LOMITA'S JUNE 2 SPECIAL

MUNICIPAL ELECTION INFORMATION

On March 3, the Lomita City Council unanimously placed the **City of Lomita Local Control and City Services Measure – Measure LW**, a ¼ cent sales tax measure — on the June 2 ballot.

- ★ Water engineers have identified city water and sewer pipes, some of which are 90 years old, that are at risk of failure if not upgraded. The City has declared a fiscal emergency as the cost of upgrading this aging infrastructure could drain the City's financial reserves. If enacted, Measure LW can address these needs.
- ★ If Measure LW is not enacted, L.A. County could seize this money and use it themselves. If enacted, Measure LW keeps taxpayer dollars local, for the benefit of Lomita residents.
- ★ Measure LW requires all revenue is collected and spent only to benefit Lomita residents and businesses to maintain City services and address local needs.

*This is for informational purposes only. The City of Lomita does not advocate for or against any candidate or measure.
