NOTICE OF CONSTRUCTION

Project: City of Lomita, Narbonne South Water Main & Street Reconstruction

The City of Lomita has contracted All American Asphalt for Narbonne South Water Main & Street Reconstruction. This part of work will include asphalt grinding and paving, roadway repairs, utility adjustments; and improvements to striping and signs on Narbonne Ave.

Asphalt Construction Dates: April 6th, 2026 - Anticipated Completion Date is April 13th, 2026.

Normal working hours will be Monday through Friday, from approximately 7:00 AM to 4:00 PM.

Access to businesses and residences will remain open during construction operations but may be limited at times. Please be advised that, during active cold milling and paving operations, there may be periods of up to one hour when vehicles are unable to exit driveways.

“No Parking” signs will be posted on your street at least 48 hours prior to the start of work, indicating the specific dates construction will take place. Through traffic will be maintained at all times; however, slight impacts may occur during the course of construction.

1. Please do not park vehicles in the roadway when “No Parking” signs are posted.
2. Please assist us by not allowing water to run on the roadway.
3. Please assist us by not placing any debris in the roadway. Trash operations will remain as usual.

A City inspector will be overseeing the construction process and working directly with the contractor to help minimize impacts to the community. Your patience and cooperation are greatly appreciated.

Thank you,

All American Asphalt
