Q2 2026 operating picture at a glance

PART I CRIME

91

↓ 7% vs. Q2 2025

TOTAL ARRESTS

148

↑ 49% vs. Q2 2025

EMERGENCY RESPONSE

4 min

Target: 7 minutes

TRAFFIC COLLISIONS

18 avg

Q2 monthly average

FATAL COLLISIONS

0

No fatal collisions

QUARTER HIGHLIGHTS

- Part I crime totaled 91 incidents, a 7% decrease compared with Q2 2025.
- Residential burglary was down 25% compared with Q2 2025.
- Grand theft auto was down 59% compared with Q2 2025.
- Emergency, Priority, and Routine response times were all within LASD targets.
- Traffic enforcement activity remained elevated, with hazardous citations averaging 85 per month.

OPERATIONAL MEANING

The overall public safety picture remained stable, with strong response time performance and elevated arrest activity. Property crime attention should remain focused on other theft, vehicle-related crime, and visible patrol in high-activity corridors.

Executive Takeaway

Maintain traffic safety pressure, targeted burglary suppression, and proactive theft reduction strategies.

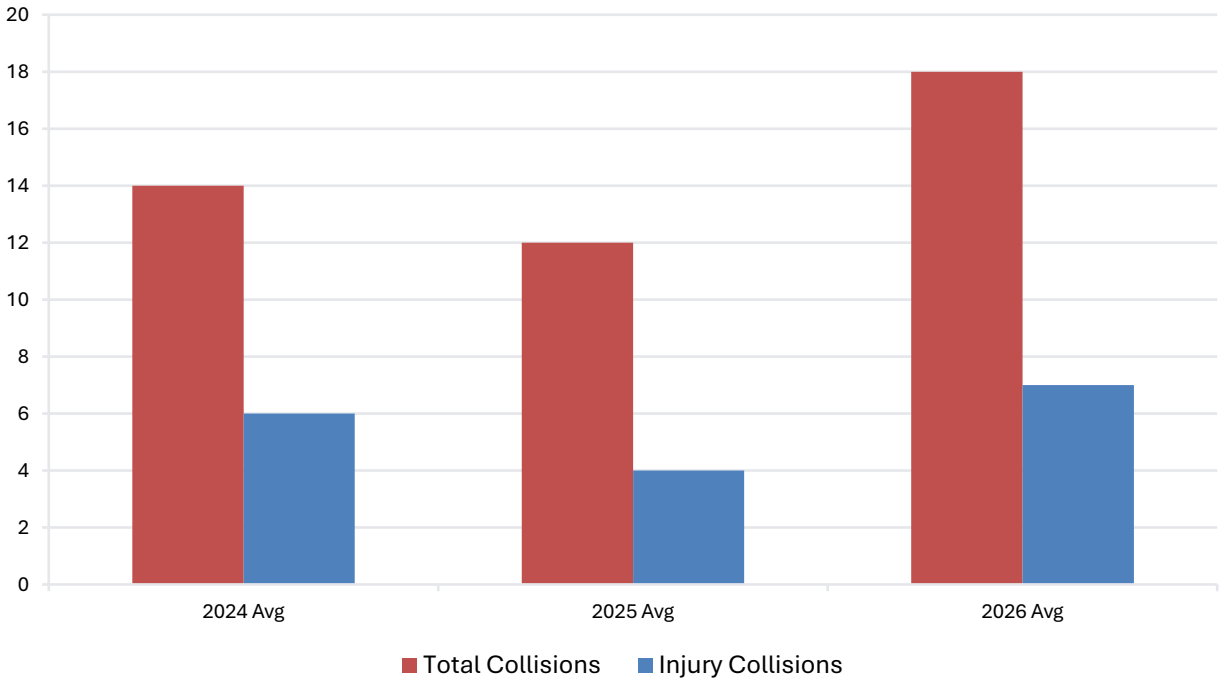

Traffic Overview

Citations, collisions, and DUI activity

DUI COLLISIONS

3

April-June total

FATAL COLLISIONS

0

April-June total

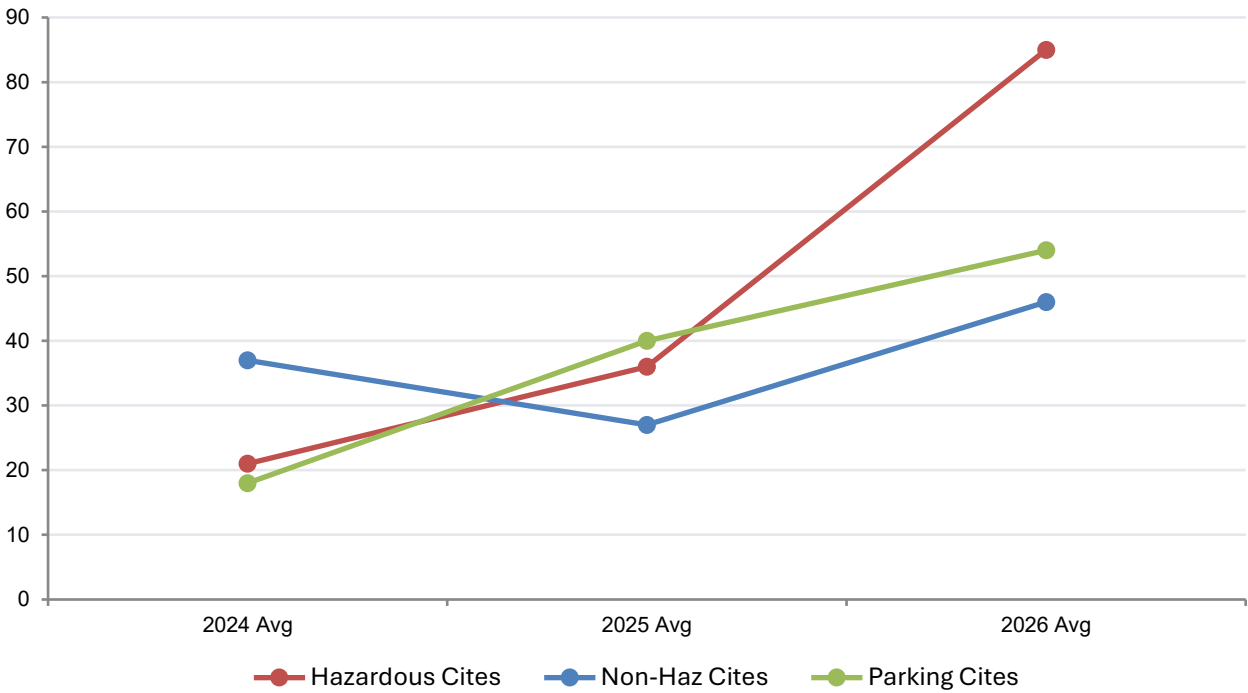

Traffic Enforcement Index

2026 Q2 monthly average: 13. Report formula: Haz. Cites + DUI Arrests / Fatal + Injury Collisions.

Traffic Enforcement Trend

Hazardous citations increased sharply compared with prior years

CITATION ACTIVITY

KEY INTERPRETATION

Hazardous citation activity substantially outpaced both 2024 and 2025 averages. The higher enforcement posture supports continued attention to collision prevention, school-zone safety, and high-visibility traffic corridors.

Enforcement

Safety

Recommended Focus

Continue directed enforcement near collision corridors and school/pedestrian activity areas.

TREND NOTES

- Total Part I crime decreased from 98 to 91.
- Robbery and aggravated assault remained flat compared with Q2 2025.
- Residential burglary, structure burglary, vehicle burglary, theft from vehicle, GTA, and arson decreased.
- Other larceny/theft is the primary upward pressure category.

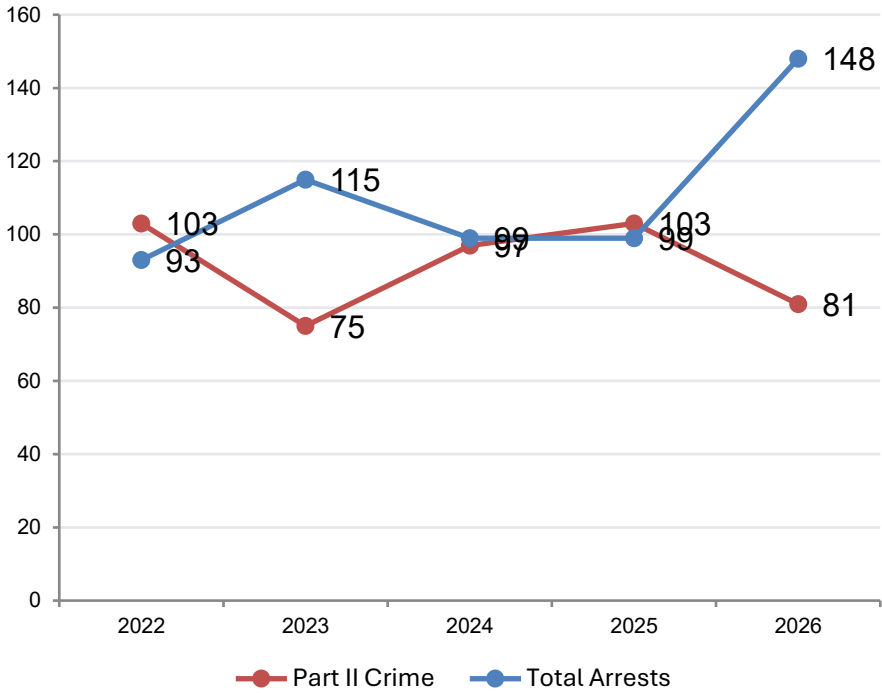

Five-Year Crime Trend

Part I and Part II crime remain below 2022 levels

Performance Summary

Q2 response times exceeded LASD benchmark standards in Emergency, Priority, and Routine categories.

Operational Highlights

Focused activity supporting community safety and visibility

LOS ANGELES COUNTY SHERIFF'S DEPARTMENT

Lomita Station

1

Directed Patrols

Visible patrol deployments around priority corridors and activity locations.

2

Traffic Safety

High-visibility enforcement supported collision prevention and community traffic concerns.

3

Burglary Suppression

Continued attention to residential burglary patterns, vehicle-related theft, and property crime.

4

Theft Reduction

Other theft remains a key pressure point; retail and corridor strategies should continue.

5

E-Bike Education

Youth safety messaging and parent education remain important in high-activity areas.

6

Community Partnership

Continued coordination with contract city leadership, residents, and stakeholders.

Community Engagement Framework

How Lomita Station strengthens visibility and trust

FOUR PILLARS OF ENGAGEMENT

Listen

Neighborhood Watch,
resident feedback,
contract city input.

Educate

Traffic safety, e-bike
safety, prevention
messaging.

Prevent

Directed patrol, burglary
suppression, retail theft
visibility.

Partner

Schools, businesses,
cities, foundations,
community groups.

Goal

Convert data into visible public safety action that residents can understand, see, and trust.

Looking Ahead

Recommended focus areas for the next quarter

01

Residential Burglaries

Continue pattern analysis, directed patrol, and resident prevention messaging.

04

Vehicle-Related Crime

Maintain visibility around vehicle burglary, theft-from-vehicle, and GTA trends.

02

Traffic Safety

Sustain targeted enforcement in collision corridors and school/pedestrian areas.

05

Community Partnerships

Leverage contract city briefings, community meetings, and social media messaging.

03

Theft & Retail Crime

Focus attention on other theft activity and high-volume commercial locations.

06

Technology & UAS

Continue responsible implementation of technology that improves safety and situational awareness.

CORE TEAM HIGHLIGHTS

Community Engagement & Outreach

Conducted the **2026 Lomita Civilian Academy**, consisting of five sessions that included patrol ride-alongs, specialized bureau presentations, a Men's Central Jail tour, scenario-based training, and a graduation ceremony with certificate presentations.

Hosted a **Catalytic Converter Etching Event** at Lomita City Hall, where **65 vehicles** were etched to help deter theft.

Participated in the **Tip-A-Cop** fundraiser benefiting Special Olympics.

School & Youth Engagement

Attended **School Safety Meetings** at Narbonne High School.

Attended **Career Day** at Fleming Middle School.

Supported the **Lomita Schools Drug-Free Walk**.

Participated in a student tour at Lomita City Hall.

Participated in the **Lomita youth soccer awards ceremony and Ice Cream with a Deputy event** at Lomita Park, providing an opportunity for positive interaction and relationship-building with local youth.

Traffic Safety

Participated in the **Traffic Safety/Public Safety Traffic Commission** meetings.

Conducted **traffic enforcement in identified problem areas** to address community concerns and enhance roadway safety.

Met with City staff to coordinate **fireworks suppression efforts** and plan an upcoming **e-bike safety course event**.

City Collaboration

Met with Lomita City staff to coordinate planning for the **Founder's Day** celebration.

Assisted with residential inspections.

Assisted with food vendor operations.

Assisted with homeless encampment response.

Provided security during the **Cypress Water Station** inspection.

Community Events & Public Safety Operations

Provided security and public safety support during the **Lomita Founder's Day** celebration (June 27-28).

Lomita Detective Bureau Operations

- **Operations 2nd Quarter:**
- **April 8, 2026**, SAT Crime Suppression operation. Resulting in the arrest of a 10851(a) CVC suspect.
- **April 29, 2026**, DB and SAT responded to Target (LMT) to assist asset protection and gathered information for suspect ID.
- **June 2, 2026**, DB follow-up investigation/search warrant and arrest of vandalism suspect.
- **June 4, 2026**, SAT investigation and vehicle GPS tracker application.
- **June 10, 2026**, SAT surveillance/search warrant and arrest of 422 suspect.
