Bonds through a Private Placement Agreement with Capital One Public Financing in the amount of \$6,081,000. The purpose of the refunding was to secure a lower fixed interest rate of 2.20%. The Bonds are payable solely from the net revenues of the Water System of the City.

The Water Operating Fund is used to account for the operation of the City's water utility system. Revenues are generated from user fees, which are adjusted periodically to meet the costs of administration, operation, maintenance, and capital improvements to the system.

The Water Capital Fund is used to account for capital improvements to the City Water System. This includes ongoing Water Main Replacement and Waterline Replacement Projects.

The Rate Stabilization Fund is a designated transfer from the Water Capital Fund as required for the Cypress Reservoir Bond.

Internal Service Funds

The Equipment Replacement Fund is used to account for the City's cost of maintenance replacing the City's capital assets. City departments are the primary users of these services and are charged a fee on a cost reimbursement basis.

The Park Equipment Replacement Fund is used to bill departments for park equipment replacement on a scheduled basis. Equipment is defined as major equipment, having a multi-year life expectancy and a depreciation value.

The Sewer Replacement Fund is used to account for sanitary sewer-related projects as needed: Projects such as pipeline upgrades, regulatory requirements, and planning documents.

FIDUCIARY FUND TYPES:

Trust & Agency Funds

The Railroad Foundation Fund is used to report a trust arrangement. All resources of these funds including any earnings on investments must be used for specific purposes as set forth in the trust agreement.

BUDGET USER'S GUIDE

Tom Rico Memorial Fund is used to report a trust arrangement. All resources of these funds including any earnings on investments must be used for specific purposes as set forth in the trust agreement.

City of Lomita

City Attorney

The City of Lomita contracts with the firm of Best Best & Krieger for City Attorney services, with Christi Hugin serving as the primary City Attorney. This allows Lomita access to a full range of legal services that would not be otherwise available to a city the size of Lomita. The City Attorney, as chief legal advisor to the City, renders advice to the City Council, Commissions and Committees, and to City officers and employees. The City Attorney attends all City Council meetings and handles all lawsuits, matters and proceedings in which the City has a legal interest. The Attorney also prepares opinions, ordinances, resolutions, motions, contracts and other legal documents.

CITY OF LOMITA
FY 2023-2024 ACCOMPLISHMENTS
ADMINISTRATIVE SERVICES DEPARTMENT

The mission of the Administrative Services Department is to provide timely, accurate financial information to help support the efficient and effective delivery of municipal services to the City organization and public. Primary responsibilities of the Administrative Services Department include cash and investment management, financial reporting, budget preparation, payroll, accounts receivable and payable, financial oversight, business licensing, purchasing and administration of all City funds and accounts. The Administrative Services Department has accomplished the following during FY 2023-2024:

Finance/Accounting:

- Presented a structurally balanced biennial budget to City Council for adoption.
- Established and maintained an accounting system of funds, accounts, and internal controls in accordance with Governmental Accounting Standards Board standards and Generally Accepted Accounting Principles.
- Prepared year-end closing entries, balanced and reconciled all funds, and accounts, coordinated and communicated with the City's independent auditors, and prepared the Comprehensive Annual Financial Report for FY 2022-23.
- Prepared and submitted fiscal reports, including compliance audits of grant funds, State Controller's Report, and various reports to State and Federal agencies, in an accurate and timely manner.
- Provide financial analysis and fiscal information to department users, management, and the City Council as needed.
- Manage and provide oversight of the City's long-term debt and investment portfolio.
- Issued 1099s for calendar year 2023.
- Received the Government Finance Officers Association (GFOA) Certificate of Achievement for Excellence in Financial Reporting for Fiscal Year Ending 2022-23.

Payroll:

- Completed annual reporting for the Affordable Care Act (ACA) for 2023.
- Completed the State Controller's Compensation Report.

- Coordinated open enrollment for employee insurance plans.
- Processed payments to the Public Employees Retirement System (PERS) and reconciled to reports and payroll withholdings.
- Maintained the payroll system to reflect annual changes in tax tables, employee contracts, dues, or other items for paycheck accuracy.
- Performed electronic fund transfers for direct deposits, PERS, deferred compensation, and taxes.
- Made tax payments and filed quarterly tax reports.
- Issued W-2s for calendar year 2023.
- Established and maintained time & attendance system to eliminate paper timesheets, automated the timesheet preparation and approval process to create more efficiency.

Administrative Services

The Financial Services Division is comprised of several areas of responsibility. Administration oversees preparation of the Annual Operating Budget, Annual Comprehensive Financial Report (ACFR), and investment of funds in accordance with the City's investment policy. Accounting directs all financial reporting activities in accordance with Generally Accepted Accounting Principles (GAAP) and Governmental Accounting Standards Board (GASB) guidelines. Business License collects fees for annual licenses, facilitates hearing boards and assures compliance with code enforcement regulations; this section also collects and records all revenue received by the City. Purchasing ensures that all procurements are made in accordance with the City's Purchasing Ordinance. Payroll processes paychecks, tax forms (1099s and W2s) and required payroll reports. Accounts Payable ensures payment of invoices and monitors all departments' compliance with the approved budget.

**COMMUNITY & ECONOMIC
DEVELOPMENT
DEPARTMENT**

CITY OF LOMITA
FY 2023-2024 ACCOMPLISHMENTS
COMMUNITY & ECONOMIC DEVELOPMENT DEPARTMENT

The Community and Economic Development Department includes the Divisions of Planning, Code Enforcement, and Economic Development and oversees the contract with Los Angeles County Building and Safety. The department also staffs the Planning Commission and City Council meetings. The department accomplished the following projects during FY 2023-2024.

Economic Development:

- Adopted several business-encouraging ordinances ordinance including the allowance of outdoor dining, designated parking, time-limited parking, wayfinding signage, and indoor recreation.
- Initiated citywide signage/branding update.
- Launched Graffiti Abatement Campaign, including: (1) articles and visual information on tips for deterring graffiti and existing City laws marketed in the City's newsletters; (2) creation of a new landing page for all graffiti-related resources; (3) elementary school graffiti education and mural contest resulting in the first City-sponsored professional mural at Lomita Park; (4) setting up a framework for annual mural projects and a Downtown Lomita kick-starter murals project; (5) significant decrease of fees related to City mural review; and (6) implementation of permissive removal fee and process.
- Developed plan to expand entrepreneurship and improve business ownership with Lomita through winning selection for the USC Sunstone Business Improvement Program.
- Proactively promoted private investment in Lomita including a handout advertising opportunities presented by the upcoming General Plan Update, recent properties for sale, and the USC/Sunstone team's economic development recommendations for business ownership in Lomita
- Marketed quarterly update of upcoming businesses & developments, including the city's first Target and Grocery Outlet stores.
- Continued to award businesses through the ARPA-funded Façade Improvement Program and Job Creation Program, depleting the fund.

Planning:

- Adopted several housing-related ordinances, including for accessory dwelling units, affordable housing incentives for 4 or fewer residential units within the Downtown-Commercial District, allowance of two-story accessory dwelling units on certain types of properties through a conditional use permit, updating lot design standards, and expanding zoning districts where the keeping of chickens is allowed.
- General Plan Update: completed the Existing Conditions Report, implemented a comprehensive public engagement strategy, selected a Preferred Future Land Use Plan, hosted the Draft Environmental Impact Report Scoping Meeting, culminated eight meetings of a General Plan Advisory Committee, and finalized the General Plan Update's goals and policies by element (land use, circulation, economic development, resource management, and noise) in accordance with all public input. The City is on track for the rezoning to be completed by the October 15, 2024 State deadline.
- Conducted an inclusionary housing feasibility analysis.
- Fully implemented online permitting system for all application types and continuously made improvements to the system for both staff and public experience/functionality.
- Revised and streamlined project review process across governmental entities including comprehensive inspection process coordination with Los Angeles County Building & Safety.
- Initiated expense of GIS software, first for internal process improvements and data availability with extensive plans for future implementation for public transparency.
- Developed new "Additional Housing Resources" webpage with information on accessory dwelling units, accessibility regulations and standards, Section 8 housing, Homebuyer Assistance Programs, Fair Housing, and energy conservation, which was also shared in the City's newsletter and social media outlets.
- Conducted over 30 public meetings including Planning Commission meetings, General Plan Update public workshops, and Advisory Committee meetings.
- Met with countless property owners and processed applications for site plan review, special event permit, conditional use permit, zone variance, parcel map, tract map, solar, wireless facilities, and zone text amendment including reports for City Council and Planning Commission consideration.
- Processed 1,200+ building permit applications.
- Produced 90+ residential property reports to advise new homebuyers of existing permits and code violations.
- Issued 500+ business and home occupation zone clearances.

- Reevaluated application fees twice to ensure fees cover necessary work but are not discouraging.
- Continued monitoring and communicating formal positions on proposed bills and providing feedback on bill effectiveness to State and Federal representatives.
- Dedicated time every month to grant research and development.
- Reviewed adjacent jurisdictions' discretionary projects for impacts on Lomita.

Code Enforcement:

- Hired code enforcement officer and promoted code enforcement supervisor.
- Addressed 650+ code complaints.
- Achieved code compliance at 400+ properties.
- Removed 700+ instances of graffiti & dumping.
- Adopted ordinances to update code enforcement citation appeals process and to update massage business regulations.
- Fully implemented digital citations process to encourage compliance by collecting upon code enforcement citations.
- Worked closely with the Los Angeles County Sheriff's Department to identify and resolve homeless encampments, abandoned property, graffiti locations, and other illegal and high-risk activity occurring within the City.
- Enacted special focus projects including business license enforcement, signage of closed businesses, abandoned newspaper stands, public nuisances, homeless counting, and implementation of permissive removal for graffiti.
- Code enforcement staff opened cases on dwellings constructed or converted without building permits and secured several vacant unsecured buildings to reduce risk of fire related to unsafe structures or hazardous conditions related to vegetation or outdoor storage. Collaborated with planning department to identify, list, and act on illegal units. Maintained running list of those units for future Code Enforcement action.
- Tended to the tragedy at 2110 Palos Verdes Drive North including inspections, enforcing Red-Tagged unit access, attempts to assist in securing the building, manning the City's booth at the Resource Center on Friday, April 5, and advising property owners regarding steps to move forward with demolition and/or reconstruction.

PUBLIC WORKS DEPARTMENT

CITY OF LOMITA
FY 2022-2023 & 2023-2024 ACCOMPLISHMENTS
PUBLIC WORKS DEPARTMENT

The Public Works Department consists of the Public Works Administration, Street Maintenance, Tree Maintenance, Water System Operations and Maintenance, and Safety Compliance Divisions. The Public Works Department accomplished the following during FY 2022-2023 and 2023-24:

Public Works Administration / Capital Improvement Program

Public Works Administration is responsible for overseeing the design, plan checking, and inspection of the City's infrastructure (water, sewer, storm drains, streets, signals, and street), and administering the traffic engineering program. In addition, the division provides project management and program management for the City's Capital Improvement Program (CIP), management of the City's geographical information system (GIS), and all water utility reporting.

- Completed the reconstruction of streets in city zones C and F.
- Continued construction on the Cypress Water Production Facility (CWPF) Upgrade project for additional Granular Activated Carbon filtration units at the CWPF to address benzene removal and aesthetic improvements.
- Completed the design and began construction of the 247th Area Water Main Replacement Project.
- Began the design of the Narbonne Avenue Water Replacement and Street Rehabilitation Project.
- Completed a feasibility study for a New Groundwater Well.
- Completed the design for the reconstruction of streets in city zone G.
- Began the design for Water Main Replacements in Zone G, including Walnut St (253rd to Lomita Blvd., 247th Place, and Ebony Lane).
- Completed design and installation of an emergency generator at Appian Way Pump Station.
- Completed the design of a new roof at Appian Way Pump Station.
- Began the design for restroom upgrades and roof replacement for the Stephenson Center.

- Began the design for roof replacements of the Tom Rico Center Gymnasium and the Railroad Museum.
- Began the design for the Downtown Lomita Multi-Benefit Stormwater Project.
- Completed the Sewer Master Plan study.
- Completed the 2024 Pavement Management System Update.
- Initiated the Citywide School Loading Zone Study to address traffic and safety during drop-off and pick up times around schools.
- Completed a Traffic Calming Evaluation and Toolkit.
- Reviewed and approved water and other utility plans for development projects. Reviewed and approved 170 encroachment permits.
- Conducted regular Technical Traffic Advisory Committee (TTAC) meetings and staffed the Public Safety and Traffic Commission. The TTAC received and evaluated 46 traffic-related concerns.
- Coordinated acquisition of GIS licensing and creation of an on-line GIS portal for future online public access. Staff continued to update existing maps and create new City data maps.
- Continued partnering with Los Angeles County, City of Los Angeles, and other partner cities to administer the Coordinated Integrated Monitoring Program (CIMP) for the Dominguez Channel Watershed Management Area to meet the Los Angeles County Area-wide MS4 Permit requirements. Submitted the City's NPDES annual reports to Los Angeles Regional Water Quality Control Board. In 2023, a new Watershed Management mid-year report was required and submitted.
- Prepared the 2022 and 2023 Consumer Confidence Reports, distributed them to all water customers via electronic methods, and submitted them to the State.
- Completed the City's 2021 and 2022 annual Water Loss Audits, pursuant to SB 555.
- Completed the 2022 and 2023 Electronic Annual Reports (eARS) for the water system, in conjunction with the City's first Annual Inventory Report, as required by the State.
- Prepared and submitted the City's first Annual Water Use Report in 2023, pursuant to SB 606 and AB 1668 requiring urban water suppliers to report on progress towards meeting urban water use objectives.
- Prepared and submitted the 2023 and 2024 Annual Water Shortage and Drought Assessment to the State

- Submitted all monthly spill reports. During the two-year period, there were two private lateral spills reported to the State. A revised Sewer System Management Plan (SSMP) was submitted in accordance with requirements for the State Waste Discharge Requirement Order WQ 2022-0103-DWQ. The newly required Annual Report was prepared and submitted in 2024.
- The Public Works Team worked on five grant/funding applications, and three were awarded.
- Completed two Annual reports for Citywide fleet vehicles and smog inspections to the Bureau of Automotive Repairs.
- In 2023, completed reporting of emissions for the emergency generator located at Cypress Water Production Facility.

Parks Maintenance Division

The Parks Maintenance Division maintains the landscaped areas in City parks and surrounding City facilities, including irrigation, playground equipment inspection, and trash removal.

RECREATION DEPARTMENT

CITY OF LOMITA

FY 2023-2024 ACCOMPLISHMENTS

RECREATION DEPARTMENT

The Recreation & Facilities Department is comprised of four departmental components:

- Facilities Maintenance
- Recreation & Leisure Programming
- Lomita Presents
- Railroad Museum

Each segment of the Department has contributed to the following list of accomplishments compiled during FY 2023-2024.

Park & Facility Maintenance:

- All staff assisted in preparing and running the 2023 Founder's Day event.
- Installed new partitions in the women's restrooms on the 1st and 2nd floor of City Hall. This replaces the original partition of the 70's (we will begin replacing the men's restrooms next month).
- Installed new partitions in the men's restrooms on the 1st and 2nd floors at City Hall. This replaces the original partition of the 70's.
- Replaced the countertop, sinks and faucets in the women's restroom at City Hall 1st floor.
- Purchased and installed various new office furniture for the following offices at City Hall. The Human Resources Analyst, Management Assistant and Public Works offices upstairs.
- Installed additional security cameras on the Stephenson Center at Lomita Park.
- Installed 50amp 240volt outlet for charger electric vehicles in the large bay at the City Yard.
- Troubleshooting the interior wall behind the stage in the Marc Fosnaugh Gymnasium to repair and paint.
- The exterior in ground door closures to the two glass doors to the Historic Room at City Hall were replaced.
- Installed the newest version of Atrium software for door access cards throughout city facilities.
- Replaced the interior metal door and all hardware to the door between the Recreation Office and large room, on the 1st floor of the Stephenson Center at Lomita Park.
- The HVAC units at Lomita Park were evaluated (pictures. Age. condition) and fully serviced.
 - Top Rico Center (2)
 - Stephenson Center (2)
 - City Yard (1)
- The Historical Room at City Hall had a few modifications and upgrades.

- Installed (3) additional electrical outlets.
- Installed (3) additional ethernet connections.
- Drywall and painting

Recreation & Leisure Programming:

- The Recreation Department conducted its five traditional youth sport leagues: flag football, volleyball, basketball, soccer, and baseball. Participants ranged in age from four to fourteen years old. Youth basketball and soccer brought in the most participants since the pandemic.
- Adult basketball was held on Monday, Wednesday, and Thursday evenings. With staff working on bringing back the adult men and women's soccer leagues. We are also looking to start an adult open gym volleyball program in the Fall on Tuesday nights.
- Staff enlisted contract instructors to offer several different cultural and leisure classes. Courses focused on martial arts, tennis, soccer training, gymnastics, adult fitness, art class, senior fitness, cardio salsa dance, and dog obedience training.
- Country line dancing class has quickly become a Lomita favorite with 3 course offerings.
- Lomita Park offered Lego Camp, Tennis Camp, Brit West Soccer Camp, and the famous Lomita Park Basketball Camp in the Summer.
- Lomita Summer Teen Program returned in 2023, since the pandemic for ages 11 – 14 years old. Activities included Tuesday night themed teen nights that took place in the Lomita Park Gymnasium from 6pm – 9pm. Numerous summer excursions also took place such as the Dodgers game, Dave N Busters, Knott's Soak City, and Planet Escape.

Lomita Presents:

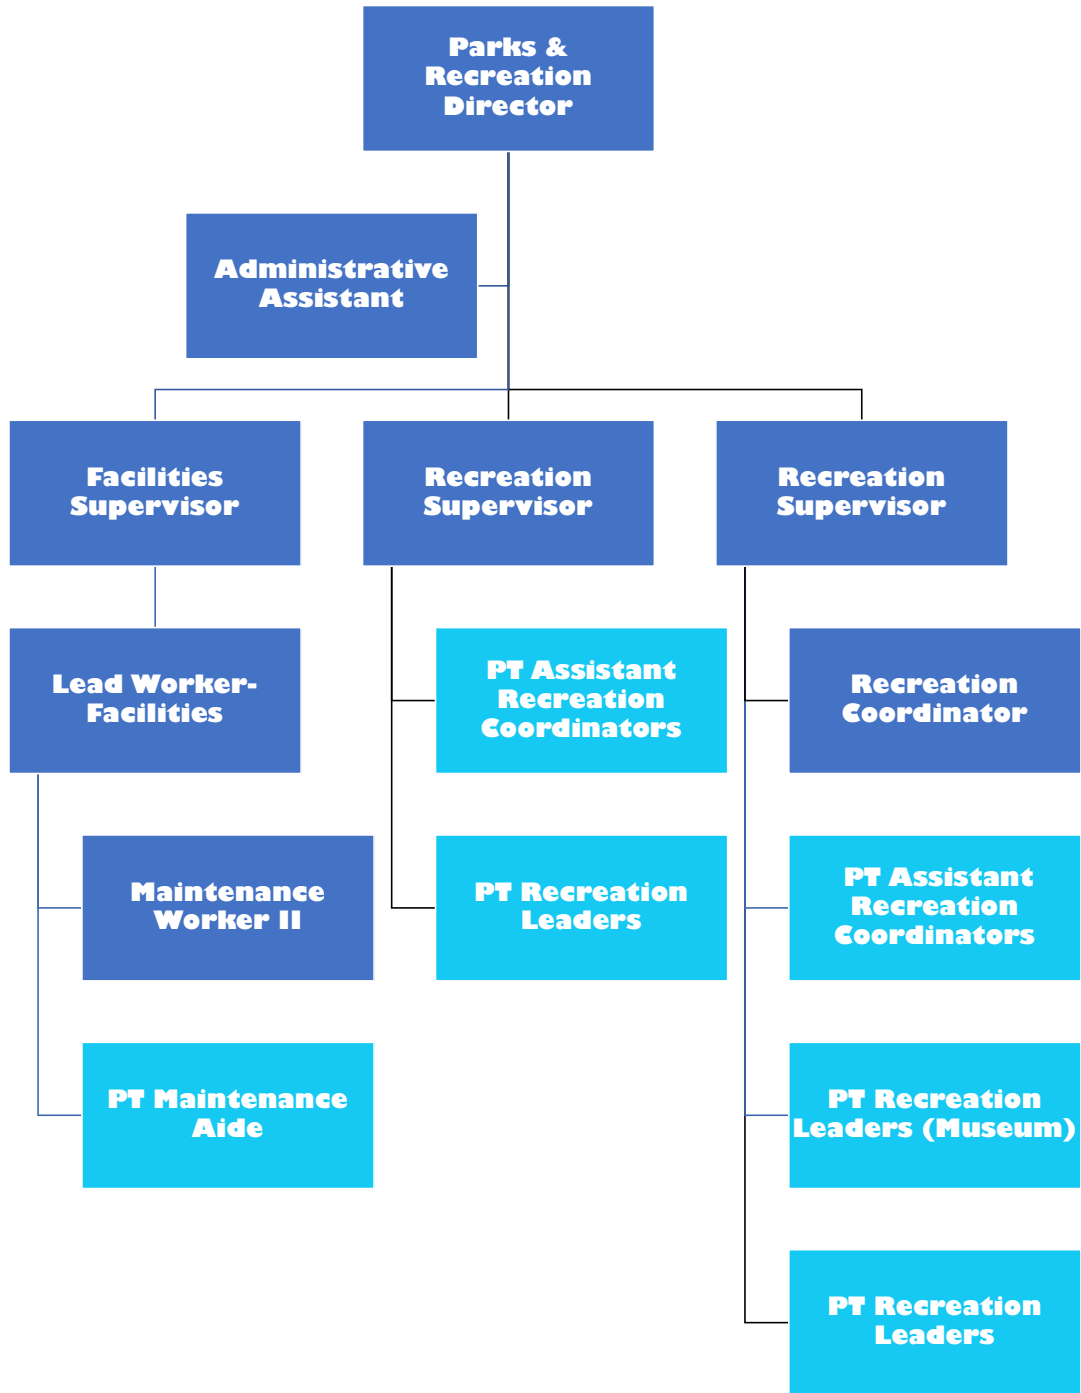

- Several family-based community events were held throughout the city:
 - The annual Eggstravaganza returned to Lomita Park, for ages 2 & under to 12 years old with themed crafts and over 8,000 eggs.
 - 'Movies Under the Stars' returned to the front lawn of city hall. Movies featured in the Summer were:
 - Minions: The Rise of Gru.
 - Puss in boots: The Last Wish.
 - National Nights out was held Aug 1st on the City Hall Front Lawn, for residents to meet and interact with other residents, Lomita Sheriff's Department, and various vendors providing resources to residents.

- The annual Halloween festival was held Lomita Park with local Lomita vendors, the Fantastic Cafe food truck, a DJ, carnival games, a costume parade, and lots of candy to go around.
- The Annual City of Lomita Founders Day was held on June 24th – 25th in downtown Lomita. Narbonne Ave was closed between 241st and Lomita Blvd for the weekend festivities. Food trucks, live music, vendors, carnival rides, a petting zoo, and carnival games lined the streets for residents. The annual Saturday night firework show was once again launched from the Lomita Park softball field. Guests could watch the show from Downtown Lomita, Lomita Park, or the comfort of their own home. Cinewav and Fireworks American joined forces to help us provide choreographed music to the firework show for those watching from home.
- The Annual Tree Lighting was held on December 1st. This year various Lomita vendors, musical performances from our local schools, food trucks, and crafts for the youth provided by the Lomita Railroad Foundation. Santa also visited and was escorted by the Lomita Sheriff's station. This year's snowbank for families to sled and play in the snow was donated by The Harbor Church.

Railroad Museum:

- The Lomita Railroad Museum admission is FREE but happily accepts donations. These donations go to the Lomita Railroad Foundation.
- The Lomita Railroad staff assisted the Lomita Railroad Foundation during their annual special events that consist of:
 - Afternoon Tea on April 30th at the Lomita Kiwanis Hall
 - Community Day, September 30th on the Irene Lewis.
 - Santa Event, December 10th at the Railroad Museum.
- Railroad Museum guided tours to local school groups and groups continue to grow with popularity.
- Lomita Railroad Museum's part time Recreation Coordinator and staff created the 1st annual A Night at the Museum which was held June 2nd. The evening took guests back in time during 1900-1950. Guests were encouraged to dress up and enjoy historical vehicles, live music, and demonstrations of equipment.
- With the assistance of Lomita Railroad staff, the Lomita Railroad Foundation has established the return of the summer speaker series.
- Museum staff created a new exhibit for museum guests to enjoy. The display is decided to the Pacific Electric Red Cars.

Railroad Museum

The Lomita Railroad Museum was founded by Mrs. Irene Lewis and donated to the City in 1967. It is the only museum in Lomita and serves as one of the City's cultural and historical focal points. The museum's mission is dedicated to fostering a deeper understanding and appreciation of the steam locomotive. This mission is accomplished by presenting history through exhibits, interpretive displays, tours, special events, and outreach programs.

Water Capital Debt Service

Bond financing for the Cypress Reservoir required City's approval and acceptance of Certificates of Participation for the repayment period to repay bond proceeds. Key objectives are to:

- Track depreciation of bond proceeds.
- Ensure interest is accrued annually.
- Monitor the principal balance of the bond.
- Accurately track the amortization schedule for the bond.

GLOSSARY

Account Number - A system of numbering or otherwise designating accounts, entries, invoices, vouchers, etc., in such a manner that the symbol used quickly reveals certain required information.

Allocate - To distribute a lump-sum appropriation; that is designated for expenditure by specific organization units and/or for specific purposes, activities, or objects.

Appropriation - An authorization made by the Council which permits the City to incur obligations and to make expenditures of resources.

Audit - Prepared by an independent Certified Public Accountant (CPA), the primary objective of an audit is to determine if the City's Financial Statements present fairly the City's financial position and results of operations in conformity with generally accepted accounting principles. In conjunction with their performance of an audit, it is customary for an independent auditor to issue a Management Letter stating the adequacy of the City's internal controls as well as recommending improvements to the City's financial management practices.

Budget - A financial plan for a specified period of time that matches planned revenues and expenditures to municipal services.

Budget Message - Included in the opening section of the budget, the Budget Message provides the Council and the public with a general summary of the most important

aspects of the budget, changes from the previous fiscal years, and the views and recommendations of the City Manager.

Capital Improvement Program (CIP) - A program to provide for the maintenance or replacement of existing public facilities and assets and for the construction or acquisition of new ones.

Capital Outlay - Expenditures for the acquisition of capital assets.

Contractual Services - Services rendered to City activities by private firms, individuals, or other governmental agencies. Examples of these services include traffic engineering, law enforcement, and city attorney services.

Department - A major organizational unit of the City which has been assigned overall management responsibility for an operation or a group of related operations within a functional area.

Encumbrance - The legal commitment of appropriated funds to purchase an item or service. To encumber funds means to set aside or commit funds for a future expenditure.

Expenditure - The outflow of funds paid or to be paid for an asset obtained or goods and services obtained regardless of when the expense is actually paid. This term applies to all funds.

Fiscal Year - The beginning and ending period for recording financial

GLOSSARY

transactions. The City has specified July 1 to June 30 as its fiscal year.

Fixed Assets - Assets of long-term nature such as land, buildings, machinery, furniture, and other equipment. The City has defined such assets as those with an expected life in excess of five years and an acquisition cost in excess of \$500.

Franchise Fee - A franchise fee is charged for the privilege of using public rights-of-way and property within the City for public or private purposes. The City currently assesses franchise fees on cable television, utilities, and trash collection contractors.

Fund - An accounting entity that records all financial transactions for specific activities or government functions. The generic fund types used by the City.

Fund Balance - The excess of current assets over current liabilities and represents the cumulative effect of revenues and other financing sources over expenditures and other financing uses.

Infrastructure - The physical assets of the City, i.e., streets, water and sewer lines, public buildings, and parks, and the support structures within a development.

Line-Item Budget - A budget that lists detailed expenditure categories (salary, materials, telephone service, travel, etc.) separately, along with the amount budgeted for each specified category. The City uses a

program rather than line-item budget, although detail line-item accounts are maintained and recorded for financial reporting and control purposes.

Operating Budget - The portion of the budget that pertains to daily operations providing basic governmental services. The program budgets, in the financial plan, form the operating budget.

Program Budget - A budget that focuses upon the goals and objectives of an agency or jurisdiction rather than upon its organizational budget units or object classes of expenditure.

Revenue - Funds that the government receives as income. It includes such items as tax payments, fees from specific services, receipts from other governments, fines, forfeitures, grants, shared revenue, and interest income.

Subventions - Revenues collected by the State (or other level of government) which are allocated to the City on formula basis. The major subventions received by the City from the State of California include motor vehicle in-lieu, cigarette taxes in-lieu, and gasoline taxes.

User Fees - The payment of a fee for direct receipt of service by the party benefiting from the service.
